1. PURPOSE:**1.1 Establishment of Contract**

1.1.1 Establishment of Contract: In accordance with Chapter 34, Section 34.044 of the Revised Statutes of Missouri (RSMo), the State of Missouri, Division of Purchasing and Materials Management desires to enter into a contract with JWC Environmental as a single feasible source for Muffin Monster parts for the Missouri Department of Corrections. The requirements have been posted in accordance with 34.044 RSMo.

2. GENERAL CONTRACTUAL AND PERFORMANCE REQUIREMENTS:**2.1 Contract:**

2.1.1 A binding contract shall consist of: (1) the Single Feasible Source (SFS) document, and any amendments thereto, (2) the contractor's response, (3) clarification of the response, if any, and (4) the Division of Purchasing and Materials Management's acceptance of the response by "notice of award" or by "purchase order". All Exhibits and Attachments included in the SFS shall be incorporated into the contract by reference.

2.1.2 A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.

2.1.3 The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.

2.1.4 Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Division of Purchasing and Materials Management or by a modified purchase order prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

2.2 Contract Period:

2.2.1 The original contract period shall be as stated on page 1 of this document. The contract shall not bind, nor purport to bind, the state for any contractual commitment in excess of the original contract period. The Division of Purchasing and Materials Management shall have the right, at its sole option, to renew the contract for two (2) additional one-year periods, or any portion thereof. In the event the Division of Purchasing and Materials Management exercises such right, all terms and conditions, requirements and specifications of the contract, including the percentage discount, shall remain the same and apply during renewal periods.

2.3 Firm, Fixed Percentage Discount:

2.3.1 The percentage discount shall be as indicated on the Pricing Page. The state shall not pay nor be liable for any other additional costs including but not limited to taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

2.3.2 The percentage discount quoted shall be considered a firm, fixed discount that shall be applied to the current retail price of the parts.

- 2.3.3 The contractor shall not impose a discount "floor" when applying the quoted percentage discount to determine pricing for the item.
- 2.3.4 The contractor shall furnish current price list/catalogs or trade pricing (with products clearly identified) to the state agency upon request. Price list/catalogs or trade pricing shall also be provided to the state agency as the catalogs change and/or pricing is updated.
- 2.3.5 The contractor shall understand in the event that a price list/catalog lists more than one price for the same item, the applicable quoted firm, fixed percentage discount shall be applied to the lowest listed price. The State of Missouri shall always receive the contractor's lowest price for the item.

2.4 Payment Terms:

- 2.4.1 The contractor shall understand and agree the state reserves the right to make contract payments to the contractor through electronic funds transfer (EFT). Therefore, prior to any payments becoming due under the contract, the contractor must return a completed state Vendor ACH/EFT Application, which is downloadable from the Vendor Services Portal at <https://www.vendorservices.mo.gov/vendorservices/Portal/Default.aspx>. Each contractor invoice must be on the contractor's original descriptive business invoice form and must contain a unique invoice number. The invoice number will be listed on the state's EFT addendum record to enable the contractor to properly apply state payments to invoices. The contractor must comply with all other invoicing requirements stated in the contract.
- 2.4.2 The contractor may obtain detailed information for payments issued for the past 24 months from the State of Missouri's central accounting system (SAM II) on the Vendor Services Portal at <https://www.vendorservices.mo.gov/vendorservices/Portal/Default.aspx>.
- 2.4.3 All payment terms shall be as stated in the Terms and Conditions of the contract (see paragraph 2, "Invoicing and Payment") unless otherwise addressed herein, or mutually agreed to by the state and the contractor. Payment terms should be net 30 days unless otherwise stated herein. No late charges shall be applied which are not in compliance with Chapter 34.055 RSMo. This statute may be found at <http://www.moga.mo.gov/STATUTES/STATUTES.HTM>.

2.5 Invoicing Requirements:

- 2.5.1 The contractor shall submit a monthly invoice itemizing services provided as well as the specific purchase order (P.O.) number. Services or goods must be received before payment can be made. The invoice must be submitted to the "bill to" address as specified on the purchase order.

2.6 Auditing:

- 2.6.1 The State of Missouri reserves the right to conduct random spot audits of the contractor's invoices in order to monitor the contractor's pricing to insure that it meets the firm, fixed percentage discount requirements of the contract.

2.7 Insurance:

- 2.7.1 The contractor shall understand and agree that the State of Missouri cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. General and other non-professional liability insurance shall include an endorsement that adds the State of Missouri as an additional insured. Self-insurance coverage or another alternative risk financing mechanism may

be utilized provided that such coverage is verifiable and irrevocably reliable and the State of Missouri is protected as an additional insured.

2.8 Contractor Liability:

2.8.1 The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the State of Missouri, including its agencies, employees, and assignees, from every expense, liability, or payment arising out of such negligent act. The contractor also agrees to hold the State of Missouri, including its agencies, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.

2.8.2 The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, including its agencies, employees, and assignees.

2.9 Coordination:

2.9.1 The contractor shall fully coordinate all contract activities with those activities of the state agency. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the state agency or the Division of Purchasing and Materials Management throughout the effective period of the contract.

2.10 Replacement of Damaged Product:

2.10.1 The contractor shall be responsible for replacing any item received in damaged condition at no cost to the State of Missouri. This includes all shipping costs for returning non-functional items to the contractor for replacement.

2.11 Substitutions:

2.11.1 The contractor shall not substitute any item(s) that has been awarded to the contractor without the prior written approval of the ordering agency.

2.12 Prices Must Be Lowest:

2.12.1 The contractor's prices must be the lowest offered to any governmental or commercial consumer, under the same terms and conditions.

2.13 Business Compliance:

2.13.1 The contractor must be in compliance with the laws regarding conducting business in the State of Missouri. The contractor certifies by signing the signature page of this original document that the contractor and any proposed subcontractors either are presently in compliance with such laws or shall be in compliance with such laws prior to any resulting contract award. The contractor shall provide documentation of compliance upon request by the Division of Purchasing and Materials Management. The compliance to conduct business in the state shall include but may not be limited to:

- Registration of business name (if applicable)
- Certificate of authority to transact business/certificate of good standing (if applicable)
- Taxes (e.g., city/county/state/federal)

- State and local certifications (e.g., professions/occupations/activities)
- Licenses and permits (e.g., city/county license, sales permits)
- Insurance (e.g., worker's compensation/unemployment compensation)

2.14 Delivery Performance:

- 2.14.1 The contractor and/or the contractor's subcontractor(s) shall deliver products in accordance with the contracted delivery times stated herein to the state agency upon receipt of an authorized purchase order or P-card transaction notice. Delivery shall include unloading shipments at the state agency's dock or other designated unloading site as requested by the state agency. All orders must be shipped F.O.B. Destination, Freight Prepaid and Allowed. All orders received on the last day of the contract, must be shipped at the contract price. All deliveries must be coordinated with the state agency.

2.15 Compliance with Terms and Conditions:

- 2.15.1 The contractor's response shall not take exception to or conflict with the mandatory requirements of the SFS (denoted by the words "must" and "shall") including the SFS terms and conditions.
- 2.15.2 The contractor is cautioned that when submitting pre-printed terms and conditions or documentation regarding proprietary information, copyright, usage restrictions, license agreements, etc., to make sure such documents do not contain other terms and conditions which conflict with those of the SFS and its contractual requirements.
- 2.15.3 The contractor's terms and conditions, including any pre-printed documents which must be executed in order to provide the goods/services required in the SFS, must be submitted herein. The contractor shall be required to do one of the following if terms and conditions are submitted: (1) The contractor must clearly state on the first page of each of their terms and conditions documents the following, "In the event of conflict between any of the ("name of company") terms and conditions and those contained in the SFS BIZ15004, the SFS shall govern" or (2) Sign the signature block in **Exhibit A**, entitled "Addendum to the Contractor's Terms and Conditions". Failure to place this statement with the contractor's terms and conditions or not signing **Exhibit A** and/or taking exception to the State's terms and conditions may prohibit the State of Missouri from doing business with the contractor.

2.16 Federal Funds Requirement:

- 2.16.1 The contractor shall understand and agree that this procurement may involve the expenditure of federal funds. Therefore, in accordance with the Departments of Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, Public Law 101-166, Section 511, "Steven's Amendment", the contractor shall not issue any statements, press releases, and other documents describing projects or programs funded in whole or in part with Federal money unless the prior approval of the state agency is obtained and unless they clearly state the following as provided by the state agency:

2.17 Debarment Certification:

from or ineligible for participation under federal assistance programs. The contractor should complete and return the attached certification regarding debarment, etc., **Exhibit B** with their SFS response. This document must be satisfactorily completed prior to award of the contract.

- 2.18.2 If the contractor is found to be in violation of this requirement or the applicable state, federal and local laws and regulations, and if the State of Missouri has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States, the state shall have the right to cancel the contract immediately without penalty or recourse and suspend or debar the contractor from doing business with the state.
- 2.18.3 The contractor shall agree to fully cooperate with any audit or investigation from federal, state, or local law enforcement agencies.

8. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, the state may cancel the contract. At its sole discretion, the state may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at a minimum the contractor must provide the state within 10 working days from notification a written plan detailing how the contractor intends to cure the breach.

If it is determined the DPMI improperly cancelled the contract, such cancellation shall be deemed a termination for convenience in accordance with the contract.
- c.
