1. INTRODUCTION AND GENERAL INFORMATION

This section of the IFB includes a brief introduction and background information about the intended services for which the requirements herein are written. The contents of this section are intended for informational purposes and do not require a response.

1.1 Introduction:

- 1.1.1 This document constitutes a request for competitive sealed bids for asphalt pavement repair for the Missouri Department of Corrections, (hereinafter referred to as the “Department”) Western Reception, Diagnostic and Correctional Center, hereinafter referred to as “WRDCC”, in accordance with the requirements and provisions stated herein.
- 1.1.2 The project includes all work that is incidental to the supply and laying of approximately 18 tons of Type BP-1 asphaltic concrete materials to include curb work, full width/edge milling and milling at entrances and side streets of approximately 152 square yards.
- 1.1.3 The site is located at 3401 Faraon Street, St. Joseph, MO 64506, next to the parking lot on South Drive (See **ATTACHMENT 2**).
- 1.1.4 All bidders must be on MoDOT’s Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2016 Edition including all revisions. The contractor questionnaire must be on file seven (7) days prior to bid opening.

1.2 Questions Regarding the IFB:

- 1.2.1 It is the bidder’s responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the bidder believes that any language, specifications or requirements are: (1) ambiguous, (2) contradictory or arbitrary, or both, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the bidder’s ability to submit a bid.
 - a. Except as may be otherwise stated herein, the bidder and the bidder’s agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the IFB, the solicitation process, the evaluation, etc., to the Buyer of Record indicated on the first page of this IFB. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Bidders and their agents who have questions regarding this matter should contact the Buyer of Record.
 - 1) The vendor may contact the Office of Equal Opportunity (OEO) regarding MBE/WBE certification or subcontracting with MBE/WBE companies.
 - b. All questions and issues should be submitted at least ten (10) working days prior to the due date of the bid. If not received prior to ten (10) working days before the bid due date, the Department may not be able to fully research and consider the respective questions or issues. Questions and issues relating to the IFB, including questions related to the competitive procurement process, must be directed to the Buyer of Record. It is preferred that questions be e-mailed to the Buyer of Record at Diana.Fredrick@doc.mo.gov.
 - c. The Department will attempt to ensure that a bidder receives an adequate and prompt response to questions, if applicable. Upon the Department’s consideration of questions and issues, if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued IFB amendment(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for an IFB amendment as the questions and issues did not provide further clarity to the IFB. All bidders will be advised of any change to the IFB’s language, specifications, or requirements by a formal amendment to the IFB.

NOTE: The only official position of the Department shall be that which is contained in the IFB and any amendments thereto.

1.3 Mandatory Site Inspection:

- 1.3.3 Bidders are strongly encouraged to advise the WRDCC, at least five (5) days prior to the scheduled site visit, of any special accommodations needed for disabled personnel who will be attending the tour so that the accommodations can be made.

- 1.3.5 Each bidder is solely responsible for a prudent and complete personal inspection, examination, and assessment of the scope of work and any other existing condition, factor, or item that may affect or impact the performance of service described and required in Section 2 of this IFB. The bidder shall not be relieved of responsibility for performance under the contract for any reason whatsoever, including, but not limited to, the bidder's failure to observe existing conditions, etc.

Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
 - b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained herein.

- 3.1.5 Warranty – If any work in accordance with this contract is found to not be in accordance with the requirement of the contract, the contractor shall correct such work promptly after receipt of written notice from the Department. The obligation shall survive acceptance of the work under the contract and termination of the contract. If the contractor fails within a reasonable time after written notice to correct defective work or to remove and replace rejected work, or if the contractor fails to perform the work in accordance with the contract, or if the contractor fails to comply with any provision in the contract, the Department may, after seven (7) days written notice to the contractor render the contractor liable for additional costs incurred by the Department to correct and remedy any such deficiency.
- 3.1.6 Termination - The Department reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. General and other non-professional liability insurance shall include an endorsement that adds the State of Missouri as an additional insured. Self-insurance coverage or another alternative risk financing mechanism may be utilized provided that such coverage is verifiable and irrevocably reliable and the State of Missouri is protected as an additional insured.

This includes but is not limited to the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) and INA Section 274A.

- a. The contractor shall expressly understand and agree that it shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract.
 - b. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein.
- 3.1.11 Contractor Status - The contractor is an independent contractor and shall not represent the contractor or the contractor's employees to be employees of the State of Missouri or a Department of the State of Missouri. The contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to

 - b. If required by the Department, the contractor and any required contractor personnel must sign specific documents regarding confidentiality, security, or other similar documents upon request. Failure of the contractor and any required personnel to sign such documents shall be considered a breach of contract and subject to the cancellation provisions of this document.
- 3.1.16 Contractor Equipment Use - Title to any equipment required by the contract shall be held by and vested in the contractor. The Department shall not be liable in the event of loss, incident, destruction, theft, damage, etc., for the equipment including, but not limited to, devices, wires, technical literature, etc. It shall be the contractor's sole responsibility to obtain insurance coverage for such loss in an amount that the contractor deems appropriate.

Specifically, **any** form containing a signature line such as page 1 of the original IFB and any amendments thereafter, **EXHIBIT A**, Pricing Page, etc., shall be manually signed and returned as part of the bid.
 - b. Recycled Products - The Department recognizes the limited nature of our resources and the leadership role of government agencies in regard to the environment. Accordingly, the bidder is requested to print the bid double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy bids may be submitted in a notebook or binder.
- 4.1.2 Estimated Quantity – The estimated quantity listed on **EXHIBIT A**, Pricing Page is an estimate only and is prepared for the comparison of bids. The quantity of the material to be furnished may be increased or decreased.
- 4.1.3 Wage Order: The bidder is advised that prior to submitting a bid, the bidder must review the annual wage order for Buchanan county (**ATTACHMENT 1**).
- 4.1.4 Open Records – Pursuant to section 610.021, RSMo, the bid shall be considered an open record after the contract is awarded. Therefore, the bidder is advised not to include any information that the bidder does not want to be viewed by the public, including personal identifying information such as social security numbers.
- a. In preparing a bid, the bidder should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the bids and should limit bid content to items that provide substance, quality of content, and clarity of information.
 - b. Additionally, after a contract is executed, the contract(s) is scanned into the Department's imaging system. The scanned information will be available for viewing through the Internet at <http://doc.mo.gov/DHS/Contracts.php> .
- 4.1.5 Compliance with Terms and Conditions – The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the IFB and its contractual requirements. The bidder agrees that in the event of conflict between any of the bidder's terms and conditions and those contained in the IFB that the IFB shall govern. Taking exception to the Department's terms and conditions may render a bidder's bid non-responsive and remove it from consideration for award.
- 4.1.6 Bid Detail Requirements and Deviations – It is the bidder's responsibility to submit a bid that meets all mandatory specifications stated herein. The bidder should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the IFB. Any deviation from a mandatory requirement may render the bid non-responsive. Any deviation from a desirable specification may be reviewed by the Department as to its acceptability and impact on competition.

4.2 Evaluation and Award Process:

- 4.2.1 After determining that a bid satisfies the mandatory requirements stated in the IFB, the evaluator shall use objective analysis in conducting a comparative assessment of the bid(s). The contract shall be awarded to the lowest and best bid.

4.3 Evaluation of Cost:

4.3.1 Pricing - The bidder must submit a firm fixed price for each line item on **EXHIBIT A, Pricing Page**. The Department shall not make additional payments or pay add-on charges.

- a. The bidder should complete the “Terms” and the “Bidder’s Acceptance of the State Purchasing Card” sections on **EXHIBIT A, Pricing Page**.

4.3.2 Cost Evaluation - The objective evaluation of cost shall be based on the firm fixed prices stated on **EXHIBIT A, Pricing Page**. The total contract cost will be calculated by multiplying the firm fixed price for the line item stated on **EXHIBIT A, Pricing Page** by the quantity listed for the line item to arrive at the total item cost.

- a. Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

$$\frac{\text{Lowest Responsive Bidder's Price}}{\text{Compared Bidder's Price}} \times \text{Maximum Cost Evaluation Points (100)} = \text{Assigned Cost Points}$$

NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.

4.4 Missouri Service-Disabled Veteran Business Enterprise Preference:

4.4.1 Pursuant to section 34.074 RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to bidders who qualify as Missouri service-disabled veteran business enterprise and who complete and submit **EXHIBIT B, Missouri Service-Disabled Veteran Business Enterprise Preference** with the bid. If the bid does not include the completed **EXHIBIT B** and the documentation specified on **EXHIBIT B** in accordance with the instructions provided therein, no preference points will be applied.

- a. If the lowest priced bid qualifies for the preference, or in the event no bidders qualify for the preference, no further calculation is necessary.

4.5 Determination for Award:

4.5.1 The Department reserves the right to award to the bidder whose bid complies with all mandatory specifications and requirements, and is the lowest and best bid for the materials and labor.

4.5.2 Only one award shall be made to the bidder who agrees to meet specifications and who has the lowest responsive bid. Another factor that affects the determination of the lowest price responsive bid includes consideration of the preference explained in Section 4.4.

4.5.3 Determination of Lowest Priced Bid including Consideration of Preference - After completing the cost evaluation and determining preference bonus points, the bidder with the most points is considered the lowest bid. Total points shall be computed for the total evaluated bid price as follows:

$$\text{Assigned Cost Points} + \text{earned preference points} = \text{Total Points}$$

4.5.4 The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the bidder to meet mandatory general performance specifications; and/or 2) failure of the bidder to meet mandatory technical specifications; and/or; 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder’s offer.

4.6 Responsible and Reliability Determination:

- 4.6.1 The bidder should submit any of, but not limited to, the information requested herein in order to demonstrate the responsibility and reliability of the bidder. Failure of the bidder to submit sufficient information to document that the bidder is responsive and responsible may adversely affect the bid.
- a. The bidder should complete **EXHIBIT E, Current/Prior Experience** with information related to previous and current services/contracts performed by the bidder's organization and any proposed subcontractors which are similar to the requirements of the IFB.
 - b. If references for current and/or previous contracts are not identified on **EXHIBIT E**, the Department may request that the bidder identify one or more references. The Department must receive the reference(s) within twenty-four (24) hours of the request. Failure of the bidder to identify one or more references may result in the bid being rejected.

4.7 Debarment Certification:

- 4.7.1 The bidder certifies by signing the signature page of this original document and any amendment signature page(s) that the bidder is not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded from participation, or otherwise excluded from or ineligible for participation, under federal assistance programs.

- c. Bidders are cautioned that the only official position of the State of Missouri is that which is issued by the Department in the IFB or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. Some IFBs are available for viewing and downloading on the Department's website.
- f. The Department reserves the right to officially amend or cancel an IFB after issuance.

5. PREPARATION OF BIDS

- a. Bidders **must** examine the entire IFB carefully. Failure to do so shall be at the bidder's risk.
- b. Unless otherwise specifically stated in the IFB, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the IFB, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The bidder may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the bidder shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Bids lacking any indication of intent to bid an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the IFB.
- e. In the event that the bidder is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an IFB, such a bidder may submit a bid which contains a list of statutory limitations and identification of those prohibitive clauses. The bidder should include a complete list of statutory references and citations for each provision of the IFB which is affected by this paragraph. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. If the Department determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the IFB.
- f. All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the IFB clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- g. Prices shall include all packing, handling and shipping charges, and shall be delivered to the Department's designated destination FOB destination, freight prepaid and allowed unless otherwise specified in the IFB.
- h. Bids, including all pricing therein, shall remain valid for 90 days from the bid opening unless otherwise indicated. If the bid is accepted, the entire bid, including all prices, shall be firm for the specified contract period.

Bidders are cautioned that bids submitted via the USPS, including first class mail, certified mail, Priority Mail and Priority Mail Express, are routed through the Office of Administration Central Mail Services and the tracking delivery time and date may not be the time and date received by the Department's Purchasing office. Regardless of delivery method, it shall be the responsibility of the bidder to ensure their bid is in the Department's Purchasing office no later than the exact opening time and date specified in the IFB.
- b. The sealed envelope or container containing a bid should be clearly marked on the outside with the official IFB number *and* the official opening date and time. Different bids should not be placed in the same envelope; however, copies of the same bid may be placed in the same envelope.
- c. A bid which has been delivered to the Department may be modified by a signed, written notice which has been received by the Department's Purchasing office prior to the official opening date and time specified. A bid may also be modified in person by the bidder or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to modify a bid shall not be honored.
- d. A bid which has been delivered to the Department's Purchasing office may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by the Department's Purchasing office prior to the official opening date and time specified. A bid may also be withdrawn in person by the bidder or its authorized representative provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.
- e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the bidder. Justification of a withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the bidder.
- f. Bidders must sign and return the IFB cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the bidder of all the IFB terms and conditions. Failure to do so may result in the rejection of the bid unless the bidder's full compliance with those documents is indicated elsewhere within the bidder's response.
- g. Faxed and e-mailed bids shall not be accepted; however, faxed and e-mail no-bid notifications shall be accepted.

7. BID OPENING

By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

9. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the bidder and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a bidder shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.
- c. The bidder is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the Department. However, unless otherwise specified in the IFB, pricing shall be evaluated at the maximum potential financial liability to the Department.
- d. Awards shall be made to the bidder(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the bidder, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.

- e. In the event all bidders fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.
- f. The Department reserves the right to reject any and all bids.
- g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a bidder, from a bidder's references, or from any other source.

- i. Any award of a contract shall be made by notification from the Department to the successful bidder. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.
- k. The Department maintains records of all bid file material for review. Bidders who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
- l. The Department reserves the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.

All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.

Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number

and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.

- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.

16. CONTRACTOR STATUS

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

18. SEVERABILITY

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

19. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. - d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

20. TERMINATION OF CONTRACT

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

- a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

24. CONTRACT EXTENSION

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

25. INSURANCE

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to

protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

26. BANKRUPTCY OR INSOLVENCY
