Diana,

Please see attached for the HS numbers for line items 009 & 003. Does this work?

As for the US-India BIT, same scenario as earlier. I was just doing what had been done previously. I guess this item (007) will not be eligible for preference.

Thank you for your patience with me while I continue to learn this process.

Thanks,  
Joe

Joe,

I am not finding US-India BIT on the USTR website. I am also unable to find evidence that line item 009 and 003 comes in duty free. You will have to provide me with more concrete evidence, such as an HS (Harmonized System) code for these items in order to apply the preference. I need this information no later than tomorrow.

Joe,

Thank you for your bid submission under IFB CR15128. Please clarify the following:

Line item 007 - What is the brand you are bidding?

New World Imports - FRESHMINT\_TOOTHPASTE\_GEL\_6 OZ\_720/CS\_PKT\_CLEAR\_

Line item 008 - What is the brand and flavor (Fresh is not a flavor) you are bidding.

PERCARA\_MOUTHWASH\_ORAL HEALTH RINSE\_24 OZ\_12/CS\_PLASTIC BOTTLE

## 2. CONTRACTUAL REQUIREMENTS

### 2.1 Contract Period:

- 2.1.1 The original contract period shall be as stated on page one of the IFB. The contract shall not bind, nor purport to bind, the Department for any contractual commitment in excess of the original contract period. The Department shall have the right, at its sole option, to renew the contract for four (4) additional twelve (12) month periods or any portion thereof. In the event the Department exercises such right, all terms and conditions, requirements, and specifications of the contract shall remain the same and apply during the renewal period pursuant to applicable option clauses of this document.

### 2.2 Renewal Periods:

- 2.2.1 If the Department exercises its option for renewal, the contractor shall agree that the price for the renewal period shall not exceed the maximum percentage increase or be less than the minimum percentage decrease quoted for the applicable renewal period as stated on **EXHIBIT A, Pricing Page**, of the contract.

- a. As stated on **EXHIBIT A, Pricing Page**, all increases or decreases shall be calculated against the **ORIGINAL** contract price and **NOT** against the previous year's price. If a price increase or decrease was allowed as outlined in section 2.5 of this IFB, the increase/decrease will be added/subtracted after the calculation of the renewal price has been determined.

**EXAMPLE:** Original Contract Price = \$1.00, Maximum Increase = 2%, Economic Adjustment = 5%  
Renewal Period Increase - \$1.00 x 2% = \$1.02  
Economic Adjustment - \$1.00 x 5% = \$1.05  
Renewal Period Price = \$1.07 (\$1.02 + \$0.05)

- b. If renewal percentages are not provided, then the price during the renewal period shall be the same as during the original contract period.
- c. The Department does not automatically exercise its option for renewal based upon the maximum percentage and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum stated.

### 2.3 Contract Price:

- 2.3.1 The prices shall be as stated on **EXHIBIT A, Pricing Page**. The Department shall not pay, nor be liable, for any other additional costs, including but not limited to, taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

- a. Pricing shall be considered firm for the duration of the contract period unless a price increase/decrease is allowed as outlined in section 2.5 of this IFB.

#### **2.4 Point of Contact:**

- 2.4.1 The contractor must act as the responsible agent for all distributors shipping product to the Central Canteen Commodity Warehouse and be the single point of contact on all matters.

#### **2.5 Economic Adjustment Clause:**

- 2.5.1 In the event that the contractor's cost for the items covered in this IFB and resulting contract should increase more than 5% during the period of time in which the contract is in effect, the contractor may, upon submission of written proof of such increase and approval by the Department, be entitled to an adjustment in price accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department. All prices shall remain firm for the first six (6) months of this contract.
- 2.5.2 Whenever possible, the contractor must submit a written request for price increases thirty (30) days prior to the effective date of increase to the Department's Purchasing Section. **Requests and documentation must be submitted via US Mail.** If the manufacturer provides a percentage increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying its cost at the time of the bid award, the new cost, and the effective date of the increase. If the manufacturer provides an actual dollar amount of increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the increase and the effective date of the increase. Supporting documentation must clearly establish the increase is to all customers and not to the Department or this contract alone. Supporting documentation will be returned to the contractor once the Department's Purchasing Section has verified its validity and shall not become part of the contract record.
- 2.5.3 The increase will be allowed only on the cost of the item(s) to the contractor. No increase or change in the contractor's overhead, transportation costs, profit or other factors will be approved. The Department reserves the right to ask for invoices, published price lists, or any other evidence establishing the contractor's costs to support the increase. Failure to supply any requested documentation will be grounds to deny adjustment in price.
- 2.5.4 After receipt of required documentation and in the event a price change is authorized thereafter, no additional adjustments will be allowed for a term of six (6) months.
- 2.5.5 The Department further reserves the right to reject any proposed price increase, cancel the item(s) from the contract, and re-bid if determined to be in the best interest of the Department.
- 2.5.6 The contractor shall neither delay nor stop deliveries pending price changes.
- 2.5.7 If a price increase is allowed through a formal contract amendment, no price increase shall be billed to the Department before the effective date of the increase. Billed price changes will only be accepted for payment on purchase orders dated *on or after* the effective price change date. Purchase orders dated *prior* to the effective price change date shall be billed at the contract price in existence before the amended price change regardless of when delivery is accepted.
- 2.5.8 In the event the contractor's costs should decrease by more than 5% during the period of time that the contract is in effect, the contractor shall pass any manufacturer's price decrease to the Department and such decreases shall become effective immediately upon notification by the contractor of the amount of the decrease. The contractor shall notify the Department of any such decrease.

**2.6 Invoicing and Payment Terms:**

- 2.6.1 All payment terms shall be as stated in the terms and conditions of this contract. Payments will be processed based on final delivery, inspection, and acceptance of the item. Payment terms should be Net 30 unless otherwise stated in the IFB.
- 2.6.2 The contractor shall accurately invoice per the prices indicated on **EXHIBIT A, Pricing Page**.
- 2.6.3 The Department may choose to use the state purchasing card (Visa) in place of a purchase order to make purchases under this contract. Unless exception to this condition is indicated on **EXHIBIT A, Pricing Page**, the contractor agrees to accept the state purchasing card as an acceptable form of payment and may not charge any additional fees related to the use of a purchasing card such as service fees, merchant fees, and/or handling charges.
- a. If the Department issues a purchase order, an itemized invoice shall be emailed to [DOC.CanteenPayables@doc.mo.gov](mailto:DOC.CanteenPayables@doc.mo.gov) or mailed to:
- Attn: Offender Financial Services – Accounts Payable  
Missouri Department of Corrections  
PO Box 1609  
Jefferson City, MO 65102
- 2.6.4 Each invoice submitted must be specific to one purchase order number. The purchase order number must be referenced on the invoice and the invoice must be itemized in accordance with the item listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment. Emailed invoices should contain the purchase order number in the subject line.
- a. If the state purchasing card (Visa) is used for payment, an itemized invoice reflecting the charged amount must be faxed or emailed to the Central Canteen Commodity Warehouse within one business day. **The state purchasing card shall not be charged until the items are received and accepted.**
- 2.6.5 The contractor's invoice should include any discount for prompt payment as indicated on **EXHIBIT A, Pricing Page**.
- 2.6.6 If the contractor maintains an e-commerce web application that enables Department staff to view and print invoices and invoice history, the contractor shall indicate on **EXHIBIT A, Pricing Page** the web site address where the Department staff may access invoices. Upon award of a contract, the contractor shall provide the Department with a customer number in order for Department staff to access invoices and invoice history.

**2.7 Subcontractors:**

- 2.7.1 Any subcontract for the items/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor. The contractor shall expressly understand and agree that it shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract. The items/services in the contract shall in no way relieve the contractor of the responsibility for providing the items/services as described and set forth herein. The contractor must obtain the approval of the Department prior to establishing any

new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

## **2.8 Business Compliance:**

2.8.1 The bidder must be in compliance with the laws regarding conducting business in the State of Missouri. The bidder certifies by signing the signature page of this original document and any amendment signature page(s) that the bidder and any proposed subcontractors either are presently in compliance with such laws or shall be in compliance with such laws prior to any resulting contract award. The bidder shall provide documentation of compliance upon request by the Department. The compliance to conduct business in the state shall include but may not be limited to:

- Registration of business name (if applicable)
- Certificate of authority to transact business/certificate of good standing (if applicable)
- Taxes (e.g., city/county/state/federal)
- State and local certifications (e.g., professions/occupations/activities)
- Licenses and permits (e.g., city/county license, sales permits)
- Insurance (e.g., worker's compensation/unemployment compensation)

**2.9 Participation by Other Organizations:** The contractor must comply with any Organization for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded bid.

2.9.1 The contractor shall prepare and submit to the Department a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshops participating in the contract for the reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined by the Department.

2.9.2 The Department will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded bid. If the contractor's payments to the participating entities are less than the amount committed, the Department may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Department determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.

2.9.3 If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops to fulfill the participation requirements committed to in the contractor's awarded bid.

- a. The contractor must obtain the written approval of the Department for any new entities. This approval shall not be arbitrarily withheld.
- b. If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Department detailing all efforts made to secure a replacement. The Department shall have sole discretion in determining if the actions taken by the contractor constitute a good faith effort to secure the required participation and whether the contract will be amended to change the contractor's participation commitment.

### 5. EVALUATION AND AWARD

#### 5.1 Evaluation:

- 5.1.1 The evaluation shall include the original contract period plus the renewal periods. The estimated quantities shall be taken into consideration to compute the total price for the original contract period and renewal periods.
- 5.1.2 The cost evaluation shall be calculated as follows:
- a. For line items 001-005, the individual cost for each line item will be calculated by dividing the firm fixed case price for each line item stated on **EXHIBIT A, Pricing Page**, by the number of individual items per case to arrive at the individual item cost. The initial contract period cost for each line item will be calculated by multiplying the individual item cost by the estimated quantity for the line item.
  - b. For line item 006, the individual item cost for the line item will be calculated by dividing the firm fixed case price for the item stated on **EXHIBIT A, Pricing Page** by the number of items per case. The cost per ounce for the line item will be calculated by dividing the individual item cost by the total ounces of the item to arrive at the total cost per ounce. The initial contract period cost for the line item will be calculated by multiplying the total cost per ounce by the multiplier four (4) then multiplied by the estimated quantity for that line item.

- c. For Group #1 (line items 007 and 008) *and for evaluation purposes only*, the individual item cost for each line item will be calculated by dividing the firm fixed case price for the item stated on **EXHIBIT A, Pricing Page** by the number of items per case. The cost per ounce for each line item will be calculated by dividing the individual item cost by the total ounces of the item to arrive at the total cost per ounce. The total cost for each line item will be calculated by multiplying the total cost per ounce by the multiplier listed for each line item below, then multiplied by the estimated quantity for that line item.

LINE ITEM	MULTIPLIER
007	0.6
008	16

- 1) For Group #1, line item 009, *and for evaluation purposes only*, the individual cost for the line item will be calculated by dividing the firm fixed case price for the line item stated on **EXHIBIT A, Pricing Page**, by the number of items per case then multiplied by the estimated quantity for that line item.

The initial contract period cost for the group will be calculated by adding the total cost of the line items in the group together.

- d. For Group #2 (line items 010-016), *and for evaluation purposes only*, the individual cost for each line item will be calculated by dividing the firm fixed case price for the line item stated on **EXHIBIT A, Pricing Page**, by the number of items per case then multiplied by the estimated quantity for that line item. The initial contract period cost for the group will be calculated by adding the total cost of the line items in the group together.
- e. For Group #3 (line items 017-019), *and for evaluation purposes only*, the individual cost for each line item will be calculated by dividing the firm fixed case price for the line item stated on **EXHIBIT A, Pricing Page**, by the number of items per case then multiplied by the estimated quantity for that line item.

- 1) For Group #3 (line item 020) *and for evaluation purposes only*, the individual item cost for the line item will be calculated by dividing the firm fixed case price for the item stated on **EXHIBIT A, Pricing Page** by the number of items per case. The cost per ounce for the line item will be calculated by dividing the individual item cost by the total ounces of the item to arrive at the total cost per ounce. The total cost for the line item will be calculated by multiplying the total cost per ounce by the multiplier fifteen (15) then multiplied by the estimated quantity for that line item.

The initial contract period cost for the group will be calculated by adding the total cost of the line items in the group together.

- f. A cost for each renewal period will be calculated in the same manner as indicated in 5.1.2 a. - e., for all line items. The total cost of the initial contract period and each renewal period will be added together to arrive at the total bid price for line items 001-006 and for each group.

5.1.3 **Buy American Preference** – If calculations for the Buy American preference are necessary, items bid **not** meeting proof of compliance with section 34.353 RSMo in accordance with the Domestic Procurement Act, sections 34-350 RSMo through 34.359 RSMo, the Buy American preference shall be computed as follows:

$$\text{Total Bid Price} \times 1.10 = \text{Total Evaluated Bid Price}$$

5.1.4 **Determination of Cost Points** – Cost points shall be computed as follows:

**Lowest Responsive Total Evaluated Bid Price x 100 + earned preference points = Total Cost Points**  
**Compared Total Evaluated Bid Price**

a. **NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.**

**5.2 Award:**

5.2.1 Award for each group shall be made to the bidder whose items meet the required specifications and has the highest total cost points for the group. Only one award shall be made for each group.

5.2.2 Award for line items 001-006 shall be made to the bidder(s) whose item(s) meets the required specifications and has the highest total cost points. Only one award shall be made for each line item.

5.2.3 **Other Considerations** – The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not limited to: 1) failure of the bidder to meet mandatory general performance specifications; 2) failure of the bidder to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder's offering.

### 4. OPEN COMPETITION/INVITATION FOR BID DOCUMENT

- a. It shall be the bidder's responsibility to ask questions, request changes or clarification, or otherwise advise the Department if any language, specifications or requirements of an IFB appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements or evaluation process stated in the IFB to a single source. Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the Buyer of Record of the Department, unless the IFB specifically refers the bidder to another contact. Such communication should be received at least ten (10) calendar days prior to the official bid opening date.
- b. Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all bidders will be advised, via the issuance of an amendment to the IFB, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.
- c. Bidders are cautioned that the only official position of the State of Missouri is that which is issued by the Department in the IFB or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. Some IFBs are available for viewing and downloading on the Department's website.
- f. The Department reserves the right to officially amend or cancel an IFB after issuance.

### 5. PREPARATION OF BIDS

- a. Bidders **must** examine the entire IFB carefully. Failure to do so shall be at the bidder's risk.
- b. Unless otherwise specifically stated in the IFB, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the IFB, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The bidder may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the bidder shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Bids lacking any indication of intent to bid an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the IFB.
- e. In the event that the bidder is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an IFB, such a bidder may submit a bid which contains a list of statutory limitations and identification of those prohibitive clauses. The bidder should include a complete list of statutory references and citations for each provision of the IFB which is affected by this paragraph. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. If the Department determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will

be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the IFB.

- f. All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the IFB clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- g. Prices shall include all packing, handling and shipping charges, and shall be delivered to the Department's designated destination FOB destination, freight prepaid and allowed unless otherwise specified in the IFB.
- h. Bids, including all pricing therein, shall remain valid for 90 days from the bid opening unless otherwise indicated. If the bid is accepted, the entire bid, including all prices, shall be firm for the specified contract period.

Bidders are cautioned that bids submitted via the USPS, including first class mail, certified mail, Priority Mail and Priority Mail Express, are routed through the Office of Administration Central Mail Services and the tracking delivery time and date may not be the time and date received by the Department's Purchasing office. - b. The sealed envelope or container containing a bid should be clearly marked on the outside with the official IFB number *and* the official opening date and time. Different bids should not be placed in the same envelope; however, copies of the same bid may be placed in the same envelope.

Telephone or telegraphic requests to modify a bid shall not be honored.

A bid may also be withdrawn in person by the bidder or its authorized representative provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.
- e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the bidder. Justification of a withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the bidder.
- f. Bidders must sign and return the IFB cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the bidder of all the IFB terms and conditions. Failure to do so may result in the rejection of the bid unless the bidder's full compliance with those documents is indicated elsewhere within the bidder's response.
- g. Faxed and e-mailed bids shall not be accepted; however, faxed and e-mail no-bid notifications shall be accepted.

## 7. BID OPENING

Late bids may only be opened under extraordinary circumstances in accordance with 1 CSR 40-1.050.

## 8. PREFERENCES

- a. In the evaluation of bids, preferences shall be applied in accordance with Chapter 34 RSMo. Contractors should apply the same preferences in selecting subcontractors.

By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

## 9. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the bidder and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a bidder shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.
- c. The bidder is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the Department. However, unless otherwise specified in the IFB, pricing shall be evaluated at the maximum potential financial liability to the Department.
- d. Awards shall be made to the bidder(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the bidder, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.
- e. In the event all bidders fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.
- f. The Department reserves the right to reject any and all bids.
- g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a bidder, from a bidder's references, or from any other source.
- h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- i. Any award of a contract shall be made by notification from the Department to the successful bidder. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.
- k. The Department maintains records of all bid file material for review. Bidders who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
- l. The Department reserves the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- n. The final determination of contract award(s) shall be made by the Department.

## 10. CONTRACT/PURCHASE ORDER

- a. By submitting a bid, the bidder agrees to furnish any and all equipment, supplies and/or services specified in the IFB, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the IFB and any amendments thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.
- c. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly

authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

#### **11. INVOICING AND PAYMENT**

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the IFB.
- d. The Department assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the Department's rejection and shall be returned to the contractor at the contractor's expense.
- e. All invoices for equipment, supplies, and/or services purchased by the Department shall be subject to late payment charges as provided in section 34.055 RSMo.
- f. The Department reserves the right to purchase goods and services using the state purchasing card.

#### **12. DELIVERY**

- a. Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time if a specific time is not stated.
- b. A Missouri Uniformed Law Enforcement System (MULES) background check may be required on the contractor's delivery driver prior to allowing a delivery vehicle entrance to certain institutions. A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.
- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

#### **13. INSPECTION AND ACCEPTANCE**

- a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The Department's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

#### **14. WARRANTY**

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the Department, (2) be fit and sufficient for the purpose expressed in the IFB, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the Department's acceptance of or payment for said equipment, supplies, and/or services.

**15. CONFLICT OF INTEREST**

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454 RSMo regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the bid the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

**16. CONTRACTOR STATUS**

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

**17. REMEDIES AND RIGHTS**

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the Department of any existing or future right and/or remedy available by law in the event of any claim by the Department of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

**18. SEVERABILITY**

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

**19. CANCELLATION OF CONTRACT**

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than ten (10) working days from notification, or at a minimum, the contractor must provide the Department within ten (10) working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach, or if circumstances demand immediate action, the Department will issue a notice of cancellation terminating the contract immediately. If it is determined the Department improperly cancelled the contract, such cancellation shall serve as notice of termination for convenience in accordance with the contract.
- c. If the Department cancels the contract for breach, the Department reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Department deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

**20. TERMINATION OF CONTRACT**

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

**21. ASSIGNMENT OF CONTRACT**

- a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

**22. COMMUNICATIONS AND NOTICES**

- a. Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.
- b. If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.

**23. FORCE MAJEURE**

- a. The contractor shall not be liable for any excess costs for delayed delivery of goods or services to the Department if the failure to perform the contract arises out of causes beyond the control of, and without the fault or negligence of, the contractor. Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

**24. CONTRACT EXTENSION**

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

**25. INSURANCE**

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

**26. BANKRUPTCY OR INSOLVENCY**

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the Department immediately.
- b. Upon learning of any such actions, the Department reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

**27. INVENTIONS, PATENTS AND COPYRIGHTS**

- a. The contractor shall defend, protect, and hold harmless the Department, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

**28. CONTRACTOR PROPERTY**

**29. NON-DISCRIMINATION AND AFFIRMATIVE ACTION**

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:
  - 1. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
  - 2. The identification of a person designated to handle affirmative action;
  - 3. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
  - 4. The exclusion of discrimination from all collective bargaining agreements; and
  - 5. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.
- b. If discrimination by a contractor is found to exist, the Department shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the Department until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

**30. AMERICANS WITH DISABILITIES ACT**
