1.1.1 This document constitutes an invitation for sealed bids from prospective bidders for the purchase and installation of a new washer-extractor for the Missouri Department of Corrections, (hereinafter referred to as the "Department" ) Tipton Correctional Center, hereinafter referred to as "TCC", in accordance with the requirements and provisions stated herein.

### 1.2 Non-Mandatory Site Inspection:

1.2.1 To ensure the bidder understands the requirements of the IFB, a site inspection may be arranged by contacting Janice Call, Business Manager, at (660) 433-2031, ext. 2237, Monday through Friday, 8:00 a.m. to 4:00 p.m. TCC is located at 619 N. Osage Avenue, Tipton, MO 65081. Each potential bidder is limited to two (2) individuals at a site inspection. A site inspection is not required.

a. A background check will be required prior to the bidder being allowed access into the facility. Any potential bidder requesting a site inspection must provide the full name and a valid Missouri driver's license number of each individual planning to attend the site inspection. If any individual participating does not have a valid Missouri driver's license, the individual's social security number and date of birth are required. The Department reserves the right to accept or reject any person requesting a site inspection.

1.2.2 Day of Site Inspection - Each person attending a site inspection will be required to have a valid government issued ID.

a. Any personal possession deemed not allowed inside the facility will not be permitted inside the facility.

b. Other than the questions related to the site inspection, the bidder shall not discuss the IFB requirements with Department personnel during the site inspection; however, the bidder is encouraged to communicate any discrepancy between information from the site inspection and IFB requirements with the Buyer of Record identified on the first page of this document.

1.2.3 Each bidder is solely responsible for a prudent and complete personal inspection, examination, and assessment of the scope of work and any other existing condition, factor, or item that may affect or impact the performance of service described and required in Section 2 of this IFB. The bidder shall not be relieved of responsibility for performance under the contract for any reason whatsoever, including, but not limited to, the bidder's failure to observe existing conditions, etc.

### 1.3 General Information:

1.3.1 Terms and Conditions - It is recommended that all bidders review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition
- Preparation of Bids
- Submission of Bids
- Evaluation and Award

1.3.2 Funds – Expenditures from federal funds are not included in this contract.

1.3.3 The Department is transitioning to the MissouriBUYS eProcurement system and recommends all potential vendors to visit <https://MissouriBUYS.mo.gov> to register as a vendor for all bidding opportunities.

#### 1.4 Questions Regarding the IFB:

1.4.1 It is the bidder's responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the bidder believes that any language, specifications or requirements are: (1) ambiguous, (2) contradictory or arbitrary, or both, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the bidder's ability to submit a bid.

- a. Except as may be otherwise stated herein, the bidder and the bidder's agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the IFB, the solicitation process, the evaluation, etc., to the Buyer of Record indicated on the first page of this IFB. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Bidders and their agents who have questions regarding this matter should contact the Buyer of Record.
- b. All questions and issues should be submitted at least ten (10) working days prior to the due date of the bid. If not received prior to ten (10) working days before the bid due date, the Department may not be able to fully research and consider the respective questions or issues. Questions and issues relating to the IFB, including questions related to the competitive procurement process, must be directed to the Buyer of Record. It is preferred that questions be e-mailed to the Buyer of Record at [Diana.Fredrick@doc.mo.gov](mailto:Diana.Fredrick@doc.mo.gov).
- c. The Department will attempt to ensure that a bidder receives an adequate and prompt response to questions, if applicable. Upon the Department's consideration of questions and issues, if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued IFB amendment(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for an IFB amendment as the questions and issues did not provide further clarity to the IFB. All bidders will be advised of any change to the IFB's language, specifications, or requirements by a formal amendment to the IFB.

NOTE: The only official position of the Department shall be that which is contained in the IFB and any amendments thereto.

*This section of the IFB includes the general contractual requirements and provisions that shall govern the contract after IFB award. The contents of this section include mandatory provisions that must be adhered to by the Department and the contractor unless changed by a contract amendment. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
  - b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained herein.
  - c. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.
- 3.1.2 Contract Period - The contract period shall be as stated on the Notice of Award. The contract shall not bind, nor purport to bind, the Department for any contractual commitment in excess of the contract period.

- 3.1.5 Termination - The Department reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

  - b. The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, including its agencies, employees, and assignees.
- 3.1.7 Insurance - The contractor shall understand and agree that the State of Missouri cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. General and other non-professional liability insurance shall include an endorsement that adds the State of Missouri as an additional insured. This includes but is not limited to the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) and INA Section 274A.
- a. If the contractor is found to be in violation of this requirement or the applicable state, federal and local laws and regulations, and if the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States, the Department shall have the right to cancel the contract immediately without penalty or recourse and suspend or debar the contractor from doing business with the Department. The Department may also withhold up to twenty-five percent of the total amount due to the contractor.
  - b. The contractor shall agree to fully cooperate with any audit or investigation from federal, state, or local law enforcement agencies.
  - c. The contractor and all of the contractor's employees and agents providing services in any Department of Corrections institution must be at least eighteen (18) years of age. A Missouri Uniform Law Enforcement System (MULES) check or other background investigation shall be required on the contractor, the contractor's employees and agents before they are allowed entry into the institution. The contractor, its employees and agents understand and agree that the Department may complete criminal background records checks annually for the contractor and the contractor's employees and agents that have the potential to have contact with offenders.

Similarly, contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.
  - f. The contractor, its employees and agents shall at all times observe and comply with all applicable state statutes, Department rules, regulations, guidelines, internal management policies and procedures, and general orders of the Department that are applicable, regarding operations and activities in and about all Department property. Furthermore, the contractor, its employees and agents, shall not obstruct the Department or any of its designated officials from performing their duties in response to court orders or in the maintenance of a secure and safe correctional

- 1) The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender, or offender on offender, sexual harassment, sexual assault, sexual abuse and consensual sex.
    - a. Any contractor or contractor's employee or agent who witnesses any form of sexual misconduct must immediately report it to the warden of the institution. If a contractor or contractor's employee or agent fails to report or knowingly condones sexual harassment or sexual contact with or between offenders, the Department may cancel the contract, or at the Department's sole discretion, require the contractor to remove the employee/agent from providing services under the contract.

  - h. If any contractor or contractor's employee or agent is denied access into the institution for any reason or is denied approval to provide service to the Department for any reason stated herein, it shall not relieve the contractor of any requirements of the contract. If the contractor is unable to perform the requirements of the contract for any reason, the contractor shall be considered in breach.
- 3.1.9 Subcontractors - Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor.

#### 4. BID SUBMISSION, EVALUATION AND AWARD INFORMATION

##### 4.1 Submission of Bids:

- 4.1.1 The bidder should include the original bid, completed exhibits, forms, and other information concerning the bid, including completed Pricing Page(s), with the bid.
- a. Bids must be signed and returned with all necessary attachments to the Purchasing Section by the bid date and time as stated on the first page of this IFB. Specifically, **any** form containing a signature line such as page 1 of the original IFB and any amendments thereafter, **Exhibit A, Pricing Page**, etc., shall be manually signed and returned as part of the bid.
  - b. Recycled Products - The Department recognizes the limited nature of our resources and the leadership role of government agencies in regard to the environment. Accordingly, the bidder is requested to print the bid double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy bids may be submitted in a notebook or binder.
- 4.1.2 Wage Order: The bidder is advised that prior to submitting a bid, the bidder must review the annual wage order for Moniteau county (**Attachment 1**).
- 4.1.3 Open Records – Pursuant to section 610.021, RSMo, the bid shall be considered an open record after the contract is awarded. Therefore, the bidder is advised not to include any information that the bidder does not want to be viewed by the public, including personal identifying information such as social security numbers.
- a. In preparing a bid, the bidder should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the bids and should limit bid content to items that provide substance, quality of content, and clarity of information.
  - b. Additionally, after a contract is executed, the contract(s) is scanned into the Department's imaging system. The scanned information will be available for viewing through the Internet at <http://doc.mo.gov/DHS/Contracts.php> .
- 4.1.4 Compliance with Terms and Conditions – The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the IFB and its contractual requirements. The bidder agrees that in the event of conflict between any of the bidder's terms and conditions and those contained in the IFB that the IFB shall govern. Taking exception to the Department's terms and conditions may render a bidder's bid non-responsive and remove it from consideration for award.
- 4.1.5 Preprinted Marketing Materials - The bidder may submit preprinted marketing materials with the bid; however, the bidder is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses which have been requested of the bidder. The bidder is strongly discouraged from relying on such materials in presenting products and services for consideration by the Department.
- a. It is the bidder's responsibility to provide detailed information about how the item bid meets the specifications presented herein. If preprinted marketing materials do not specifically address each specification, the bidder should provide detailed information to assure that the product meets the Department's mandatory requirements. In the event this information is not submitted with the bid, the Buyer of Record may, but is not required to, seek written clarification from the bidder to provide assurance that the product bid meets specifications.

4.1.6 Bid Detail Requirements and Deviations – It is the bidder’s responsibility to submit a bid that meets all mandatory specifications stated herein. The bidder should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the IFB. Any deviation from a mandatory requirement may render the bid non-responsive. Any deviation from a desirable specification may be reviewed by the Department as to its acceptability and impact on competition.

- a. Bidders should note: A descriptive brochure of the model bid may not be acceptable as clear identification of deviations from the written specification.

#### 4.2 Evaluation and Award Process:

4.2.1 After determining that a bid satisfies the mandatory requirements stated in the IFB, the evaluator shall use objective analysis in conducting a comparative assessment of the bid(s). The contract shall be awarded to the lowest and best bid.

4.2.2 Open Competition – Any manufacturer’s name, trade names, brand names, information and/or model numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition.

- a. The bidder may offer any brand of product that meets or exceeds the specifications. In addition to identifying the manufacturer’s name and model number, the bidder must explain in detail how their product meets or exceed the specifications. Bids which do not comply with the requirement and the specifications are subject to rejection without clarification.

#### 4.3 Evaluation of Cost:

4.3.1 Pricing - The bidder must submit a firm fixed price for the line item on **Exhibit A, Pricing Page**. The Department shall not make additional payments or pay add-on charges.

- a. The bidder should complete the “Terms” and the “Bidder’s Acceptance of the State Purchasing Card” sections on **Exhibit A, Pricing Page**.

4.3.2 Cost Evaluation - The objective evaluation of cost shall be based on the firm fixed price stated on **Exhibit A, Pricing Page**. The total contract cost will be calculated by multiplying the firm fixed price for the line item stated on **Exhibit A, Pricing Page** by the quantity listed for the line item to arrive at the total item cost.

- a. Buy American Preference - If calculations for the Buy American preference are necessary, items bid **not** meeting proof of compliance with section 34.353 RSMo in accordance with the Domestic Procurement Act, sections 34-350 RSMo through 34.359 RSMo, the Buy American preference shall be computed as follows:

$$\text{Total Bid Price} \times 1.10 = \text{Bidder's Price}$$

- b. Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

$$\frac{\text{Lowest Responsive Bidder's Price}}{\text{Compared Bidder's Price}} \times \text{Maximum Cost Evaluation Points (100)} = \text{Assigned Cost Points}$$

NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.

**4.4 American Made Preference:** In accordance with the Domestic Product Act (hereinafter referred to as the Buy American Act), sections 34-350 through 34.359 RSMo, the bidder is advised that any goods purchased or leased by any public agency shall be manufactured or produced in the United States.

- a. Bidders who can certify that goods or commodities to be provided in accordance with the contract are manufactured or produced in the United States or imported in accordance with a qualifying treaty, law, agreement, or regulation shall be entitled to a ten percent (10%) preference over bidders whose products do not qualify.
- b. The requirements of the Buy American Act shall not apply if other exceptions to the Buy American Act mandate in section 34.353 RSMo are met.
- c. If the bidder claims there is only one line item of the good manufactured or produced in the United States, section 34.353 (2) RSMo, or that one of the exceptions of section 34-353 (3) RSMo applies, the Executive Head of the Agency bears the burden of certification as required prior to the award of the contract.
- d. In accordance with the Buy American Act, the bidder must provide proof of compliance with section 34.353 RSMo. Therefore, the bidder should complete and return **EXHIBIT B**, certification regarding proof of compliance, with the bid. This document must be satisfactorily completed prior to an award of a contract.
- e. If the lowest priced bidder's products qualify as American-made, or in the event all of the bidders or none of the bidders qualify for the Buy American preference, no further calculation is necessary.
- f. If any products and/or services offered under this IFB are being manufactured or performed at sites outside the United States, the bidder **MUST** disclose such fact and provide details with the bid.

**4.5 Missouri Service-Disabled Veteran Business Enterprise Preference:**

4.5.1 Pursuant to section 34.074 RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to bidders who qualify as Missouri service-disabled veteran business enterprise and who complete and submit **Exhibit C**, Missouri Service-Disabled Veteran Business Enterprise Preference with the bid. If the bid does not include the completed **Exhibit C** and the documentation specified on **Exhibit C** in accordance with the instructions provided therein, no preference points will be applied.

- a. If the lowest priced bid qualifies for the preference, or in the event no bidders qualify for the preference, no further calculation is necessary.

**4.6 Determination for Award:**

4.6.1 The Department reserves the right to award to the bidder whose bid complies with all mandatory specifications and requirements, and is the lowest and best bid for the item.

4.6.2 Only one award shall be made to the bidder whose item meets specifications and who has lowest responsive bid. Other factors that affect the determination of the lowest price responsive bid include consideration of the preferences explained in Sections 4.4 and 4.5.

4.6.3 Determination of Lowest Priced Bid including Consideration of Preferences - After completing the cost evaluation and determining preference bonus points, the bidder with the most points is considered the lowest bid. Total points shall be computed for the total evaluated bid price as follows:

$$\text{Assigned Cost Points} + \text{earned preference points} = \text{Total Points}$$

4.6.4 The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the bidder to meet mandatory general performance specifications; and/or 2) failure of the bidder to meet mandatory technical specifications; and/or; 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder's offer.

#### 4.7 Responsible and Reliability Determination:

4.7.1 The bidder should submit any of, but not limited to, the information requested herein in order to demonstrate the responsibility and reliability of the bidder. Failure of the bidder to submit sufficient information to document that the bidder is responsive and responsible may adversely affect the bid.

- a. The bidder should complete **EXHIBIT F, Current/Prior Experience** with information related to previous and current services/contracts performed by the bidder's organization and any proposed subcontractors which are similar to the requirements of the IFB.
- b. If references for current and/or previous contracts are not identified on **EXHIBIT F**, the Department may request that the bidder identify one or more references. The Department must receive the reference(s) within twenty-four (24) hours of the request. Failure of the bidder to identify one or more references may result in the bid being rejected.

#### 4.8 Debarment Certification:

4.8.1 The bidder certifies by signing the signature page of this original document and any amendment signature page(s) that the bidder is not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded from participation, or otherwise excluded from or ineligible for participation, under federal assistance programs.

Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the Buyer of Record of the Department, unless the IFB specifically refers the bidder to another contact. Such communication should be received at least ten (10) calendar days prior to the official bid opening date.

However, in order to maintain a fair and equitable bid process, all bidders will be advised, via the issuance of an amendment to the IFB, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.
- c. Bidders are cautioned that the only official position of the State of Missouri is that which is issued by the Department in the IFB or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. Some IFBs are available for viewing and downloading on the Department's website.

The bidder should include a complete list of statutory references and citations for each provision of the IFB which is affected by this paragraph. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. Telephone or telegraphic requests to modify a bid shall not be honored.

A bid may also be withdrawn in person by the bidder or its authorized representative provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.
- e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the bidder. Justification of a withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the bidder.
- f. Bidders must sign and return the IFB cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the bidder of all the IFB terms and conditions. - g. Faxed and e-mailed bids shall not be accepted; however, faxed and e-mail no-bid notifications shall be accepted.

## 7. BID OPENING

Such preference shall be given when quality is equal or better and delivered price is the same or less.

## 9. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the bidder and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a bidder shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.
- c. The bidder is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the Department. However, unless otherwise specified in the IFB, pricing shall be evaluated at the maximum potential financial liability to the Department.
- d. Awards shall be made to the bidder(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the bidder, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.

- e. In the event all bidders fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.
- f. The Department reserves the right to reject any and all bids.
- g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a bidder, from a bidder's references, or from any other source.
- h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- i. Any award of a contract shall be made by notification from the Department to the successful bidder. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.
- k. The Department maintains records of all bid file material for review. Bidders who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
- l. The Department reserves the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- n. The final determination of contract award(s) shall be made by the Department.

#### **10. CONTRACT/PURCHASE ORDER**

- a. By submitting a bid, the bidder agrees to furnish any and all equipment, supplies and/or services specified in the IFB, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the IFB and any amendments thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.
- c. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

#### **11. INVOICING AND PAYMENT**
