1. INTRODUCTION AND GENERAL INFORMATION

1.1 Purpose:

1.1.1 This document constitutes a request for sealed proposals from prospective offerors for the development of a Qualified Vendors List (QVL) for Prison Rape Elimination Act (PREA) Audits for the Department of Corrections in accordance with the requirements and provisions stated herein.

1.1.2 Organization - This document, referred to as a Request for Proposal (RFP), is divided into the following parts:

1) Introduction and General Information
2) Contractual Requirements
3) Proposal Submission Information
4) Exhibits A through C
5) Terms and Conditions

1.2 RFP Questions:

1.2.1 Questions and issues relating to the RFP must be directed to the buyer, Roy Burgess. It is preferred that questions be e-mailed to Roy.Burgess@oa.mo.gov.

1.2.2 All questions and issues should be submitted no later than five calendar days prior to the due date of the proposal. If not received prior to five days before the proposal due date, the Division of Purchasing and Materials Management (DPMM) may not be able to fully research and consider the respective questions or issues.

1.2.3 Amendment to the RFP: Questions and issues necessitating requirement changes or clarifications will result in an amendment to the RFP. As a result, some questions and issues may not result in a direct response to the inquiring vendor. There shall be no posted written records of the questions/communications (i.e. formal question/answer document).

1.3 Offeror's Contacts:

1.3.1 Offerors and their agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the RFP, the evaluation, etc. to the buyer of record indicated on the first page of this RFP. Offerors and their agents may not contact any other state employee regarding any of these matters during the solicitation and evaluation process. Inappropriate contacts are grounds for suspension and/or exclusion from the specific procurements. Offerors and their agents who have questions regarding this matter should contact the buyer of record.

1.4 Background Information:

1.4.1 The Department of Justice adopted national standards to prevent, detect, and respond to prison rape, pursuant to the Prison Rape Elimination Act of 2003 (PREA), 28 C.F.R. Part 115.

1.4.2 All confinement facilities covered under the Prison Rape Elimination Act (PREA) standards must be audited at least every three years to be considered compliant with the PREA standards, with one third of each facility type operated by an agency, or private organization on behalf of an agency, audited each year. These include adult prisons and jails, juvenile facilities, lockups (housing detainees overnight), and community confinement facilities, whether operated by the Department of Justice or unit of a state, local, corporate, or nonprofit authority.

2. CONTRACTUAL REQUIREMENTS

2.1 General Requirements:

2.1.1 The contractor shall understand and agree that the purpose of the contract is to establish a Qualified Vendors List (QVL) for Prison Rape Elimination Act (PREA) facility audits for community supervision centers and community release centers for the Department of Corrections (hereinafter referred to as the state agency). The contractor shall understand and agree that the purpose of the contract is to obtain PREA facility audit(s) on an as needed, when needed basis, and that the contractor shall conduct all contract responsibilities consistent with this purpose.

2.2 Agency Determination for Award:

2.2.1 At the time the state agency determines it needs for a PREA Audit, all qualified vendors will be contacted to quote a guaranteed not-to-exceed price for the state agency's specific purchase. The state agency will choose the "lowest and best" among the qualified vendors at the time each particular PREA Audit purchase is made. **The contractor shall be obligated to quote a price at the time the state agency contacts the contractor for a quote.**

2.2.2 Other factors that affect the determination of the "lowest and best" qualified vendor include consideration of the Blind/Sheltered Workshop Preference and the Missouri Service Disabled Veterans Preference explained in the paragraphs below.

2.3 Preference for Organizations for the Blind and Sheltered Workshops:

2.3.1 Pursuant to section 34.165, RSMo, a ten (10) bonus point preference shall be granted to contractors including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.

2.3.2 In the event the lowest priced contractor does not qualify for the preference but other contractors do at the time the state agency has solicited pricing for the spot purchase, then the following evaluation point formula shall apply to determine cost evaluation points for the specific spot purchase:

Lowest Responsive Contractor's Price / Compared Contractor's Price	x	200 Maximum Cost Evaluation Points	=	Awarded Cost Evaluation Points

2.4 Missouri Service-Disabled Veteran Business Preference:

2.4.1 Pursuant to section 34.074, RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to vendors(s) who qualify as Missouri service-disabled veteran business enterprises.

2.4.2 If the lowest priced vendor qualifies for the preference, or in the event none of the vendors qualify for the preference, no further calculation is necessary.

2.4.3 In the event the lowest priced contractor does not qualify for the preference but other contractors do at the time the state agency has solicited pricing for the spot purchase, then the following evaluation point formula shall apply to determine cost evaluation points for the specific spot purchase:

Lowest Responsive Contractor's Price / Compared Contractor's Price	x	200 Maximum Cost Evaluation Points	=	Awarded Cost Evaluation Points

2.5 Performance Requirements:

2.5.1 Contractor Qualifications - The contractor must be a DOJ-Certified Auditor for community confinement facilities and be listed on the PREA Resource Center website at http://www.prearesourcecenter.org/audit/list-of-certified-auditors.

2.5.2 PREA Facility Audit Requirements - The contractor shall conduct all audits using the National PREA Resource Center audit instrument for community confinement facilities, in accordance with the timeframes established by the state agency.

2.6 Invoicing and Payment Requirements:

2.6.1 Prior to any payments becoming due under the contract, the contractor must return a completed State of Missouri Vendor Input/ACH-EFT Application, which is downloadable from the Vendor Services Portal at: https://www.vendorservices.mo.gov/vendorservices/Portal/Default.aspx.

a. The contractor understands and agrees that the State of Missouri reserves the right to make contract payments through electronic funds transfer (EFT).

b. The contractor must submit invoices on the contractor's original descriptive business invoice form and must use a unique invoice number with each invoice submitted. The unique invoice number will be listed on the State of Missouri's EFT addendum record to enable the contractor to properly apply the state agency's payment to the invoice submitted. The contractor may obtain detailed information for payments issued for the past 24 months from the State of Missouri's central accounting system (SAM II) on the Vendor Services Portal at:
https://www.vendorservices.mo.gov/vendorservices/Portal/Default.aspx

2.7 Other Contractual Requirements:

2.7.1 Contract - A binding contract shall consist of: (1) the RFP, amendments thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) the Division of Purchasing and Materials Management's acceptance of the proposal by "notice of award". All Exhibits and Attachments included in the RFP shall be incorporated into the contract by reference.

a. A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.

b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.

c. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Division of Purchasing and Materials Management prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

2.7.2 Contract Period - The original contract period shall be as stated on the Notice of Award. The contract shall not bind, nor purport to bind, the state for any contractual commitment in excess of the original

contract period. The Division of Purchasing and Materials Management shall have the right, at its sole option, to renew the contract for two (2) additional one-year periods, or any portion thereof.

2.7.3 Termination - The Division of Purchasing and Materials Management reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the State of Missouri pursuant to the contract prior to the effective date of termination.

2.7.4 Contractor Liability - The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the State of Missouri, including its agencies, employees, and assignees, from every expense, liability, or payment arising out of such negligent act.

a. The contractor also agrees to hold the State of Missouri, including its agencies, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.

b. The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, including its agencies, employees, and assignees.

c. Under no circumstances shall the contractor be liable for any of the following: (1) third party claims against the state for losses or damages (other than those listed above); or (2) economic consequential damages (including lost profits or savings) or incidental damages, even if the contractor is informed of their possibility.

2.7.5 Insurance - The contractor shall understand and agree that the State of Missouri cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. General and other non-professional liability insurance shall include an endorsement that adds the State of Missouri as an additional insured. Self-insurance coverage or another alternative risk financing mechanism may be utilized provided that such coverage is verifiable and irrevocably reliable and the State of Missouri is protected as an additional insured.

2.7.6 Subcontractors - Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the State of Missouri and to ensure that the State of Missouri is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the State of Missouri and the contractor.

a. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract.

b. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein.

c. The contractor must obtain the approval of the State of Missouri prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

d. Pursuant to subsection 1 of section 285.530, RSMo, no contractor or subcontractor shall knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the state of Missouri. In accordance with sections 285.525 to 285.550, RSMo, a general contractor or subcontractor of any tier shall not be liable when such contractor or subcontractor contracts with its direct subcontractor who violates subsection 1 of section 285.530, RSMo, if the contract binding the contractor and subcontractor affirmatively states that

1) The direct subcontractor is not knowingly in violation of subsection 1 of section 285.530, RSMo, and shall not henceforth be in such violation.
2) The contractor or subcontractor receives a sworn affidavit under the penalty of perjury attesting to the fact that the direct subcontractor's employees are lawfully present in the United States.

2.7.7 Participation by Other Organizations - The contractor must comply with any Organization for the Blind/Sheltered Workshop and/or Service-Disabled Veteran Business Enterprise (SDVE) participation levels committed to in the contractor's awarded proposal.

a. The contractor shall prepare and submit to the Division of Purchasing and Materials Management a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshops, and/or SDVEs participating in the contract for the reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined by the Division of Purchasing and Materials Management.

b. The Division of Purchasing and Materials Management will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop and SDVE participation levels committed to in the contractor's awarded proposal. If the contractor's payments to the participating entities are less than the amount committed, the state may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Division of Purchasing and Materials Management determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.

c. If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops or other SDVEs to fulfill the participation requirements committed to in the contractor's awarded proposal.

1) The contractor must obtain the written approval of the Division of Purchasing and Materials Management for any new entities. This approval shall not be arbitrarily withheld.

2) If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Division of Purchasing and Materials Management detailing all efforts made to secure a replacement. The Division of Purchasing and Materials Management shall have sole discretion in determining if the actions taken by the contractor constitute a good faith effort to secure the required participation and whether the contract will be amended to change the contractor's participation commitment.

d. No later than 30 days after the effective date of the first renewal period, the contractor must submit an affidavit to the Division of Purchasing and Materials Management. The affidavit must be signed by the director or manager of the participating Organizations for the Blind/Sheltered Workshop verifying provision of products and/or services and compliance of all contractor payments made to the Organizations for the Blind/Sheltered Workshops. The contractor may use the affidavit available

on the Division of Purchasing and Materials Management's website at http://content.oa.mo.gov/sites/default/files/bswaffidavit.doc or another affidavit providing the same information.

2.7.8 Substitution of Personnel - The contractor agrees and understands that the State of Missouri's agreement to the contract is predicated in part on the utilization of the specific key individual(s) and/or personnel qualifications identified in the proposal. Therefore, the contractor agrees that no substitution of such specific key individual(s) and/or personnel qualifications shall be made without the prior written approval of the state agency. The contractor further agrees that any substitution made pursuant to this paragraph must be equal or better than originally proposed and that the state agency's approval of a substitution shall not be construed as an acceptance of the substitution's performance potential. The State of Missouri agrees that an approval of a substitution will not be unreasonably withheld.

2.7.9 Authorized Personnel:

a. The contractor shall only employ personnel authorized to work in the United States in accordance with applicable federal and state laws. This includes but is not limited to the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) and INA Section 274A.

b. If the contractor is found to be in violation of this requirement or the applicable state, federal and local laws and regulations, and if the State of Missouri has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States, the state shall have the right to cancel the contract immediately without penalty or recourse and suspend or debar the contractor from doing business with the state. The state may also withhold up to twenty-five percent of the total amount due to the contractor.

c. The contractor shall agree to fully cooperate with any audit or investigation from federal, state, or local law enforcement agencies.

d. If the contractor meets the definition of a business entity as defined in section 285.525, RSMo, pertaining to section 285.530, RSMo, the contractor shall maintain enrollment and participation in the E-Verify federal work authorization program with respect to the employees hired after enrollment in the program who are proposed to work in connection with the contracted services included herein. If the contractor's business status changes during the life of the contract to become a business entity as defined in section 285.525, RSMo, pertaining to section 285.530, RSMo, then the contractor shall, prior to the performance of any services as a business entity under the contract:

1) Enroll and participate in the E-Verify federal work authorization program with respect to the employees hired after enrollment in the program who are proposed to work in connection with the services required herein; AND
2) Provide to the Division of Purchasing and Materials Management the documentation required in the exhibit titled, Business Entity Certification, Enrollment Documentation, and Affidavit of Work Authorization affirming said company's/individual's enrollment and participation in the E-Verify federal work authorization program; AND
3) Submit to the Division of Purchasing and Materials Management a completed, notarized Affidavit of Work Authorization provided in the exhibit titled, Business Entity Certification, Enrollment Documentation, and Affidavit of Work Authorization.

e. In accordance with subsection 2 of section 285.530, RSMo, the contractor should renew their Affidavit of Work Authorization annually. A valid Affidavit of Work Authorization is necessary to award any new contracts.

2.7.10 Contractor Status - The contractor is an independent contractor and shall not represent the contractor or the contractor's employees to be employees of the State of Missouri or an agency of the State of Missouri. The contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee

fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters.

2.7.11 Coordination - The contractor shall fully coordinate all contract activities with those activities of the state agency. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the state agency or the Division of Purchasing and Materials Management throughout the effective period of the contract.

2.7.12 Property of State - All documents, data, reports, supplies, equipment, and accomplishments prepared, furnished, or completed by the contractor pursuant to the terms of the contract shall become the property of the State of Missouri. Upon expiration, termination, or cancellation of the contract, said items shall become the property of the State of Missouri.

2.7.13 Confidentiality:

a. The contractor shall agree and understand that all discussions with the contractor and all information gained by the contractor as a result of the contractor's performance under the contract shall be confidential and that no reports, documentation, or material prepared as required by the contract shall be released to the public without the prior written consent of the state agency.

b. If required by the state agency, the contractor and any required contractor personnel must sign specific documents regarding confidentiality, security, or other similar documents upon request. Failure of the contractor and any required personnel to sign such documents shall be considered a breach of contract and subject to the cancellation provisions of this document.

2.8 Prison Rape Elimination Act (PREA) Requirements:

2.8.1 All of the contractor's employees and agents providing service in the facility must be at least 18 years of age. A Missouri Uniform Law Enforcement System (MULES) or other background investigation may be required on the contractor's employees and agents before allowing entry into the institution. Such investigation shall be equivalent to investigations required of all personnel employed by the Department. The institution shall have the right to deny access into the institution for any of the contractor's employees or agents for any reason. Such denial shall not relieve the contractor of any requirements of the contract.

2.8.2 Contractor's employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to performing services on a Department contract. Contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.

2.8.3 The contractor, its employees, and others acting under the contractor's control, shall at all times observe and comply with all applicable state statues, Department rules, regulations, guidelines, internal management policy and procedures, and general orders of the Department that are applicable, regarding operations and activities in and about all Department property. Furthermore, the contractor, its agents or employees, shall not obstruct the Department nor any of its designated officials from performing their duties in response to court orders or in the maintenance of a secure and safe correctional environment. The contractor shall comply with the Department's policy and procedures relating to employee conduct.

a. The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender or offender on offender sexual harassment, sexual assault, sexual abusive contact and consensual sex. Any contractor or contractor's employee or agent who witnesses sexual abuse or sexual harassment must immediately report it to the warden. A contractor or contractor's employee or agent who engages in, fails to report, or knowingly condones sexual

harassment or sexual contact with or between offenders shall be grounds for canceling the contract and may subject the contractor or contractor's employee or agent to criminal prosecution.

b. Any contractor, contractor's employee or agent who has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility or other institution shall be denied access into the institution.

2.8.4 The contractor and/or contractor's employees and agents shall not interact with the offenders except as is necessary to perform the requirements of the contract. The contractor and/or contractor's employees and agents shall not give anything to nor accept anything from the offenders except in the normal performance of the contract.

3. OFFEROR'S SUBMISSION INFORMATION

3.1 Submission of Offers:

3.1.1 The offeror's proposal should include an original document, plus one (1) copy.

3.1.2 ELECTRONIC SUBMISSION OF PROPOSALS THROUGH THE ON-LINE BIDDING/VENDOR REGISTRATION SYSTEM WEBSITE IS NOT AVAILABLE FOR THIS RFP.

3.1.3 Open Records: Pursuant to section 610.021, RSMo, the offeror's proposal shall be considered an open record after a contract is executed or all proposals are rejected. The offeror shall not submit the entire proposal as proprietary or confidential. The offeror may submit a part of the proposal as confidential, but only if the proprietary or confidential nature of the material is provided for in section 610.021, RSMo. Proprietary or confidential portions of the offeror's proposal allowed by the statute need to be separated, sealed, and clearly marked as confidential within the offeror's proposal. Also, the offeror should provide adequate explanation of what qualifies the material to be held as confidential pursuant to the provisions of section 610.021, RSMo.

3.2 *Competitive Negotiation of Proposals:*

3.2.1 The offeror is advised that under the provisions of this Request for Proposal, the Division of Purchasing and Materials Management reserves the right to conduct negotiations of the proposals received or to award a contract without negotiations. If such negotiations are conducted, the following conditions shall apply:

a. Negotiations may be conducted in person, in writing, or by telephone.

b. Negotiations will only be conducted with potentially acceptable proposals. The Division of Purchasing and Materials Management reserves the right to limit negotiations to those proposals which received the highest rankings during the initial evaluation phase. All offerors involved in the negotiation process will be invited to submit a best and final offer.

c. Terms, conditions, prices, methodology, or other features of the offeror's proposal may be subject to negotiation and subsequent revision. As part of the negotiations, the offeror may be required to submit supporting financial, pricing and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.

d. The mandatory requirements of the Request for Proposal shall not be negotiable and shall remain unchanged unless the Division of Purchasing and Materials Management determines that a change in such requirements is in the best interest of the State of Missouri.

3.3 Contact:

3.3.1 Any and all communication from offerors regarding specifications, requirements, competitive procurement process, etc. related to the RFP document must be referred to the Buyer of Record identified on the first page of this document. Such communication should be received at least ten calendar days prior to the official proposal opening date.

3.4.1 The offeror must be in compliance with the laws regarding conducting business in the State of Missouri. The offeror certifies by signing the signature page of this original document and any amendment signature page(s) that the offeror and any proposed subcontractors either are presently in compliance with such laws or shall be in compliance with such laws prior to any resulting contract award. The offeror

shall provide documentation of compliance upon request by the Division of Purchasing and Materials Management. The compliance to conduct business in the state shall include but may not be limited to:

a. Registration of business name (if applicable)
b. Certificate of authority to transact business/certificate of good standing (if applicable)

f. Insurance (e.g., worker's compensation/unemployment compensation)

3.5 Compliance with Terms and Conditions:

3.5.1 The offeror is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the RFP and its contractual requirements. The offeror agrees that in the event of conflict between any of the offeror's terms and conditions and those contained in the RFP, that the RFP shall govern. Taking exception to the State's terms and conditions may render an offeror's proposal unacceptable and remove it from consideration for award.

3.5.2 Offerors are cautioned that the State of Missouri will not award a non-compliant proposal and, as a result, any offeror indicating non-compliance with any requirements, terms, conditions and provisions of the RFP will be eliminated from further consideration for award unless the State exercises its sole option to competitively negotiate the respective proposal(s) and the offeror resolves the noncompliant issues.

3.6 Description of Product:

3.6.1 The offeror should present a detailed description of all products and services proposed in the response to this Request for Proposal. It is the offeror's responsibility to make sure all products proposed are adequately described in order to conduct an evaluation of the proposal to insure its compliance with mandatory technical specifications. It should not be assumed that the evaluator has specific knowledge of the products proposed; however, the evaluator does have sufficient technical background to conduct an evaluation when presented complete information.

3.7 Proposal Detail Requirements and Deviations:

3.7.1 It is the offeror's responsibility to submit a proposal that meets all mandatory specifications stated herein. The offeror should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the RFP. Any deviation from a mandatory requirement may render the proposal non-responsive. Any deviation from a desirable specification may be reviewed by the state as to its acceptability and impact on competition.

3.8 Proposal Determination for Award:

3.8.1 The State of Missouri anticipates making multiple contract awards, i.e., more than one award, as a result of this RFP. Each contract established shall be considered part of the Qualified Vendors List which the state agency shall use to solicit pricing at the time of the need for PREA audit(s).

3.8.2 The State of Missouri reserves the right to reject any proposal which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the offeror to meet mandatory general performance specifications; and/or 2) failure of the offeror to meet mandatory technical specifications; and/or 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the offeror within the past three years. As deemed in its best interests, the State of Missouri reserves the right to clarify any and all portions of any offeror's offer.

3.8.3 In the event any potential contractor(s) express interest in being added to the QVL, the State of Missouri reserves the right to add additional contractor(s) that meet the mandatory requirements herein at any point during the term of the contract.

b. To the extent that a provision of the contract is contrary to the Constitution or laws of the State of Missouri or of the United States, the provisions shall be void and unenforceable. However, the balance of the contract shall remain in force between the parties unless terminated by consent of both the contractor and the DPMM.

3. OPEN COMPETITION/REQUEST FOR PROPOSAL DOCUMENT

a. It shall be the offeror's responsibility to ask questions, request changes or clarification, or otherwise advise the DPMM if any language, specifications or requirements of an RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source. Any and all communication from offerors regarding specifications, requirements, competitive proposal process, etc., must be directed to the buyer from the DPMM, unless the RFP specifically refers the offeror to another contact. Such e-mail, fax, or phone communication should be received at least ten calendar days prior to the official proposal opening date.
b. Every attempt shall be made to ensure that the offeror receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all offerors will be advised, via the issuance of an amendment to the RFP, of any relevant or pertinent information related to the procurement. Therefore, offerors are advised that unless specified elsewhere in the RFP, any questions received less than ten calendar days prior to the RFP opening date may not be answered.
c. Offerors are cautioned that the only official position of the State of Missouri is that which is issued by the DPMM in the RFP or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
d. The DPMM monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among offerors, price-fixing by offerors, or any other anticompetitive conduct by offerors which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
e. The RFP is available for viewing and downloading on the state's On-Line Bidding/Vendor Registration System website. Registered offerors are electronically notified of the proposal opportunity based on the information maintained in the State of Missouri's vendor database. If a registered offeror's e-mail address is incorrect, the offeror must update the e-mail address themselves on the state's On-Line Bidding/Vendor Registration System website.
f. The DPMM reserves the right to officially amend or cancel an RFP after issuance. It shall be the sole responsibility of the offeror to monitor the State of Missouri On-Line Bidding/Vendor Registration System website at: https://www.moolb.mo.gov to obtain a copy of the amendment(s). Registered offerors who received e-mail notification of the proposal opportunity when the RFP was established and registered offerors who have responded to the RFP on-line prior to an amendment being issued will receive e-mail notification of the amendment(s). Registered offerors who received e-mail

notification of the proposal opportunity when the RFP was established and registered offerors who have responded to the proposal on-line prior to a cancellation being issued will receive e-mail notification of a cancellation issued prior to the exact closing time and date specified in the RFP.

4. PREPARATION OF PROPOSALS

a. Offerors must examine the entire RFP carefully. Failure to do so shall be at offeror's risk.
b. Unless otherwise specifically stated in the RFP, all specifications and requirements constitute minimum requirements. All proposals must meet or exceed the stated specifications and requirements.
c. Unless otherwise specifically stated in the RFP, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The offeror may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the proposal. In addition, the offeror shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Proposals which do not comply with the requirements and specifications are subject to rejection without clarification.
d. Proposals lacking any indication of intent to offer an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the RFP.
e. In the event that the offeror is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an RFP, such an offeror may submit a proposal which contains a list of statutory limitations and identification of those prohibitive clauses. The offeror should include a complete list of statutory references and citations for each provision of the RFP, which is affected by this paragraph. The statutory limitations and prohibitive clauses may (1) be requested to be clarified in writing by DPMM or (2) be accepted without further clarification if the statutory limitations and prohibitive clauses are deemed acceptable by DPMM. If DPMM determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the RFP.
f. All equipment and supplies offered in a proposal must be new, of current production, and available for marketing by the manufacturer unless the RFP clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
g. Prices shall include all packing, handling and shipping charges FOB destination, freight prepaid and allowed unless otherwise specified in the RFP.
h. Proposals, including all prices therein, shall remain valid for 90 days from proposal opening or Best and Final Offer (BAFO) submission unless otherwise indicated. If the proposal is accepted, the entire proposal, including all prices, shall be firm for the specified contract period.
i. Any foreign offeror not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their proposal in order to be considered for award.

5. SUBMISSION OF PROPOSALS

a. Proposals may be submitted by delivery of a hard copy to the DPMM office. Electronic submission of proposals by registered offerors through the State of Missouri's On-Line Bidding/Vendor Registration System website is not available unless stipulated in the RFP. Delivered proposals must be sealed in an envelope or container, and received in the DPMM office located at 301 West High St, Rm 630 in Jefferson City, MO no later than the exact opening time and date specified in the RFP. All proposals must (1) be submitted by a duly authorized representative of the offeror's organization, (2) contain all information required by the RFP, and (3) be priced as required. Hard copy proposals may be mailed to the DPMM post office box address. However, it shall be the responsibility of the offeror to ensure their proposal is in the DPMM office (address listed above) no later than the exact opening time and date specified in the RFP.
b. The sealed envelope or container containing a proposal should be clearly marked on the outside with (1) the official RFP number and (2) the official opening date and time. Different proposals should not be placed in the same envelope, although copies of the same proposal may be placed in the same envelope.
c. A proposal submitted electronically by a registered offeror may be modified on-line prior to the official opening date and time. A proposal which has been delivered to the DPMM office may be modified by signed, written notice which has been received by the DPMM prior to the official opening date and time specified. A proposal may also be modified in person by the offeror or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to modify a proposal shall not be honored.
d. A proposal submitted electronically by a registered offeror may be canceled on-line prior to the official opening date and time. A proposal which has been delivered to the DPMM office may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by the DPMM prior to the official opening date and time specified. A proposal may also be withdrawn in person by the offeror or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to withdraw a proposal shall not be honored.
e. A proposal may also be withdrawn after the proposal opening through submission of a written request by an authorized representative of the offeror. Justification of withdrawal decision may include a significant error or exposure of proposal information that may cause irreparable harm to the offeror.
f. When submitting a proposal electronically, the registered offeror indicates acceptance of all RFP terms and conditions by clicking on the "Submit" button on the Electronic Bid Response Entry form. Offerors delivering a hard copy proposal to DPMM must sign and return the RFP cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the offeror of all RFP terms and conditions. Failure to do so may result in rejection of the proposal unless the offeror's full compliance with those documents is indicated elsewhere within the offeror's response.
g. Faxed proposals shall not be accepted. However, faxed and e-mail no-bid notifications shall be accepted.

6. PROPOSAL OPENING

a. Proposal openings are public on the opening date and at the opening time specified on the RFP document. Only the names of the respondents shall be read at the proposal opening. All vendors may view the same proposal response information on the state's On-Line Bidding/Vendor Registration System website. The contents of the responses shall not be disclosed at this time.
b. Proposals which are not received in the DPMM office prior to the official opening date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. Late proposals may only be opened under extraordinary circumstances in accordance with 1 CSR 40-1.050.

7. PREFERENCES

a. In the evaluation of proposals, preferences shall be applied in accordance with chapter 34, RSMo, other applicable Missouri statutes, and applicable Executive Orders. Contractors should apply the same preferences in selecting subcontractors.

b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, mined, processed or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.
c. In accordance with Executive Order 05-30, contractors are encouraged to utilize certified minority and women-owned businesses in selecting subcontractors.

8. EVALUATION/AWARD

a. Any clerical error, apparent on its face, may be corrected by the buyer before contract award. Upon discovering an apparent clerical error, the buyer shall contact the offeror and request clarification of the intended proposal. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
b. Any pricing information submitted by an offeror shall be subject to evaluation if deemed by the DPMM to be in the best interest of the State of Missouri.
c. The offeror is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the State of Missouri. However, unless otherwise specified in the RFP, pricing shall be evaluated at the maximum potential financial liability to the State of Missouri.
d. Awards shall be made to the offeror whose proposal (1) complies with all mandatory specifications and requirements of the RFP and (2) is the lowest and best proposal, considering price, responsibility of the offeror, and all other evaluation criteria specified in the RFP and any subsequent negotiations and (3) complies with chapter 34, RSMo, other applicable Missouri statutes, and all applicable Executive Orders.
e. In the event all offerors fail to meet the same mandatory requirement in an RFP, DPMM reserves the right, at its sole discretion, to waive that requirement for all offerors and to proceed with the evaluation. In addition, the DPMM reserves the right to waive any minor irregularity or technicality found in any individual proposal.
f. The DPMM reserves the right to reject any and all proposals.
g. When evaluating a proposal, the State of Missouri reserves the right to consider relevant information and fact, whether gained from a proposal, from an offeror, from offeror's references, or from any other source.
h. Any information submitted with the proposal, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a proposal and the award of a contract.
i. Negotiations may be conducted with those offerors who submit potentially acceptable proposals. Proposal revisions may be permitted for the purpose of obtaining best and final offers. In conducting negotiations, there shall be no disclosure of any information submitted by competing offerors.
j. Any award of a contract shall be made by notification from the DPMM to the successful offeror. The DPMM reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by DPMM based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
k. Pursuant to section 610.021, RSMo, proposals and related documents shall not be available for public review until after a contract is executed or all proposals are rejected.
l. The DPMM posts all proposal results on the On-line Bidding/Vendor Registration System website for all vendors to view for a reasonable period after proposal award and maintains images of all proposal file material for review. Offerors who include an e-mail address with their proposal will be notified of the award results via e-mail.
m. The DPMM reserves the right to request clarification of any portion of the offeror's response in order to verify the intent of the offeror. The offeror is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
n. Any proposal award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
o. The final determination of contract(s) award shall be made by DPMM.

9. CONTRACT/PURCHASE ORDER

a. By submitting a proposal, the offeror agrees to furnish any and all equipment, supplies and/or services specified in the RFP, at the prices quoted, pursuant to all requirements and specifications contained therein.
b. A binding contract shall consist of: (1) the RFP, amendments thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) DPMM's acceptance of the proposal by "notice of award" or by "purchase order." All Exhibits and Attachments included in the RFP shall be incorporated into the contract by reference.
c. A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.
d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the DPMM or by a modified purchase order prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

10. INVOICING AND PAYMENT

a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
b. The statewide financial management system has been designed to capture certain receipt and payment information. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
c. The contractor shall not transfer any interest in the contract, whether by assignment or otherwise, without the prior written consent of the DPMM.
d. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the RFP.
e. The State of Missouri assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the state's rejection and shall be returned at the contractor's expense.
f. All invoices for equipment, supplies, and/or services purchased by the State of Missouri shall be subject to late payment charges as provided in section 34.055, RSMo.
g. The State of Missouri reserves the right to purchase goods and services using the state purchasing card.

11. DELIVERY

Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time, if a specific time is not stated.

12. INSPECTION AND ACCEPTANCE

a. No equipment, supplies, and/or services received by an agency of the state pursuant to a contract shall be deemed accepted until the agency has had reasonable opportunity to inspect said equipment, supplies, and/or services.
b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.
c. The State of Missouri reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
d. The State of Missouri's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

13. WARRANTY

a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the DPMM, (2) be fit and sufficient for the purpose expressed in the RFP, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the state's acceptance of or payment for said equipment, supplies, and/or services.

14. CONFLICT OF INTEREST

a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454, RSMo, regarding conflict of interest.
b. The contractor hereby covenants that at the time of the submission of the proposal the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

15. REMEDIES AND RIGHTS

a. No provision in the contract shall be construed, expressly or implied, as a waiver by the State of Missouri of any existing or future right and/or remedy available by law in the event of any claim by the State of Missouri of the contractor's default or breach of contract.
b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the State of Missouri of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the State of Missouri.

16. CANCELLATION OF CONTRACT

a. In the event of material breach of the contractual obligations by the contractor, the DPMM may cancel the contract. At its sole discretion, the DPMM may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at a minimum the contractor must provide DPMM within 10 working days from notification a written plan detailing how the contractor intends to cure the breach.
b. If the contractor fails to cure the breach or if circumstances demand immediate action, the DPMM will issue a notice of cancellation terminating the contract immediately. If it is determined the DPMM improperly cancelled the contract, such cancellation shall be deemed a termination for convenience in accordance with the contract.
c. If the DPMM cancels the contract for breach, the DPMM reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the DPMM deems appropriate and charge the contractor for any additional costs incurred thereby.
d. The contractor understands and agrees that funds required to fund the contract must be appropriated by the General Assembly of the State of Missouri for each fiscal year included within the contract period. The contract shall not be binding upon the state for any period in which funds have not been appropriated, and the state shall not be liable for any costs associated with termination caused by lack of appropriations.

17. COMMUNICATIONS AND NOTICES

Any notice to the offeror/contractor shall be deemed sufficient when deposited in the United States mail postage prepaid, transmitted by facsimile, transmitted by e-mail or hand-carried and presented to an authorized employee of the offeror/contractor.

18. BANKRUPTCY OR INSOLVENCY

a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the DPMM immediately.
b. Upon learning of any such actions, the DPMM reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

19. INVENTIONS, PATENTS AND COPYRIGHTS

The contractor shall defend, protect, and hold harmless the State of Missouri, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

20. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:

a. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
b. The identification of a person designated to handle affirmative action;
c. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
d. The exclusion of discrimination from all collective bargaining agreements; and
e. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.

If discrimination by a contractor is found to exist, the DPMM shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the DPMM until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

21. AMERICANS WITH DISABILITIES ACT

In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

22. FILING AND PAYMENT OF TAXES

The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. Therefore offeror's failure to maintain compliance with chapter 144, RSMo, may eliminate their proposal from consideration for award.
