Cartridge Recycling

For your black & color laser printer needs at a low cost.

Contrary to popular belief, 'Remanufactured' laser toner cartridges are not 'used' cartridges. When each cartridge is returned to us, we break it down, thoroughly clean them, and replace all vital parts with **NEW parts & toner.**

Not only does this save money to the customer; it in turn produces a smaller carbon footprint.

For a complete list of cartridges, please visit our website www.doc.mo.gov/mve/html/printing/cartridge.html or contact Barbara Cassidy, Mgr. II at 573-751-3224 ext. 1260
