## Good Earth Liquid Deicer

has been tested and proven to be effective to  $-25^{\circ}$  F. It is ready to use and requires no mixing or diluting. Liquid Deicer is unique to the market because it has a high percentage of calcium chloride and incorporates unique corrosion inhibitors with a natural fertilizer. Apply Liquid Deicer before a storm hits and it will provide up to 48 hours of residual activity. It will not allow the ice and snow to bond to the concrete and asphalt. This makes cleanup and removal of tough ice and snow FAST!

## Product Description

Liquid Deicer is the true solution to fighting ice and snow. It is perfect for sidewalks, steps, loading docks, ramps, doorways, parking lots, walking platforms, etc...

Eliminates the unsightly mess and residue that granular products leave behind. This formula is ready to use and is non-toxic, non-corrosive and will work to  $-25^{\circ}$ . Use Liquid Deicer before or after a storm for unbelievable results!
