1. INTRODUCTION AND GENERAL INFORMATION

1.1 Introduction:

1.1.1 This document constitutes an invitation for competitive, sealed bids from prospective bidders to establish a contract for the purchase of ice cream, ice cream novelties and sherbet for the Missouri Department of Corrections (hereinafter referred to as the "Department") Chillicothe Correctional Center (hereinafter referred to as CCC) for resale in the offender canteen in accordance with the requirements and provisions stated herein.

1.1.2 **Organization** – This document, referred to as an Invitation for Bid (IFB), is divided into the following parts:

Section 1. – Introduction and General Information	Exhibits A-D
Section 2. – Contractual Requirements	Terms and Conditions
Section 3. – Performance Requirements	
Section 4. – Bidder's Instructions	
Section 5. – Evaluation and Award	

1.2 General Information:

1.2.1 **Terms and Conditions** – It is recommended that all bidders review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition
- Preparation of Bids
- Submission of Bids
- Preferences
- Evaluation and Award

1.2.2 **Background Information** – The Department operates offender canteens within the correctional institutions for offenders to purchase approved food, clothing, appliances and other items. By departmental policy, the selection of items approved and available for purchase in the canteens is decided upon by committee. The committee is tasked with standardizing an approved list in order to provide uniformity in product and pricing in the canteens. Items on the approved list are competitively bid in order to obtain the best possible pricing for the Department. Once contracted, only contracted items are allowed to be sold in the canteens.

1.2.3 The estimated population for this correctional institution is 1,277.

1.2.4 The estimated annual gross sales for all line items are \$14,732.00.

1.2.5 **Funds** – Expenditures from general revenue funds are not included in this contract.

2. CONTRACTUAL REQUIREMENTS

2.1 Contract Period:

2.1.1 The original contract period shall be as stated on page one of the IFB. The contract shall not bind, nor purport to bind, the Department for any contractual commitment in excess of the original contract period. The Department shall have the right, at its sole option, to renew the contract for four (4) additional twelve (12) month periods or any portion thereof. In the event the Department exercises such right, all terms and conditions, requirements, and specifications of the contract shall remain the same and apply during the renewal period pursuant to applicable option clauses of this document.

2.2 Renewal Periods:

2.2.1 If the Department exercises its option for renewal, the contractor shall agree that the price for the renewal period shall not exceed the maximum percentage increase or be less than the minimum percentage decrease quoted for the applicable renewal period as stated on **EXHIBIT A, Pricing Page**, of the contract.

- a. As stated on **EXHIBIT A, Pricing Page**, all increases or decreases shall be calculated against the ORIGINAL contract price and NOT against the previous year's price. If a price increase or decrease was allowed as outlined in paragraph 2.5 of this IFB, the increase/decrease will be added/subtracted after the calculation of the renewal price has been determined.

EXAMPLE: Original Contract Price = \$1.00, Maximum Increase = 2%, Economic Adjustment = 5%
Renewal Period Increase - $\$1.00 \times 2\% = \1.02
Economic Adjustment - $\$1.00 \times 5\% = \1.05
Renewal Period Price = $\$1.07 (\$1.02 + \$0.05)$

- b. If renewal percentages are not provided, then the price during the renewal period shall be the same as during the original contract period.
- c. The Department does not automatically exercise its option for renewal based upon the maximum percentage and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum stated.

2.3 Contract Prices:

2.3.1 The prices shall be as stated on **EXHIBIT A, Pricing Page**. The Department shall not pay, nor be liable, for any other additional costs, including but not limited to, taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

- a. Price shall be considered firm for all items for the duration of the contract period unless a price increase/decrease is allowed as outlined in paragraph 2.5 of this IFB.

2.4 Point of Contact:

2.4.1 The contractor must act as the responsible agent for all distributors shipping product to the institution, and be the single point of contact on all matters.

2.5 Economic Adjustment Clause:

2.5.1 In the event that the contractor's cost for the items covered in this IFB and resulting contract should increase by more than five percent (5%) during the period of time in which the contract is in effect, the contractor may, upon submission of written proof of such increase and approval by the Department, be entitled to an adjustment in price accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department. All prices shall remain firm for the first six (6) months of this contract.

2.5.2 The contractor must submit a written request for price increases to the Department's Purchasing Section. Whenever possible, the written request shall be submitted thirty (30) days prior to the effective date of increase. Requests and documentation must be submitted via US Mail. If the manufacturer or supplier provides a percentage increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the contractor's cost at the time of the bid award, the new cost, and the effective date of the increase. If the manufacturer or supplier provides an actual dollar amount of increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the increase and the effective date of the increase. Supporting documentation must be on original manufacturer's or supplier's letterhead, dated, signed, and must clearly establish the increase is to all customers and not to the Department or this contract alone. Supporting documentation will be

returned to the contractor once the Department's Purchasing Section has verified its validity and shall not become part of the contract record.

- 2.5.3 In the event a written request from the contractor does not allow for a thirty (30) day notice prior to the effective date of the increase, the effective date of the increase, if allowed by the Department, will be thirty (30) days from the date of the receipt of a written request by the Department's Purchasing Section.
- 2.5.4 The increase will be allowed only on the cost of the item to the contractor. No increase or change in the contractor's overhead, transportation costs, profit or other factors will be approved. The Department reserves the right to ask for invoices, published price lists, or any other evidence establishing the contractor's costs to support the increase. Failure to supply any requested documentation will be grounds to deny adjustment in price.
- 2.5.5 After receipt of the required documentation, and in the event a price change is authorized thereafter, no additional adjustments will be allowed for a term of six (6) months.
- 2.5.6 The Department further reserves the right to reject any proposed price increase, cancel the item from the contract and re-bid the item, if it is determined to be in the best interest of the Department.
- 2.5.7 Contractors shall not delay or stop deliveries pending price changes. If a price increase is allowed through a formal contract amendment, no price increase shall be billed to the Department before the effective date of the increase. Billed price changes will only be accepted for payment on purchase orders dated on or after the effective price change date. Purchase orders dated prior to the effective price change date shall be billed at the contract price in existence before the amended price change regardless of when delivery is accepted.
- 2.5.8 In the event the Department has granted the contractor a price increase, and the contractor's costs should **decrease** by more than five percent (5%) during the period of time that the contract is in effect, the contractor shall pass any manufacturer's price decrease to the Department and such decreases shall become effective immediately upon notification by the contractor of the amount of the decrease. The contractor shall notify the Department immediately of any such decrease.

2.6 Invoicing and Payment Terms:

- 2.6.1 All payment terms shall be as stated in the terms and conditions of this contract. Payments will be processed based on final delivery, inspection, and acceptance of the item. Payment terms should be Net 30 unless otherwise stated in the IFB.
- 2.6.2 The contractor shall accurately invoice per the price indicated on **EXHIBIT A, Pricing Page**.
- 2.6.3 The Department may choose to use the state purchasing card (Visa) in place of a purchase order to make purchases under this contract. Unless exception to this condition is indicated on **EXHIBIT A, Pricing Page**, the contractor agrees to accept the state purchasing card as an acceptable form of payment and may not charge any additional fees related to the use of a purchasing card such as service fees, merchant fees, and/or handling charges.
- a. If the Department issues a purchase order, an itemized invoice shall be emailed to DOC.CanteenPayables@doc.mo.gov or mailed to:
- Attn: Offender Financial Services – Accounts Payable/CCC
Missouri Department of Corrections
PO Box 1609
Jefferson City, MO 65102
- 2.6.4 Each invoice submitted must be specific to one purchase order number. The purchase order number must be referenced on the invoice and the invoice must be itemized in accordance with the item listed on

the purchase order. Failure to comply with this requirement may delay processing of invoices for payment. Emailed invoices should contain the purchase order number in the subject line.

- a. If the state purchasing card (Visa) is used for payment, an itemized invoice reflecting the charged amount must be faxed or emailed to the institution within one business day. The state purchasing card shall not be charged until the items are received and accepted.

2.6.5 The contractor's invoice should include any discount for prompt payment as indicated on **EXHIBIT A, Pricing Page**.

2.6.6 If the contractor maintains an e-commerce web application that enables Department staff to view and print invoices and invoice history, the contractor shall indicate on **EXHIBIT A, Pricing Page** the web site address where the Department staff may access invoices. Upon award of a contract, the contractor shall provide the Department with a customer number in order for Department staff to access invoices and invoice history.

2.7 Subcontractors:

2.7.1 Any subcontract for the items/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract. The item in the contract shall in no way relieve the contractor of the responsibility for providing the item as described and set forth herein. The contractor must obtain the approval of the Department prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

2.8 Contractor's Employees

2.8.1 The contractor and all of the contractor's employees and agents providing services in any Department of Corrections institution must be at least 21 years of age. A Missouri Uniform Law Enforcement System (MULES) check or other background investigation shall be required on the contractor, the contractor's employees and agents before they are allowed entry into the institution. The contractor, its employees and agents understand and agree that the Department shall complete criminal background records checks at least every five (5) years for the contractor and the contractor's employees and agents that have the potential to have contact with inmates.

2.8.2 The institution shall have the right to deny access into the institution for the contractor and any of the contractor's employees and agents for any reason, at the discretion of the institution.

2.8.3 The contractor, its employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to providing services pursuant to a Department contract. Similarly, contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.

2.8.4 The contractor, its employees and agents shall at all times observe and comply with all applicable state statutes, Department rules, regulations, guidelines, internal management policies and procedures, and general orders of the Department that are applicable, regarding operations and activities in and about all Department property. Furthermore, the contractor, its employees and agents, shall not obstruct the Department or any of its designated officials from performing their duties in response to court orders or in the maintenance of a secure and safe correctional environment. The contractor shall comply with the Department's policies and procedures relating to employee conduct.

- a. The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender, or offender on offender, sexual harassment, sexual assault, sexual abuse and consensual sex.

(1) Any contractor or contractor's employee or agent who witnesses any form of sexual misconduct must immediately report it to the warden of the institution. If a contractor or contractor's employee or agent fails to report or knowingly condones sexual harassment or sexual contact with or between offenders, the Department may cancel the contract, or at the Department's sole discretion, require the contractor to remove the employee/agent from providing services under the contract.

(2) Any contractor or contractor's employee or agent who engages in sexual abuse shall be prohibited from entering the institution and shall be reported to law enforcement agencies and licensing bodies, as appropriate.

2.8.5 The contractor, its employees and agents shall not interact with the offenders except as is necessary to perform the requirements of the contract. The contractor, its employees and agents shall not give anything to nor accept anything from the offenders except in the normal performance of the contract.

2.8.6 If any contractor or contractor's employee or agent is denied access into the institution for any reason or is denied approval to provide service to the Department for any reason stated herein, it shall not relieve the contractor of any requirements of the contract. If the contractor is unable to perform the requirements of the contract for any reason, the contractor shall be considered in breach.

Awards shall be made to the bidder(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the bidder, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.
- e. In the event all bidders fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.
- f. The Department reserves the right to reject any and all bids.
- g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a bidder, from a bidder's references, or from any other source.
- h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- i. Any award of a contract shall be made by notification from the Department to the successful bidder. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.

- l. The Department reserves the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.

- b. A binding contract shall consist of: (1) the IFB and any amendments thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.
- c. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

11. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the IFB.
- d. The Department assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the Department's rejection and shall be returned to the contractor at the contractor's expense.
- e. All invoices for equipment, supplies, and/or services purchased by the Department shall be subject to late payment charges as provided in section 34.055 RSMo.
- f. The Department reserves the right to purchase goods and services using the state purchasing card.

- b. A Missouri Uniformed Law Enforcement System (MULES) background check may be required on the contractor's delivery driver prior to allowing a delivery vehicle entrance to certain institutions. A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.
- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

13. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.

- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The Department's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

14. WARRANTY

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the Department, (2) be fit and sufficient for the purpose expressed in the IFB, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the Department's acceptance of or payment for said equipment, supplies, and/or services.

15. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454 RSMo regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the bid the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

16. CONTRACTOR STATUS

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

17. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the Department of any existing or future right and/or remedy available by law in the event of any claim by the Department of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

18. SEVERABILITY

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

19. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than ten (10) working days from notification, or at a minimum, the contractor must provide the Department within ten (10) working days from notification a written plan detailing how the contractor intends to cure the breach.

- b. If the contractor fails to cure the breach, or if circumstances demand immediate action, the Department will issue a notice of cancellation terminating the contract immediately. If it is determined the Department improperly cancelled the contract, such cancellation shall serve as notice of termination for convenience in accordance with the contract.
- c. If the Department cancels the contract for breach, the Department reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Department deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

20. TERMINATION OF CONTRACT

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

21. ASSIGNMENT OF CONTRACT

- a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

22. COMMUNICATIONS AND NOTICES

- a. Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.
- b. If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.

23. FORCE MAJEURE

- a. The contractor shall not be liable for any excess costs for delayed delivery of goods or services to the Department if the failure to perform the contract arises out of causes beyond the control of, and without the fault or negligence of, the contractor. Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

24. CONTRACT EXTENSION

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

25. INSURANCE

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

26. BANKRUPTCY OR INSOLVENCY

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the Department immediately.
- b. Upon learning of any such actions, the Department reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

27. INVENTIONS, PATENTS AND COPYRIGHTS

- a. The contractor shall defend, protect, and hold harmless the Department, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

29. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:
 1. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
 2. The identification of a person designated to handle affirmative action;

- b. If discrimination by a contractor is found to exist, the Department shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the Department until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

30. AMERICANS WITH DISABILITIES ACT

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

31. FILING AND PAYMENT OF TAXES

- a. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise.
