1. INTRODUCTION AND GENERAL INFORMATION

This section of the IFB includes a brief introduction and background information about the intended services for which the requirements herein are written. The contents of this section are intended for informational purposes and do not require a response.

1.1 Purpose:

1.1.1 The Missouri Department of Corrections (hereinafter referred to as the Department) is accepting competitive, sealed bids to establish a contract for the purchase of tabletop fully automatic autoclaves on an as needed basis for the Division of Rehabilitative Services in accordance with the requirements and provisions stated herein.

1.2 Questions Regarding the IFB:

1.2.1 It is the bidder's responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the bidder believes that any language, specifications or requirements are: (1) ambiguous, (2) contradictory or arbitrary, or both, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the bidder's ability to submit a bid.

a. Except as may be otherwise stated herein, the bidder and the bidder's agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the IFB, the solicitation process, the evaluation, etc., to the Buyer of Record indicated on the first page of this IFB. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Bidders and their agents who have questions regarding this matter should contact the Buyer of Record.

1) The bidder may contact the Office of Equal Opportunity (OEO) regarding MBE/WBE certification or subcontracting with MBE/WBE companies.

b. All questions and issues should be submitted at least ten (10) working days prior to the due date of the bid. If not received prior to ten (10) working days before the bid due date, the Department may not be able to fully research and consider the respective questions or issues. Questions and issues relating to the IFB, including questions related to the competitive procurement process, must be directed to the Buyer of Record. It is preferred that questions be e-mailed to the Buyer of Record at Diana.Fredrick@doc.mo.gov.

c. The Department will attempt to ensure that a bidder receives an adequate and prompt response to questions, if applicable. Upon the Department's consideration of questions and issues, if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued IFB amendment(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for an IFB amendment as the questions and issues did not provide further clarity to the IFB. All bidders will be advised of any change to the IFB's language, specifications, or requirements by a formal amendment to the IFB.

NOTE: The only official position of the Department shall be that which is contained in the IFB and any amendments thereto.

1.3 General Information:

1.3.1 Terms and Conditions - It is recommended that all bidders review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition

 - a. If the Department issues a purchase order, an itemized invoice shall be emailed to DOC.Payables@doc.mo.gov or mailed to:

3. GENERAL CONTRACTUAL REQUIREMENTS

This section of the IFB includes the general contractual requirements and provisions that shall govern the contract after IFB award. The contents of this section include mandatory provisions that must be adhered to by the Department and the contractor unless changed by a contract amendment. Response to this section by the bidder is not necessary as all provisions are mandatory.

3.1 Contractual Requirements:

3.1.1 Contract - A binding contract shall consist of: (1) the IFB and any amendments thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the response (bid), if any, and (4) the Department's acceptance of the response (bid) by "notice of award". All Exhibits included in the IFB shall be incorporated into the contract by reference.

- a. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.
- c. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

3.1.2 Contract Period - The original contract period shall be as stated on page one (1) of the IFB. The contract shall not bind, nor purport to bind, the Department for any contractual commitment in excess of the original contract period. The Department shall have the right, at its sole option, to renew the contract for two (2) additional twelve (12) month periods or any portion thereof. In the event the Department exercises such right, all terms and conditions, requirements, and specifications of the contract shall remain the same and apply during the renewal period pursuant to applicable option clauses of this document.

3.1.3 Renewal Periods - If the Department exercises its option for renewal, the contractor shall agree that the price for the renewal period shall not exceed the maximum percentage increase or be less than the minimum percentage decrease quoted for the applicable renewal period as stated on **EXHIBIT A, Pricing Page**, of the contract.

- a. As stated on **EXHIBIT A, Pricing Page**, all increases or decreases shall be calculated against the ORIGINAL contract price and NOT against the previous year's price.
- b. If renewal percentages are not provided, then the price during the renewal period shall be the same as during the original contract period.
- c. The Department does not automatically exercise its option for renewal based upon the maximum percentage and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum stated.

- 3.1.4 Contract Price - The price shall be as stated on **EXHIBIT A, Pricing Page**. The Department shall not pay, nor be liable, for any other costs including, but not limited to, taxes, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.
- a. Prices shall include all packing, handling, shipping and freight charges FOB Destination, Freight Prepaid and Allowed. The Department shall not make additional payments or pay add-on charges for freight or shipping unless specifically described and priced in the bid, or as otherwise specifically stated and allowed by the IFB.
- 3.1.5 Termination - The Department reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.
- 3.1.6 Contractor Liability - The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the State of Missouri, including its agencies, employees, and assignees, from every expense, liability, or payment arising out of such negligent act.
- a. The contractor also agrees to hold the State of Missouri, including its agencies, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.
 - b. The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, including its agencies, employees, and assignees.
- 3.1.7 Insurance - The contractor shall understand and agree that the State of Missouri cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract.
- 3.1.8 Contractor's Employees - The contractor and all of the contractor's employees and agents providing products and/or services in any Department of Corrections institution must be at least eighteen (18) years of age. A Missouri Uniform Law Enforcement System (MULES) check or other background investigation shall be required on the contractor, the contractor's employees and agents before they are allowed entry into the institution.
- a. The institution shall have the right to deny access into the institution for the contractor and any of the contractor's employees and agents for any reason, at the discretion of the institution.
 - b. The contractor, its employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to providing products and/or services pursuant to a Department contract. Similarly, contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.
 - c. The contractor, its employees and agents shall at all times observe and comply with all applicable state statutes, Department rules, regulations, guidelines, internal management policies and procedures, and general orders of the Department that are applicable, regarding operations and

activities in and about all Department property. Furthermore, the contractor, its employees and agents, shall not obstruct the Department or any of its designated officials from performing their duties in response to court orders or in the maintenance of a secure and safe correctional environment. The contractor shall comply with the Department's policies and procedures relating to employee conduct.

- d. The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender, or offender on offender, sexual harassment, sexual assault, sexual abuse and consensual sex.
 - 1) Any contractor or contractor's employee or agent who witnesses any form of sexual misconduct must immediately report it to the warden of the institution. If a contractor or contractor's employee or agent fails to report or knowingly condones sexual harassment or sexual contact with or between offenders, the Department may cancel the contract, or at the Department's sole discretion, require the contractor to remove the employee/agent from providing products and/or services under the contract.
 - 2) Any contractor or contractor's employee or agent who engages in sexual abuse shall be prohibited from entering the institution and shall be reported to law enforcement agencies and licensing bodies, as appropriate.
- e. The contractor, its employees and agents shall not interact with the offenders except as is necessary to perform the requirements of the contract. The contractor, its employees and agents shall not give anything to nor accept anything from the offenders except in the normal performance of the contract.
- f. If any contractor or contractor's employee or agent is denied access into the institution for any reason or is denied approval to provide products and/or services to the Department for any reason stated herein, it shall not relieve the contractor of any requirements of the contract. If the contractor is unable to perform the requirements of the contract for any reason, the contractor shall be considered in breach.

3.1.9 Subcontractors - Any subcontract for the items/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract. The contractor shall agree and understand that utilization of a subcontractor to provide any of the items/services in the contract shall in no way relieve the contractor of the responsibility for providing the items/services as described and set forth herein. The contractor must obtain the approval of the Department prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

3.1.10 Contractor Status - The contractor is an independent contractor and shall not represent the contractor or the contractor's employees to be employees of the State of Missouri or a Department of the State of Missouri. The contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters.

contract shall be made available by the contractor to the Department throughout the effective period of the contract.

- 3.1.12 Substitution of Products - The contractor shall not substitute any item(s) that has been awarded to the contractor without the prior written approval of the Department.
- a. In the event an item becomes unavailable, the contractor shall be responsible for providing a suitable substitute item. The contractor's failure to provide an acceptable substitute may result in cancellation or termination of the contract.
 - b. Any item substitution must be a replacement of the contracted item with a product of equal or better capabilities and quality, and with equal or lower pricing. The contractor shall understand that the Department reserves the right to allow the substitution of any new or different product offered by the contractor. The Department shall be the final authority as to acceptability of any proposed substitution.
 - c. Any item substitution shall require a formal contract amendment authorized by the Department prior to the Department acquiring the substitute item under the contract.
 - d. The Department may choose not to compel an item substitution in the event requiring a substitution would be deemed unreasonable in the sole opinion of the Department. The contractor shall not be relieved of substituting a product in the event of manufacturer discontinuation or other reason simply for reasons of unprofitability to the contractor.
- 3.1.13 Replacement of Defective/Damaged Product - The contractor shall be responsible for replacing any item received that is defective or in damaged condition at no cost to the Department. This includes all shipping costs for returning damaged or defective items to the contractor for replacement.

This shall include assuming responsibilities and liabilities for any and all problems relating to all materials, equipment and services provided.

END OF SECTION THREE: GENERAL CONTRACTUAL REQUIREMENTS

4. BID SUBMISSION, EVALUATION AND AWARD INFORMATION

4.1 Submission of Bids:

- 4.1.1 The bidder should include the original bid, completed exhibits, forms, and other information concerning the bid, including completed Pricing Page(s), with the bid.
- a. Bids must be signed and returned with all necessary attachments to the Purchasing Section by the bid date and time as stated on the first page of this IFB. Specifically, **any** form containing a signature line such as page 1 of the original IFB and any amendments thereafter, **EXHIBIT A, Pricing Page**, etc., shall be manually signed and returned as part of the bid.
 - b. Recycled Products - The State of Missouri recognizes the limited nature of our resources and the leadership role of government agencies in regard to the environment. Accordingly, the bidder is requested to print the bid double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy bids may be submitted in a notebook or binder.
- 4.1.2 Open Competition – Any manufacturer’s name, trade names, brand names, and/or information listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition.
- a. The bidder may offer any brand of product that meets or exceeds the specifications. In addition to identifying the manufacturer’s name and model/item number, the bidder must explain in detail how its product meets or exceeds the specifications. Bids which do not comply with the requirements and the specifications are subject to rejection without clarification.
- 4.1.3 Open Records – Pursuant to section 610.021, RSMo, the bid shall be considered an open record after the the contract is awarded. Therefore, the bidder is advised not to include any information that the bidder does not want to be viewed by the public, including personal identifying information such as social security numbers.
- a. In preparing a bid, the bidder should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the bids and should limit bid content to items that provide substance, quality of content, and clarity of information.
 - b. Additionally, after a contract is executed, the contract(s) is scanned into the Department’s imaging system. The scanned information will be available for viewing through the Internet at <http://doc.mo.gov/DHS/Contracts.php>.
- 4.1.4 Bid Detail Requirements and Deviations - The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the IFB and its contractual requirements. The bidder agrees that in the event of conflict between any of the bidder's terms and conditions and those contained in the IFB the IFB shall govern. Taking exception to the Department's terms and conditions may render a bidder's bid non-responsive and remove it from consideration for award.
- 4.1.5 Preprinted Marketing Materials - The bidder may submit preprinted marketing materials with the bid; however, the bidder is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses which have been requested of the bidder. The bidder is strongly discouraged from relying on such materials in presenting products and services for consideration by the Department.
- a. It is the bidder’s responsibility to provide detailed information about how the item bid meets the specifications presented herein. If preprinted marketing materials do not specifically address each

specification, the bidder should provide detailed information to assure that the product meets the Department's mandatory requirements. In the event this information is not submitted with the bid, the Buyer of Record may, but is not required to, seek written clarification from the bidder to provide assurance that the product bid meets specifications.

4.2 Evaluation and Award Process:

- 4.2.1 After determining that a bid satisfies the mandatory requirements stated in the IFB, the evaluator shall use objective analysis in conducting a comparative assessment of the bid. The contract shall be awarded to the lowest and best bid.
- 4.2.2 The evaluation shall include the original contract period plus the renewal periods. The estimated quantities shall be taken into consideration to compute the total price for the original contract period and renewal periods.
- 4.2.3 Price shall be considered firm for the duration of the contract period indicated on the Notice of Award of a contract.

4.3 Evaluation of Cost:

- 4.3.1 The bidder shall submit a firm fixed price for the line item on **EXHIBIT A, Pricing Page**. Price shall be quoted FOB Destination Freight Prepaid and Allowed.
 - a. The bidder should complete the "Terms" and the "Bidder's Acceptance of the State Purchasing Card" sections on **EXHIBIT A, Pricing Page**.
- 4.3.2 The objective evaluation of cost shall be based on the firm fixed price stated on **EXHIBIT A, Pricing Page** for each potential contract period.
 - a. For evaluation purposes only, the initial contract period cost will be calculated by multiplying the firm fixed price for the line item stated on **EXHIBIT A, Pricing Page**, by the estimated quantity.
 - b. A cost for each renewal period will be calculated in the same manner as indicated in paragraph 4.3.2 a. The total cost of the initial contract period and each renewal period will be added together to arrive at the total bid price.
 - c. The bidder shall agree and understand that the quantities used in the evaluation of cost are provided solely to document how cost will be evaluated. The Department makes no guarantee regarding the accuracy of the quantities stated nor does the Department intend to imply that the figures used for the cost evaluation in any way reflect neither actual nor anticipated usage.

4.4 Determination for Award:

- 4.4.1 The Department reserves the right to award to the bidder whose bid complies with all mandatory specifications and requirements and is the lowest and best bidder for the item.
- 4.4.2 Only one award shall be made to the bidder whose item meets specifications and who is the lowest priced responsive bidder. Other factors that affect the determination of the lowest priced responsive bidder include consideration of the Buy American Act and the Missouri Service-Disabled Veteran Business Preferences explained in the paragraphs that follow.
- 4.4.3 Determination of Lowest Priced Bidder including Consideration of Preferences - After completing the cost evaluation and determining preference bonus points, the bidder with the most cost points is considered the lowest bidder. Cost points shall be computed for the total evaluated bid price as follows:

$$\frac{\text{Lowest Responsive Total Evaluated Bid Price} \times 100 + \text{earned preference points}}{\text{Compared Total Evaluated Bid Price}} = \text{Total Cost Points}$$

a. NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.

4.4.4 The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the bidder to meet mandatory general performance specifications; and/or 2) failure of the bidder to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder's offer.

4.5 Buy American Act Preference:

4.5.1 In accordance with the Domestic Product Act (hereinafter referred to as the Buy American Act), sections 34-350 through 34.359 RSMo, the bidder is advised that any goods purchased or leased by any public agency shall be manufactured or produced in the United States.

a. Bidders who can certify that goods or commodities to be provided in accordance with the contract are manufactured or produced in the United States or imported in accordance with a qualifying treaty, law, agreement, or regulation shall be entitled to a ten percent (10%) preference over bidders whose products do not qualify.

b. The requirements of the Buy American Act shall not apply if other exceptions to the Buy American Act mandate in section 34.353 RSMo are met.

c. If the bidder claims there is only one line item of the good manufactured or produced in the United States, section 34.353 (2) RSMo, or that one of the exceptions of section 34-353 (3) RSMo applies, the Executive Head of the Agency bears the burden of certification as required prior to the award of the contract.

d. In accordance with the Buy American Act, the bidder must provide proof of compliance with section 34.353 RSMo. Therefore, the bidder should complete and return **EXHIBIT B**, certification regarding proof of compliance, with the bid. This document must be satisfactorily completed prior to an award of a contract.

e. If the lowest priced bidder's products qualify as American-made, or in the event all of the bidders or none of the bidders qualify for the Buy American preference, no further calculation is necessary.

f. If any products and/or services offered under this IFB are being manufactured or performed at sites outside the United States, the bidder MUST disclose such fact and provide details with the bid.

4.6 Missouri Service-Disabled Veteran Business Enterprise Preference:

4.6.1 Pursuant to section 34.074 RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to bidders who qualify as Missouri service-disabled veteran business enterprise and who complete and submit **EXHIBIT C**, Missouri Service-Disabled Veteran Business Enterprise Preference with the bid. If the bid does not include the completed **EXHIBIT C** and the documentation specified on **EXHIBIT C** in accordance with the instructions provided therein, no preference points will be applied.

Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the Buyer of Record of the Department, unless the IFB specifically refers the bidder to another contact. Such communication should be received at least ten (10) calendar days prior to the official bid opening date.

However, in order to maintain a fair and equitable bid process, all bidders will be advised, via the issuance of an amendment to the IFB, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.

- d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. Some IFBs are available for viewing and downloading on the Department's website.

The bidder may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the bidder shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. The bidder should include a complete list of statutory references and citations for each provision of the IFB which is affected by this paragraph. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. If the Department determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the IFB.
- f. All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the IFB clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.

- e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the bidder. Justification of a withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the bidder.
- f. Bidders must sign and return the IFB cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the bidder of all the IFB terms and conditions. Upon discovering an apparent clerical error, the Buyer of Record shall contact the bidder and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a bidder shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.
- c. The bidder is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the Department. However, unless otherwise specified in the IFB, pricing shall be evaluated at the maximum potential financial liability to the Department.
- d. Awards shall be made to the bidder(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the bidder, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.

- e. In the event all bidders fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.
- f. The Department reserves the right to reject any and all bids.
- g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a bidder, from a bidder's references, or from any other source.

- i. Any award of a contract shall be made by notification from the Department to the successful bidder. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.
- k. The Department maintains records of all bid file material for review. Bidders who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
- l. The Department reserves the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- n. The final determination of contract award(s) shall be made by the Department.

10. CONTRACT/PURCHASE ORDER

- a. By submitting a bid, the bidder agrees to furnish any and all equipment, supplies and/or services specified in the IFB, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the IFB and any amendments thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.
- c. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

- b. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the IFB.
- d. The Department assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the Department's rejection and shall be returned to the contractor at the contractor's expense.
- e. All invoices for equipment, supplies, and/or services purchased by the Department shall be subject to late payment charges as provided in section 34.055 RSMo.
- f. The Department reserves the right to purchase goods and services using the state purchasing card.

12. DELIVERY

- a. Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time if a specific time is not stated.
- b. A Missouri Uniformed Law Enforcement System (MULES) background check may be required on the contractor's delivery driver prior to allowing a delivery vehicle entrance to certain institutions. A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number

and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.

- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

13. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The Department's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

14. WARRANTY

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the Department, (2) be fit and sufficient for the purpose expressed in the IFB, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the Department's acceptance of or payment for said equipment, supplies, and/or services.

15. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454 RSMo regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the bid the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

16. CONTRACTOR STATUS

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

17. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the Department of any existing or future right and/or remedy available by law in the event of any claim by the Department of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

18. SEVERABILITY

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

19. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than ten (10) working days from notification, or at a minimum, the contractor must provide the Department within ten (10) working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach, or if circumstances demand immediate action, the Department will issue a notice of cancellation terminating the contract immediately. If it is determined the Department improperly cancelled the contract, such cancellation shall serve as notice of termination for convenience in accordance with the contract.
- c. If the Department cancels the contract for breach, the Department reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Department deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

20. TERMINATION OF CONTRACT

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

21. ASSIGNMENT OF CONTRACT

- a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

22. COMMUNICATIONS AND NOTICES

- a. Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.
- b. If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.

23. FORCE MAJEURE

- a. The contractor shall not be liable for any excess costs for delayed delivery of goods or services to the Department if the failure to perform the contract arises out of causes beyond the control of, and without the fault or negligence of, the contractor. Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

24. CONTRACT EXTENSION

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

25. INSURANCE

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to

protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

26. BANKRUPTCY OR INSOLVENCY

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the Department immediately.
- b. Upon learning of any such actions, the Department reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

27. INVENTIONS, PATENTS AND COPYRIGHTS

- a. The contractor shall defend, protect, and hold harmless the Department, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

28. CONTRACTOR PROPERTY

- a. Upon expiration, termination or cancellation of a contract, any contractor property left in the possession of the Department after forty-five (45) calendar days shall become property of the Department.

29. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:
 1. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
 2. The identification of a person designated to handle affirmative action;
 3. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
 4. The exclusion of discrimination from all collective bargaining agreements; and
 5. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.
- b. If discrimination by a contractor is found to exist, the Department shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the Department until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

30. AMERICANS WITH DISABILITIES ACT

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

31. FILING AND PAYMENT OF TAXES

- a. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. Therefore a bidder's failure to maintain compliance with chapter 144, RSMo may eliminate their bid from consideration for award.
