EXHIBIT C
Missouri Service-Disabled Veteran Business Enterprise Preference

Pursuant to section 34.074, RSMo, and 1 CSR 40-1.050, the Missouri Department of Corrections has a goal of awarding three (3) percent of all contracts for the performance of any job or service to qualified service-disabled veteran business enterprises (SDVEs). (See below for definitions included in section 34.074, RSMo.)

DEFINITIONS:

Service-Disabled Veteran (SDV) is defined as any individual who is disabled as certified by the appropriate federal agency responsible for the administration of veterans' affairs.

Service-Disabled Veteran Business Enterprise (SDVE) is defined as a business concern:

- a. not less than fifty-one (51) percent of which is owned by one or more service-disabled veterans or, in the case of any publicly owned business, not less than fifty-one (51) percent of the stock of which is owned by one or more service-disabled veterans; and
- b. the management and daily business operations of which are controlled by one or more service-disabled veterans.

STANDARDS:

The following standards shall be used by the Department of Corrections in determining whether an individual, business, or organization qualifies as a SDVE:

- a. Doing business as a Missouri firm, corporation, or individual, or maintaining a Missouri office or place of business, not including an office of a registered agent;
- b. Having not less than fifty-one percent (51%) of the business owned by one (1) or more service-disabled veterans (SDVs) or, in the case of any publicly-owned business, not less than fifty-one percent (51%) of the stock of which is owned by one (1) or more SDVs.
- c. Having the management and daily business operations controlled by one (1) or more SDVs;
- d. Having a copy of the SDV's award letter from the Department of Veterans Affairs or a copy of the SDV's discharge paper (DD Form 214, Certificate of Release or Discharge from Active Duty) and a copy of the SDV's documentation certifying disability by the appropriate federal agency responsible for the administration of veterans' affairs; and
- e. Possessing the power to make day-to-day as well as major decisions on matters of management, policy, and operation.

If a bidder meets the standards of a qualified SDVE as stated above, the bidder must provide the following with the bid in order to receive the Missouri SDVE preference of a three-point bonus over a non-Missouri SDVE unless previously submitted within the past five (5) years to a Missouri state agency or public university:

- a. a copy of the SDV's award letter from the Department of Veterans Affairs or a copy of the SDV's discharge paper (DD Form 214, Certificate of Release or Discharge from Active Duty),
- b. a copy of the SDV's documentation certifying disability by the appropriate federal agency responsible for the administration of veterans' affairs, and
- c. a completed copy of this exhibit.

1. INTRODUCTION AND GENERAL INFORMATION

1.1 Introduction:

1.1.1 This document constitutes an invitation for competitive, sealed bids from prospective bidders to establish a contract for the purchase of hygiene and personal care items for the Missouri Department of Corrections (hereinafter referred to as the "Department") for resale in the offender canteens at twenty-one (21) correctional institutions in accordance with the requirements and provisions stated herein.

1.1.2 Pursuant to paragraph 4.a. of the terms and conditions of this IFB, written questions, request for changes, clarifications or otherwise, advise the Department if any language, specifications or requirements of this IFB appear to be ambiguous, contradictory, and/or arbitrary are due no later than ten (10) calendar days prior to the official bid opening.

- a. Any questions, requests, advice by a bidder must be submitted in writing to the Buyer of Record and clearly marked IFB CR15129, Hygiene and Personal Care Items. It is preferred that communications be sent via e-mail to Diana.Fredrick@doc.mo.gov.

1.1.3 **Organization** – This document, referred to as an Invitation for Bid (IFB), is divided in to the following parts:

Section 1. – Introduction and General Information	Exhibits A-G
Section 2. – Contractual Requirements	Terms and Conditions
Section 3. – Performance Requirements	Attachment 1
Section 4. – Bidder's Instructions	
Section 5. – Evaluation and Award	

1.2 General Information:

1.2.1 **Terms and Conditions** – It is recommended that all bidders review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition
- Preparation of Bids
- Submission of Bids
- Preferences
- Evaluation and Award

1.2.2 **Background Information** – The Department operates offender canteens within the correctional institutions for offenders to purchase approved food, clothing, appliances and other items. By departmental policy, the selection of items approved and available for purchase in the canteens is decided upon by committee. The committee is tasked with standardizing an approved list in order to provide uniformity in product and pricing in the canteens. Items on the approved list are competitively bid in order to obtain the best possible pricing for the Department. Once contracted, only contracted items are allowed to be sold in the canteens.

1.2.3 **History** – Most line items listed on **EXHIBIT A, Pricing Page** under this IFB are currently under contract. This contract is being established to replace the existing contracts that will expire on April 5, 2015 and to add new products.

- a. The current contracts (CR564001-CR565004) may be viewed and printed from the Department of Corrections' website located on the Internet at:

http://doc.mo.gov/DHS/Canteen_Resale_Awarded.php.

- 1.2.4 The estimated population for all correctional institutions is 31,857.
- 1.2.5 The estimated annual gross sales for all line items listed on **EXHIBIT A, Pricing Page** are \$253,500.00. The Department makes no guarantees of future sales.
- 1.2.6 **Funds** – Expenditures from general revenue funds are not included in this contract.

2. CONTRACTUAL REQUIREMENTS

2.1 Contract Period:

- 2.1.1 The original contract period shall be as stated on page one of the IFB. The contract shall not bind, nor purport to bind, the Department for any contractual commitment in excess of the original contract period. The Department shall have the right, at its sole option, to renew the contract for four (4) additional twelve (12) month periods or any portion thereof. In the event the Department exercises such right, all terms and conditions, requirements, and specifications of the contract shall remain the same and apply during the renewal period pursuant to applicable option clauses of this document.

2.2 Renewal Periods:

- 2.2.1 If the Department exercises its option for renewal, the contractor shall agree that the price for the renewal period shall not exceed the maximum percentage increase or be less than the minimum percentage decrease quoted for the applicable renewal period as stated on **EXHIBIT A, Pricing Page**, of the contract.

- a. As stated on **EXHIBIT A, Pricing Page**, all increases or decreases shall be calculated against the **ORIGINAL** contract price and **NOT** against the previous year's price. If a price increase or decrease was allowed as outlined in section 2.5 of this IFB, the increase/decrease will be added/subtracted after the calculation of the renewal price has been determined.

EXAMPLE: Original Contract Price = \$1.00, Maximum Increase = 2%, Economic Adjustment = 5%
Renewal Period Increase - \$1.00 x 2% = \$1.02
Economic Adjustment - \$1.00 x 5% = \$1.05
Renewal Period Price = \$1.07 (\$1.02 + \$0.05)

- b. If renewal percentages are not provided, then the price during the renewal period shall be the same as during the original contract period.
- c. The Department does not automatically exercise its option for renewal based upon the maximum percentage and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum stated.

2.3 Contract Price:

- 2.3.1 The prices shall be as stated on **EXHIBIT A, Pricing Page**. The Department shall not pay, nor be liable, for any other additional costs, including but not limited to, taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

- a. Pricing shall be considered firm for the duration of the contract period unless a price increase/decrease is allowed as outlined in section 2.5 of this IFB.

2.4 Point of Contact:

- 2.4.1 The contractor must act as the responsible agent for all distributors shipping product to all institutions listed on **ATTACHMENT 1**, and be the single point of contact on all matters.

2.5 Economic Adjustment Clause:

- 2.5.1 In the event that the contractor's cost for the items covered in this IFB and resulting contract should increase more than 5% during the period of time in which the contract is in effect, the contractor may, upon submission of written proof of such increase and approval by the Department, be entitled to an adjustment in price accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department. All prices shall remain firm for the first six (6) months of this contract.
- 2.5.2 Whenever possible, the contractor must submit a written request for price increases thirty (30) days prior to the effective date of increase to the Department's Purchasing Section. **Requests and documentation must be submitted via US Mail.** If the manufacturer provides a percentage increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying its cost at the time of the bid award, the new cost, and the effective date of the increase. If the manufacturer provides an actual dollar amount of increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the increase and the effective date of the increase. Supporting documentation must clearly establish the increase is to all customers and not to the Department or this contract alone. Supporting documentation will be returned to the contractor once the Department's Purchasing Section has verified its validity and shall not become part of the contract record.
- 2.5.3 The increase will be allowed only on the cost of the item(s) to the contractor. No increase or change in the contractor's overhead, transportation costs, profit or other factors will be approved. The Department reserves the right to ask for invoices, published price lists, or any other evidence establishing the contractor's costs to support the increase. Failure to supply any requested documentation will be grounds to deny adjustment in price.
- 2.5.4 After receipt of required documentation and in the event a price change is authorized thereafter, no additional adjustments will be allowed for a term of six (6) months.
- 2.5.5 The Department further reserves the right to reject any proposed price increase, cancel the item(s) from the contract, and re-bid if determined to be in the best interest of the Department.
- 2.5.6 The contractor shall neither delay nor stop deliveries pending price changes.
- 2.5.7 If a price increase is allowed through a formal contract amendment, no price increase shall be billed to the Department before the effective date of the increase. Billed price changes will only be accepted for payment on purchase orders dated *on or after* the effective price change date. Purchase orders dated *prior* to the effective price change date shall be billed at the contract price in existence before the amended price change regardless of when delivery is accepted.
- 2.5.8 In the event the contractor's costs should decrease by more than 5% during the period of time that the contract is in effect, the contractor shall pass any manufacturer's price decrease to the Department and

such decreases shall become effective immediately upon notification by the contractor of the amount of the decrease. The contractor shall notify the Department of any such decrease.

2.6 Invoicing and Payment Terms:

2.6.1 All payment terms shall be as stated in the terms and conditions of this contract. Payments will be processed based on final delivery, inspection, and acceptance of the item. Payment terms should be Net 30 unless otherwise stated in the IFB.

2.6.2 The contractor shall accurately invoice per the price indicated on **EXHIBIT A, Pricing Page**.

2.6.3 The Department may choose to use the state purchasing card (Visa) in place of a purchase order to make purchases under this contract. Unless exception to this condition is indicated on **EXHIBIT A, Pricing Page**, the contractor agrees to accept the state purchasing card as an acceptable form of payment and may not charge any additional fees related to the use of a purchasing card such as service fees, merchant fees, and/or handling charges.

a. If the Department issues a purchase order, an itemized invoice shall be emailed to DOC.CanteenPayables@doc.mo.gov or mailed to:

Attn: Offender Financial Services – Accounts Payable
Missouri Department of Corrections
PO Box 1609
Jefferson City, MO 65102

2.6.4 Each invoice submitted must be specific to one purchase order number. The purchase order number must be referenced on the invoice and the invoice must be itemized in accordance with the item listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment. Emailed invoices should contain the purchase order number in the subject line.

a. If the state purchasing card (Visa) is used for payment, an itemized invoice reflecting the charged amount must be faxed or emailed to the institution within one business day. **The state purchasing card shall not be charged until the items are received and accepted.**

2.6.5 The contractor's invoice should include any discount for prompt payment as indicated on **EXHIBIT A, Pricing Page**.

2.6.6 If the contractor maintains an e-commerce web application that enables Department staff to view and print invoices and invoice history, the contractor shall indicate on **EXHIBIT A, Pricing Page** the web site address where the Department staff may access invoices. Upon award of a contract, the contractor shall provide the Department with a customer number in order for Department staff to access invoices and invoice history.

2.7 Contractor's Employees:

2.7.1 The contractor and all of the contractor's employees and agents providing services in any Department of Corrections institution must be at least eighteen (18) years of age. A Missouri Uniform Law Enforcement System (MULES) check or other background investigation may be required on the contractor, the contractor's employees and agents before they are allowed entry into the institution. The contractor, its employees and agents understand and agree that the Department may complete criminal background

records checks annually for the contractor and the contractor's employees and agents that have the potential to have contact with inmates.

- 2.7.2 The institution shall have the right to deny access into the institution for the contractor and any of the contractor's employees and agents for any reason, at the discretion of the institution.
- 2.7.3 The contractor, its employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to providing services pursuant to a Department contract. Similarly, contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.
- 2.7.4 The contractor, its employees and agents shall at all times observe and comply with all applicable state statutes, Department rules, regulations, guidelines, internal management policies and procedures, and general orders of the Department that are applicable, regarding operations and activities in and about all Department property. Furthermore, the contractor, its employees and agents, shall not obstruct the Department or any of its designated officials from performing their duties in response to court orders or in the maintenance of a secure and safe correctional environment. The contractor shall comply with the Department's policies and procedures relating to employee conduct.
- a. The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender, or offender on offender, sexual harassment, sexual assault, sexual abuse and consensual sex.
- (1) Any contractor or contractor's employee or agent who witnesses any form of sexual misconduct must immediately report it to the warden of the institution. If a contractor or contractor's employee or agent fails to report or knowingly condones sexual harassment or sexual contact with or between offenders, the Department may cancel the contract, or at the Department's sole discretion, require the contractor to remove the employee/agent from providing services under the contract.
- (2) Any contractor or contractor's employee or agent who engages in sexual abuse shall be prohibited from entering the institution and shall be reported to law enforcement agencies and licensing bodies, as appropriate.
- 2.7.5 The contractor, its employees and agents shall not interact with the offenders except as is necessary to perform the requirements of the contract. The contractor, its employees and agents shall not give anything to nor accept anything from the offenders except in the normal performance of the contract.
- 2.7.6 If any contractor or contractor's employee or agent is denied access into the institution for any reason or is denied approval to provide service to the Department for any reason stated herein, it shall not relieve the contractor of any requirements of the contract. If the contractor is unable to perform the requirements of the contract for any reason, the contractor shall be considered in breach.

2.8 Subcontractors:

- 2.8.1 Any subcontract for the items/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor. The contractor shall expressly understand and agree that it shall assume and be solely responsible for all legal

and financial responsibilities related to the execution of a subcontract. The items/services in the contract shall in no way relieve the contractor of the responsibility for providing the items/services as described and set forth herein. The contractor must obtain the approval of the Department prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

2.9 Business Compliance:

2.9.1 The bidder must be in compliance with the laws regarding conducting business in the State of Missouri. The bidder certifies by signing the signature page of this original document and any amendment signature page(s) that the bidder and any proposed subcontractors either are presently in compliance with such laws or shall be in compliance with such laws prior to any resulting contract award. The bidder shall provide documentation of compliance upon request by the Department. The compliance to conduct business in the state shall include but may not be limited to:

- Registration of business name (if applicable)
- Certificate of authority to transact business/certificate of good standing (if applicable)
- Taxes (e.g., city/county/state/federal)
- State and local certifications (e.g., professions/occupations/activities)
- Licenses and permits (e.g., city/county license, sales permits)
- Insurance (e.g., worker's compensation/unemployment compensation)

2.10 Participation by Other Organizations: The contractor must comply with any Organization for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded bid.

2.10.1 The contractor shall prepare and submit to the Department a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshops participating in the contract for the reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined by the Department.

2.10.2 The Department will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded bid. If the contractor's payments to the participating entities are less than the amount committed, the Department may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Department determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.

2.10.3 If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops to fulfill the participation requirements committed to in the contractor's awarded bid.

- a. The contractor must obtain the written approval of the Department for any new entities. This approval shall not be arbitrarily withheld.
- b. If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Department detailing all efforts made to secure a replacement. The Department shall have sole discretion in determining if the actions taken by the contractor constitute a good faith effort

to secure the required participation and whether the contract will be amended to change the contractor's participation commitment.

3.1.1 The contractor shall provide hygiene and personal care items on an as needed basis as ordered by the institutions. The items provided under the contract shall conform to all mandatory specifications, terms, conditions and requirements as stated herein. c. At minimum, the label must bear the name of the item, ingredients, and net weight.

d. There shall be no alteration of **national** brand manufacturer's labeling for any item. Manufacturer's bulk packaged items shall not be re-labeled for individual resale. Relabeled items and items that indicate "not for individual resale" are not acceptable.

e. Labels or packaging shall not be pre-priced.

The bidder must submit, with its bid, documentation from the manufacturer or supplier to verify the change in size.

3.3.3 **Packaging** - Select items may be specified as “transparent” and/or “translucent” for security and sanitation reasons. **Alternate packaging may only be acceptable if no bidder can meet the packaging requirements.**

3.4 **Substitution of Product or Item Changes:**

3.4.1 **Substitution of Product** - Following award of the contract, no substitution of an awarded item will be permitted except in the case of natural disaster, item discontinuation by the manufacturer or supplier, or the inability of a manufacturer or supplier to ship. The contractor must provide documentation from the manufacturer or supplier to substantiate the occurrence of any of these aforementioned situations.

- a. For all approved substitutions, a copy/picture of the product label that verifies all required labeling specifications will be met as indicated in paragraph 3.3.1 shall be provided upon request of the Department.
- b. Special run or mock-up items will not be accepted for substitution.

3.4.2 The Department reserves the right to allow the contractor to substitute any new product offered by the contractor on all unshipped and future orders if quality is equal to or greater than the product under contract and if the price is equal to or less than the contract price. The Department shall be the final authority as to the acceptability of the proposed substitution.

3.4.3 **Item Changes** - The contractor must **immediately notify** the Department prior to the discontinuation of any item, change in packaging, size, ingredients, or labeling (i.e. UPC) of an awarded item. 3.6 Delivery Performance:

- 3.6.1 All items awarded under this IFB must be available for delivery to **all** institutions listed on **ATTACHMENT 1**.
- 3.6.2 Orders shall be placed by the institutions. The contractor must begin accepting orders upon notice of award. Initial orders and subsequent orders shall ship the same business day or next business day to the ordering institutions and must be delivered within **five (5) business days** upon receipt of an authorized purchase order or state purchasing card transaction notice. All orders received on the last day of the contract must be shipped at the contract price.
- 3.6.3 Delivery shall include unloading shipments at the Department dock or other designated unloading site(s) as requested by the Department. All orders must be shipped FOB Destination, Freight Prepaid and Allowed.
- 3.6.4 Deliveries shall be made as requested by the ordering institution. **The contractor must coordinate its delivery schedule with the ordering institution.** Any change in delivery schedule must be approved by the ordering institution a minimum of twenty-four (24) hours in advance prior to the implementation date of such change. Institutions have specific times that deliveries can be accepted. A delivery arriving during a time the institution does not accept deliveries will be delayed or refused. Any additional cost for delay or redelivery shall be the responsibility of the contractor.
- a. Delivery must not be made on official state holidays. A list of official state holidays may be found on the State of Missouri web site at <http://content.oa.mo.gov/personnel/state-employees/hours-work-overtime-and-holidays>.

3.6.5 *Delays in Delivery Performance:*

- a. If at any time the contractor should encounter conditions impeding delivery of an awarded item(s), the contractor shall immediately notify the Department's Purchasing Section in writing of the fact of delay, its likely duration, and its cause(s). As soon as practical after the receipt of the contractor's notice, the Department shall evaluate the situation and may, at its sole discretion, extend the contractor's time for delivery.
- b. A delay by the contractor in the performance of its delivery obligations shall render the contractor liable for additional costs incurred by the Department to obtain product from other sources unless an extension of time is agreed upon pursuant to 3.6.5 a.

3.7 Item Selection and Sales Performance:

- 3.7.1 The selection of allowable items to be sold in the offender canteens is decided upon by a committee. If at any time during the contract period the committee decides to remove an awarded item(s) from the allowable list, the Department shall have the right to cancel that item(s) from the contract. All other specifications, terms and conditions of the contract, including the pricing on all non-affected awarded items shall remain the same.
- 3.7.2 Additional item choices shall not be added without the Department's approval. The Department approval may entail the sampling of the proposed item selection.
- 3.7.3 The purpose of items selected for resale is to maximize sales potential for the benefit of the offender Canteen Fund. Therefore, if an item shows an overall trend of a decrease in sales volume, the Department reserves the right to discontinue that item without penalty.

- a. Full cases of any cancelled or discontinued item(s) may be returned for full credit at no cost to the Department.

3.8 Minimum Orders:

3.8.1 There shall be no minimum order requirements for all line items.

- b. Line items 006-056 shall be ordered by the case.

4.1 Contact:

4.1.1 Pursuant to paragraph 4.a. of the Terms and Conditions of this IFB, bidders are cautioned not to contact any other employee of the Department concerning this procurement during the competitive procurement and evaluation processes except for the Buyer of Record. Inappropriate contacts are grounds for exclusion from this or future bidding opportunities.

4.2 Brands:

4.2.1 Definitions:

- a. **National Brand:** A manufacturer's brand that is available to the general public regionally or nationally and is not exclusive to one wholesaler or retailer but is available through multiple retail or vending outlets.
 - 1) Other states' department of corrections canteens and commissaries are **not** considered as the general public or as retail outlets and **do not** qualify a brand as a national brand.
- b. **House Brand:** A private brand owned by a wholesaler, supplier, dealer or merchant that bears its own company name or a name it owns exclusively and is generally not available or has limited availability in public retail or vending outlets; or any other brand that does not meet the definition of a national brand.

4.2.2 Brands will be as stated on **EXHIBIT A, Pricing Page**. Because the items are for resale, select items are brand specific. For items that have specific brand names listed on **EXHIBIT A, Pricing Page**, only that brand will be accepted.

4.2.3 For items with no brand listed on **EXHIBIT A, Pricing Page**, the bidder may bid **national brands** or **house brands**, as defined herein, that meet all of the required specifications.

4.3 Submission of Samples:

4.3.1 **If requested**, the bidder shall be required to submit one (1) sample of each brand bid for bid evaluation. If requested, the bidder must provide the sample(s) within five (5) business days of notification by the Buyer of Record. A bidder failing to submit a sample(s) within five (5) business days after notification may not be considered for award. All samples shall be provided at no cost to the Department. 5. EVALUATION AND AWARD

5.1 Evaluation:

5.1.1 The evaluation shall include the original contract period plus the renewal periods. The estimated quantities shall be taken into consideration to compute the total price for the original contract period and renewal periods.

5.1.2 The cost evaluation shall be calculated as follows:

- a. For line items 001-005, *and for evaluation purposes only*, the initial contract period cost for each line item will be calculated by multiplying the individual cost per item by the estimated quantity for that line item.
- b. For line items 006-038, *and for evaluation purposes only*, the individual cost for each line item will be calculated by dividing the firm fixed case price for each line item stated on **EXHIBIT A, Pricing Page**, by the number of individual items per case to arrive at the individual item cost. The initial contract period cost for each line item will be calculated by multiplying the individual item cost by the estimated quantity for the line item.
 - 1) For evaluation purposes only, an estimated quantity of 500 will be used for line item 035.
- c. For line items 039-051, *and for evaluation purposes only*, the individual item cost for each line item will be calculated by dividing the firm fixed case price for the item stated on **EXHIBIT A, Pricing Page** by the number of items per case. The cost per ounce for each line item will be calculated by dividing the individual item cost by the total ounces of the item to arrive at the total cost per ounce. The initial contract period cost for each line item will be calculated by multiplying the total cost per ounce by the multiplier listed for each line item below, then multiplied by the estimated quantity for that line item.

LINE ITEM	MULTIPLIER
039	15
040	2.5
041	1.5
042, 044, 045	16
043	8.5
046, 047, 048, 050, 051	4
049	2

- 1) For evaluation purposes only, an estimated quantity of 500 will be used for line item 047.
- d. For line items 052-056, *and for evaluation purposes only*, the individual cost for each item will be calculated by dividing the firm fixed case price for the line item stated on **EXHIBIT A, Pricing Page**, by the number of packages per case divided by the count per package to arrive at the cost per individual item *per package*. The initial contract period cost for each line item will be calculated by multiplying the cost per individual item *per package* by the multiplier listed for each line item on the following page, then multiplied by the estimated quantity for that line item.

LINE ITEM	MULTIPLIER
052	18
053	250
054	10
055	100
056	10

e. A cost for each renewal period will be calculated in the same manner as indicated in 5.1.2 a. - d., for all line items. The total cost of the initial contract period and each renewal period will be added together to arrive at the total bid price for all line items.

5.1.3 **Buy American Preference** – If calculations for the Buy American preference are necessary, items bid **not** meeting proof of compliance with section 34.353 RSMo in accordance with the Domestic Procurement Act, sections 34-350 RSMo through 34.359 RSMo, the Buy American preference shall be computed as follows:

$$\text{Total Bid Price} \times 1.10 = \text{Total Evaluated Bid Price}$$

5.1.4 **Determination of Cost Points** – Cost points shall be computed as follows:

$$\frac{\text{Lowest Responsive Total Evaluated Bid Price} \times 100 + \text{earned preference points}}{\text{Compared Total Evaluated Bid Price}} = \text{Total Cost Points}$$

a. **NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.**

5.2 Award:

5.2.1 Award for each line item shall be made to the bidder whose item(s) meet the required specifications and has the highest total cost points for the item. Only one award shall be made for each line item.

5.2.2 **Other Considerations** – The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not limited to: 1) failure of the bidder to meet mandatory general performance specifications; 2) failure of the bidder to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder’s offering.

11. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the IFB.
- d. The Department assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the Department's rejection and shall be returned to the contractor at the contractor's expense.
- e. All invoices for equipment, supplies, and/or services purchased by the Department shall be subject to late payment charges as provided in section 34.055 RSMo.
- f. The Department reserves the right to purchase goods and services using the state purchasing card.

12. DELIVERY

- a. Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time if a specific time is not stated.
- b. A Missouri Uniformed Law Enforcement System (MULES) background check may be required on the contractor's delivery driver prior to allowing a delivery vehicle entrance to certain institutions. A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.
- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

13. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The Department's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

14. WARRANTY

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the Department, (2) be fit

and sufficient for the purpose expressed in the IFB, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.

- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the Department's acceptance of or payment for said equipment, supplies, and/or services.

15. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454 RSMo regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the bid the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

16. CONTRACTOR STATUS

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

17. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the Department of any existing or future right and/or remedy available by law in the event of any claim by the Department of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

18. SEVERABILITY

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

19. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than ten (10) working days from notification, or at a minimum, the contractor must provide the Department within ten (10) working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach, or if circumstances demand immediate action, the Department will issue a notice of cancellation terminating the contract immediately. If it is determined the Department improperly cancelled the contract, such cancellation shall serve as notice of termination for convenience in accordance with the contract.
- c. If the Department cancels the contract for breach, the Department reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Department deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in

which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.

- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

20. TERMINATION OF CONTRACT

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

21. ASSIGNMENT OF CONTRACT

- a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

22. COMMUNICATIONS AND NOTICES

- a. Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.
- b. If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.

23. FORCE MAJEURE

- a. The contractor shall not be liable for any excess costs for delayed delivery of goods or services to the Department if the failure to perform the contract arises out of causes beyond the control of, and without the fault or negligence of, the contractor. Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

24. CONTRACT EXTENSION

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

25. INSURANCE

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

26. BANKRUPTCY OR INSOLVENCY

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the Department immediately.

- b. Upon learning of any such actions, the Department reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

27. INVENTIONS, PATENTS AND COPYRIGHTS

- a. The contractor shall defend, protect, and hold harmless the Department, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

28. CONTRACTOR PROPERTY

- a. Upon expiration, termination or cancellation of a contract, any contractor property left in the possession of the Department after forty-five (45) calendar days shall become property of the Department.

29. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:
 - 1. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
 - 2. The identification of a person designated to handle affirmative action;
 - 3. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
 - 4. The exclusion of discrimination from all collective bargaining agreements; and
 - 5. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.
- b. If discrimination by a contractor is found to exist, the Department shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the Department until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

30. AMERICANS WITH DISABILITIES ACT

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

31. FILING AND PAYMENT OF TAXES

- a. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. Therefore a bidder's failure to maintain compliance with chapter 144, RSMo may eliminate their bid from consideration for award.

32. TITLES

- a. Titles of paragraphs used herein are for the purpose of facilitating reference only and shall not be construed to infer a contractual construction of language.
