MANDATORY SPECIFICATIONS

1. All items shall not be refrigerated or frozen before delivery.
2. All items must be shelf stable and must not require refrigeration before or after opening.
3. Sweet and spicy trail mixes should include an assortment of nuts and seasoned corn and/or sesame sticks. The trail mix must have a sweet and spicy flavor.
4. Sweet and salty trail mixes should include an assortment of nuts, dried fruit, chocolate, and seeds. The trail mix must have a sweet and salty flavor.
5. Protein/Energy Bars shall be less than 15 grams of fat per bar, a minimum of 15 grams of protein per bar and serving size shall equal one bar.
6. **For each item submitted, the supplier/manufacturer should include a copy of an ingredient and nutritional label.** If the label is not furnished with the sample, the label must be provided upon request. If requested, the label shall be furnished within five (5) business days after notification from the Department. Failure to provide this information may render the sample incapable of evaluation.
7. **Labeling** – because all items are for resale, each item must be individually bar-coded.
 - a. All labels must bear the name of the item, nutrition facts, ingredients, net weight, the date of expiration/freshness date, and if applicable, and instructions for preparation if applicable.
 - b. The Department prefers expiration/freshness dating to be in month and year format; however, Julian date codes will be acceptable.
 - c. There shall be no alteration of national brand manufacturer's labeling for any item. Manufacturer's bulk packaged items shall not be re-labeled for individual resale. Re-labeled items and items that indicate "not for individual resale" are not acceptable.
 - d. Labels or packaging shall not be pre-priced.

- e. Labeling, including trademarks, logos, graphics, etc., shall not depict violence, weapons, full or partial nudity, or illegal substances.
- 8. **Size** - Size shall be as specified or within the range listed. Items falling outside the requested size or size range will not be considered.
- 9. **Packaging** - All items shall be individually packaged for resale. Select items may be specified as “clear” and/or “resealable” for security and sanitation reasons. Glass containers are not acceptable and will not be considered. There shall be no metal on any container.
- 10. **Item Changes** - The supplier/manufacturer must **immediately notify** the Department prior to the discontinuation of any item, change in packaging, size, ingredients, nutrition facts, or labeling of a qualified item.
 - a. Documentation from the manufacturer or supplier must be submitted to the Department to verify any material change.
 - b. Samples for testing shall be submitted if requested by the Department.
