## 1. INTRODUCTION AND GENERAL INFORMATION

*This section of the RFQ includes a brief introduction and background information about the materials for which the requirements herein are written. The contents of this section are intended for informational purposes and do not require a response.*

### 1.1 Purpose:

- 1.1.1 This document constitutes a request for quotation from prospective bidders for the purchase of specific parts for Aerators manufactured by Aeration Industries for the Missouri Department of Corrections (hereinafter referred to as "Department") Moberly Correctional Center (hereinafter referred to as MCC) in accordance with the requirements and provisions stated herein.
- 1.2.1 It is the bidder's responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the bidder believes that any language, specifications, or requirements are: (1) ambiguous, (2) contradictory or arbitrary, or both, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the bidder's ability to submit a bid.
- a. Except as may be otherwise stated herein, the bidder and the bidder's agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the RFQ, the solicitation process, the evaluation, etc., to the Buyer of Record indicated on the first page of this RFQ. Inappropriate contacts with other personnel are grounds for suspension and/or exclusion from specific procurements. Bidders and their agents who have questions regarding this matter should contact the Buyer of Record.
  - b. Any questions, requests, and/or advice by a bidder must be submitted in writing to the Buyer of Record and clearly marked RFQ 17709019, Parts for Aerators Manufactured by Aeration Industries. It is preferred that communications be sent via e-mail to [steven.beeson@doc.mo.gov](mailto:steven.beeson@doc.mo.gov).
  - c. The Department will attempt to ensure that a bidder receives an adequate and prompt response to questions, if applicable. Upon the Department's consideration of questions and issues, if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued RFQ amendment(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for an RFQ amendment as the questions and issues did not provide further clarity to the RFQ. All bidders will be advised of any change to the RFQ's language, specifications, or requirements by a formal amendment to the RFQ.

NOTE: The only official position of the Department shall be that which is contained in the RFQ and any amendments thereto.

As soon as practical after the receipt of the contractor's notice, the Department shall evaluate the situation and may, at its sole discretion, extend the contractor's time for delivery.

a. A delay by the contractor in the performance of its delivery obligations shall render the contractor liable for additional costs incurred by the Department to obtain the product(s) from other sources unless an extension of time is agreed upon pursuant to paragraph 2.2.3.

### 2.3 Warranty Requirements:

2.3.1 The contractor must warrant to the Department that the item(s) furnished under this contract will be of first line quality and new condition. Therefore, prior to any payments becoming due under the contract, the contractor must update their vendor registration with their ACH-EFT payment information at <https://missouribuys.mo.gov/>. Each contractor invoice must be on the contractor's original descriptive business invoice form and must contain a unique invoice number. The invoice number will be listed on the state's EFT addendum record to enable the contractor to properly apply state payments to invoices. The contractor must comply with all other invoicing requirements stated in the RFQ.
- 2.4.2 All payment terms shall be as stated in the terms and conditions of this contract. Payments will be processed based on final delivery, inspection, and acceptance of the item(s).
- 2.4.3 The contractor shall accurately invoice per the price indicated on **EXHIBIT A, Pricing Page**.
- 2.4.4 The Department may choose to use the state purchasing card (Visa) in place of a purchase order to make purchases under this RFQ.   - a. If the Department issues a purchase order, an itemized invoice shall be emailed to [DOC.Payables@doc.mo.gov](mailto:DOC.Payables@doc.mo.gov) or mailed to:

### 3. General Contractual Requirements:

*This section of the RFQ includes the general contractual requirements and provisions that shall govern the contract after RFQ award. The contents of this section include mandatory provisions that must be adhered to by the Department and the contractor unless changed by a contract amendment. Response to this section by the bidder is not necessary as all provisions are mandatory.*

#### 3.1 Contractual Requirements:

- 3.1.1 Contract - A binding contract shall consist of: (1) the RFQ and any amendments thereto, (2) the contractor's response (bid) to the RFQ, (3) clarification of the response (bid), if any, and (4) the Department's acceptance of the response (bid) by "notice of award". All exhibits included in the RFQ shall be incorporated into the contract by reference.
- a. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
  - b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.
  - c. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.
- 3.1.2 Contract Price - The prices shall be as indicated on **EXHIBIT A, Pricing Page**. The Department shall not pay, nor be liable for, any other costs including, but not limited to, taxes, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.
- a. Prices shall include all packing, handling, shipping, and freight charges FOB Destination, Freight Prepaid and Allowed. The Department shall not make additional payments or pay add-on charges for freight or shipping unless specifically described and priced in the bid, or as otherwise specifically stated and allowed by the RFQ.
- 3.1.3 Termination - The Department reserves the right to terminate the contract at any time, for the convenience of the Department, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.
- 3.1.4 Contractor Liability - The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements, and specifications of the contract. In addition, the contractor assumes the obligation to save the Department, including its divisions, employees, and assignees, from every expense, liability, or payment arising out of such negligent act.
- a. The contractor also agrees to hold the Department, including its divisions, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.

- b. The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the Department, including its divisions, employees, and assignees.
- 3.1.5 Insurance - The contractor shall understand and agree that the Department cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the Department, including its divisions, its employees, its clients, and the general public against any such loss, damage and/or expense related to its performance under the contract.
- 3.1.6 Subcontractors - Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor.
- a. The contractor shall expressly understand and agree that it shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract.
  - b. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein.
  - c. The contractor must obtain the approval of the Department prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.
- 3.1.7 Participation by Other Organizations: The contractor must comply with any Organization for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded bid.
- a. The contractor shall prepare and submit to the Department a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshops participating in the contract for the reporting period. The contractor must submit the report upon completion of delivery.
  - b. The Department will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshops participation levels committed to in the contractor's awarded bid. If the contractor's payments to the participating entities are less than the amount committed, the state may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Department determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.
  - c. If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops to fulfill the participation requirements committed to in the contractor's awarded bid.
    - 1) The contractor must obtain the written approval of the Department for any new entities. This approval shall not be arbitrarily withheld.

- 2) If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Department detailing all efforts made to secure a replacement. The Department shall have sole discretion in determining if the actions taken by the contractor constitute a good faith effort to secure the required participation and whether the contract will be amended to change the contractor's participation commitment.
- 3.1.8 Contractor Status - The contractor is an independent contractor and shall not represent the contractor or the contractor's employees to be employees of the State of Missouri or a Department of the State of Missouri. The contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, the Department, including its divisions, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters.
- 3.1.9 Substitution of Products - The contractor shall not substitute any item that has been awarded to the contractor without the prior written approval of the Department.
- 3.1.10 Replacement of Defective/Damaged Product - The contractor shall be responsible for replacing any item received that is defective or in damaged condition at no cost to the Department. This includes all shipping costs for returning damaged or defective items to the contractor for replacement.
- 3.1.11 Delivery Performance - The contractor and/or the contractor's subcontractor(s) shall deliver the products in accordance with the contracted delivery time stated herein to the MCC upon receipt of an authorized purchase order or state purchasing card transaction notice. Delivery shall include unloading the shipment at the MCC dock or other designated unloading site as requested by the MCC. The order must be shipped FOB Destination, Freight Prepaid and Allowed. Any order received on the last day of the contract, must be shipped at the contract price.
- 3.1.12 Property of State - All documents, data, reports, supplies, equipment, and accomplishments prepared, furnished, or completed by the contractor pursuant to the terms of the contract shall become the property of the Department. Upon expiration, termination, or cancellation of the contract, said items shall become the property of the Department.
- 3.1.13 Confidentiality - The contractor shall agree and understand that all discussions with the contractor and all information gained by the contractor as a result of the contractor's performance under the contract shall be confidential and that no reports, documentation, or material prepared as required by the contract shall be released to the public without the prior written consent of the Department.
- 3.1.14 Point of Contact - The contractor shall function as the single point of contact for all contract activities regardless of any subcontract arrangement for any product or service. This shall include assuming responsibilities and liabilities for any and all problems relating to all materials, equipment and services provided.

**END OF SECTION THREE: GENERAL CONTRACTUAL REQUIREMENTS**

#### **4. BID SUBMISSION, EVALUATION, AND AWARD INFORMATION**

##### **4.1 Contact:**

4.1.1 Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc. related to the bid document must be referred to the Buyer of Record identified on the first page of this document. Such communication should be received at least five (5) calendar days prior to the official bid opening date.

##### **4.2 Open Records:**

4.2.1 Pursuant to section 610.021, RSMo, the bid shall be considered an open record after the bids are opened. Therefore, the bidder is advised not to include any information that the bidder does not want to be viewed by the public, including personal identifying information such as social security numbers.

##### **4.3 Compliance with Terms and Conditions:**

4.3.1 The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the RFQ and its contractual requirements. The bidder agrees that in the event of conflict between any of the bidder's terms and conditions and those contained in the RFQ the RFQ shall govern. Taking exception to the Department's terms and conditions may render a bidder's bid non-responsive and remove it from consideration for award.

##### **4.4 Preprinted Marketing Materials:**

4.4.1 The bidder may submit preprinted marketing materials with the bid. However, the bidder is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses which have been requested of the bidder. The bidder is strongly discouraged from relying on such materials in presenting products and services for consideration by the state.

- a. It is the bidder's responsibility to provide detailed information about how the item(s) bid meets the specifications presented herein. If preprinted marketing materials do not specifically address each specification, the bidder should provide detailed information to assure that the product meets the state's mandatory requirements. In the event this information is not submitted with the bid, the buyer may, but is not required to, seek written clarification from the bidder to provide assurance that the product bid meets specifications.

##### **4.5 Bid Detail Requirements and Deviations:**

4.5.1 It is the bidder's responsibility to submit a bid that meets all mandatory specifications stated herein. The bidder should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the RFQ. Any deviation from a mandatory requirement may render the bid non-responsive. Any deviation from a desirable specification may be reviewed by the Department as to its acceptability and impact on competition.

##### **4.6 Description of Product:**

4.6.1 The bidder should present a detailed description of all products and services proposed in the response to this Request for Quotation. It is the bidder's responsibility to make sure all products proposed are adequately described in order to conduct an evaluation of the bid to insure its compliance with mandatory technical specifications. It should not be assumed that the evaluator has specific knowledge of the products proposed; however, the evaluator does have sufficient technical background to conduct an evaluation when presented complete information.

**4.7 Evaluation and Award Process:**

4.7.1 After determining that a bid satisfies the mandatory requirements stated in the RFQ, the evaluator shall use objective analysis in conducting a comparative assessment of the bid(s).

**4.8 EXHIBIT A, Pricing Page:**

4.8.1 Price shall be considered firm for the duration of the contract period indicated on the Notice of Award of a contract.

4.8.2 The bidder must submit a **firm fixed price** on **EXHIBIT A, Pricing Page**, for the item(s).

- a. The price quoted shall include all packing, handling, shipping, and freight charges FOB destination freight prepaid and allowed. The Department shall not make additional payments or pay add-on charges for freight or shipping.

4.8.3 Quantity – Upon award, the quantity ordered shall be as stated on **EXHIBIT A, Pricing Page**.

4.8.4 The bidder should complete the “Terms” and the “Bidder’s Acceptance of the State Purchasing Card” sections on **EXHIBIT A, Pricing Page**.

**4.9 Evaluation of Cost:**

4.9.1 The cost evaluation of each line item shall be calculated by multiplying the firm fixed price per unit as stated on **EXHIBIT A, Pricing Page**, by the quantity required.

4.9.2 Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

$$\frac{\text{Lowest Responsive Bidder's Price}}{\text{Compared Bidder's Price}} \times \text{Maximum Cost Evaluation Points (100)} = \text{Assigned Cost Points}$$

- a. Assigned Cost Points shall be determined for each line item and awarded accordingly.

NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.

**4.10 Determination for Award:**

4.10.1 Award of each line item shall be made to the bidder(s) whose item meets specifications and who is the lowest priced responsive bidder for that line item.

4.10.2 Determination of Lowest Priced Bidder including Consideration of Preferences - After completing the cost evaluation and determining preference bonus points, the bidder with the most points is considered the lowest bidder. Total points shall be computed for the total evaluated bid price as follows:

$$\text{Total Assigned Cost Points} + \text{earned preference points} = \text{Total Points}$$

4.10.3 The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the bidder to meet mandatory general performance specifications and/or; 2) failure of the bidder to meet mandatory technical specifications and/or; 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder’s offer.

4.10.4 Another factor that affects the determination of the lowest priced responsive bidder includes consideration of Organizations for the Blind and Sheltered Workshops and Missouri Service-Disabled Veteran Business Preference explained in the following paragraphs.

**4.11 Organizations for the Blind and Sheltered Workshop Preferences:**

4.11.1 Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a ten (10) bonus point preference shall be granted to bidders including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.

4.11.2 In order to qualify for the ten bonus points, the following conditions must be met and the following evidence must be provided:

- a. The bidder must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.
- b. The services performed or the products provided by an organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop is utilized, to any extent, in the bidder's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- c. If the bidder is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the bidder must provide the following information with the bid:
  - 1) Participation Commitment - The bidder must complete **EXHIBIT B, Participation Commitment**, by identifying the organization for the blind or sheltered workshop and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the bidder submitting the bid is an organization for the blind or sheltered workshop, the bidder must be listed in the appropriate table on the Participation Commitment Form.
  - 2) Documentation of Intent to Participate – The bidder must either provide a properly completed **Exhibit C, Documentation of Intent to Participate Form**, signed and dated no earlier than the RFQ issuance date by the organization for the blind or sheltered workshop proposed or must provide a recently dated letter of intent signed and dated no earlier than the RFQ issuance date by the organization for the blind or sheltered workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

NOTE: If the bidder submitting the bid is an organization for the blind or sheltered workshop, the bidder is not required to complete **EXHIBIT C, Documentation of Intent to Participate Form** or provide a recently dated letter of intent.

**4.12 Missouri Service-Disabled Veteran Business Enterprise Preference:**

- 4.12.1 Pursuant to section 34.074 RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to bidders who qualify as Missouri service-disabled veteran business enterprise and who complete and submit **EXHIBIT D, Missouri Service-Disabled Veteran Business Enterprise Preference** with the bid. If the bid does not include the completed **EXHIBIT D** and the documentation specified on **EXHIBIT D** in accordance with the instructions provided therein, no preference points will be applied.
- a. If the lowest priced bid qualifies for the preference, or in the event no bidders qualify for the preference, no further calculation is necessary.

**4.13 Other Bid Submission Requirements:**

- 4.13.1 Miscellaneous Information – The bidder should complete and submit **EXHIBIT E, Miscellaneous Information**.
- 4.13.2 Business Compliance - The bidder must be in compliance with the laws regarding conducting business in the State of Missouri. The bidder certifies by signing the signature page of this original document and any amendment signature page(s) that the bidder and any proposed subcontractors either are presently in compliance with such laws or shall be in compliance with such laws prior to any resulting contract award. The bidder shall provide documentation of compliance upon request by the Department. The compliance to conduct business in the state shall include but may not be limited to:
- a. Registration of business name (if applicable)
- b. Certificate of authority to transact business/certificate of good standing (if applicable)
- c. Taxes (e.g., city/county/state/federal)
- d. State and local certifications (e.g., professions/occupations/activities)
- e. Licenses and permits (e.g., city/county license, sales permits)
- f. Insurance (e.g., worker's compensation/unemployment compensation)

The bidder should refer to the Missouri Business Portal at <http://business.mo.gov> for additional information.

Communications pertaining to contract administration matters will be addressed to: Department of Corrections, Purchasing Section, PO Box 236, Jefferson City, MO 65102.
- b. The Buyer of Record/authorized designee is the only person authorized to approve changes to any of the requirements of the contract.

### 4. OPEN COMPETITION/REQUEST FOR QUOTATION DOCUMENT

- a. It shall be the bidder's responsibility to ask questions, request changes or clarification, or otherwise advise the Department if any language, specifications, requirements or evaluation process of a RFQ appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFQ to a single source. Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the Buyer of Record of the Department, unless the RFQ specifically refers the bidder to another contact. Such communication should be received at least five calendar days prior to the official bid target date.
- b. Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all bidders will be advised, via the issuance of an amendment to the RFQ, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the RFQ, any questions received less than five (5) calendar days prior to the RFQ target date may not be answered.
- c. Bidders are cautioned that the only official position of the State of Missouri is that which is issued by the Department in the RFQ or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. Some RFQ's are available for viewing and downloading on the Department's website.
- f. The Department reserves the right to officially amend or cancel a RFQ after issuance.

### 5. PREPARATION OF BIDS

- a. Bidders **must** examine the entire RFQ carefully. Failure to do so shall be at bidder's risk.
- b. Unless otherwise specifically stated in the RFQ, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the RFQ, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The bidder may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the bidder shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Bids lacking any indication of intent to bid an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the RFQ.
- e. In the event that the bidder is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of a RFQ, such a bidder may submit a bid which contains a list of statutory limitations and identification of those prohibitive clauses. The bidder should include a complete list of statutory references and citations for each provision of the RFQ which is affected by this paragraph. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. If the Department determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the RFQ.
- f. All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the RFQ clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- g. Prices shall include all packing, handling and shipping charges and shall be delivered to the Department's designated destination FOB destination, freight prepaid and allowed unless otherwise specified in the RFQ.

- h. Bids, including all pricing therein, shall remain valid for 90 days from bid target date unless otherwise indicated. If the bid is accepted, the entire bid, including all prices, shall be firm for the specified contract period.
- i. Any foreign bidder not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their bid in order to be considered for award.

## 6. SUBMISSION OF BIDS

- a. Bids may be submitted by a delivered hard copy, by fax to the Department's Purchasing office or by scanning, attaching as a document, and emailing to the email address provided on the RFQ. All bids must be submitted by a duly authorized representative of the bidder's organization, contain all information required by the RFQ, and be priced as required. Bidders are cautioned that bids submitted via the USPS, including first class mail, certified mail, Priority Mail and Priority Mail Express, are routed through the Office of Administration Central Mail Services and the tracking delivery time and date may not be the time and date received by the Department's Purchasing office. Regardless of delivery method, it shall be the responsibility of the bidder to ensure their bid is in the Department's Purchasing office prior to the target date and time specified in the RFQ. Bids with electronic signatures will not be accepted.
- b. The envelope or container containing a bid should be clearly marked on the outside with the official RFQ number and the official target date and time. Scanned and emailed bids should clearly mark the RFQ number and target date and time in the subject line of the email. Different bids should not be placed in the same envelope, fax or scanned email; however, copies of the same bid may be placed in the same envelope, fax or scanned email.
- c. A bid which has been delivered to the Department's Purchasing office may be modified by a signed, written notice which has been received by the Department's Purchasing officer prior to the official target date and time specified. A bid may also be modified in person by the bidder or its authorized representative provided proper identification is presented before the official target date and time. Telephone or telegraphic requests to modify a bid shall not be honored.
- d. A bid which has been delivered to the Department's Purchasing office may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail or facsimile which has been received by the Department's Purchasing office prior to the official target date and time specified. A bid may also be withdrawn in person by the bidder or its authorized representative provided proper identification is presented before the official target date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.
- e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the bidder. Justification of withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the bidder.
- f. Bidders must sign and return the RFQ cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the bidder of all the RFQ terms and conditions. Failure to do so may result in the rejection of the bid unless the bidder's full compliance with those documents is indicated elsewhere within the bidder's response.

## 7. PREFERENCES

- a. In the evaluation of bids, preferences shall be applied in accordance with Chapter 34 RSMo. Contractors should apply the same preferences in selecting subcontractors.
- b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

## 8. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the bidder and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a bidder shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.
- c. The bidder is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the Department. However, unless otherwise specified in the RFQ, pricing shall be evaluated at the maximum potential financial liability to the Department.
- d. Awards shall be made to the bidder whose bid (1) complies with all mandatory specifications and requirements of the RFQ and (2) is the lowest and best bid, considering price, responsibility of the bidder, and all other evaluation criteria specified in the RFQ and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.

- e. In the event all bidders fail to meet the same mandatory requirement in a RFQ, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.
- f. The Department reserves the right to reject any and all bids.
- g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a bidder, from a bidder's references, or from any other source.
- h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- i. Any award of a contract shall be made by notification from the Department to the successful bidder. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the Department.
- j. All bids and associated documentation submitted will be considered open records pursuant to section 610.021 RSMo.
- k. The Department maintains images of all bid file material for review. Bidders who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
- l. The Department reserves the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (10).
- n. The final determination of contract award(s) shall be made by the Department.

## 9. CONTRACT/PURCHASE ORDER

- a. By submitting a bid, the bidder agrees to furnish any and all equipment, supplies and/or services specified in the RFQ, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the RFQ and any amendments thereto, (2) the contractor's response (bid) to the RFQ, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the RFQ shall be incorporated into the contract by reference.
- c. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties, and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department, or by a modified purchase order, prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

## 10. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the RFQ.
- d. The Department assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the Department's rejection and shall be returned to the contractor at the contractor's expense.
- e. All invoices for equipment, supplies, and/or services purchased by the Department shall be subject to late payment charges as provided in section 34.055 RSMo.
- f. The Department reserves the right to purchase goods and services using the State purchasing card.

**11. DELIVERY**

- a. Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time if a specific time is not stated.
- b. A Missouri Uniformed law Enforcement System (MULES) background check may be required on the contractor's delivery driver prior to allowing a delivery vehicle entrance to certain institutions. A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.
- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

**12. INSPECTION AND ACCEPTANCE**

- a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The Department's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

**13. WARRANTY**

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample, or other description which was furnished to or adopted by the Department, (2) be fit and sufficient for the purpose expressed in the RFQ, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the Department's acceptance of or payment for said equipment, supplies, and/or services.

**14. CONFLICT OF INTEREST**

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452, and 105.454 regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the bid the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

**15. CONTRACTOR STATUS**

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

**16. REMEDIES AND RIGHTS**
