## ABSTRACT

Creating a “seamless transition from prison to community” has become the gold standard and ideal for reentry work nationwide. **The Comprehensive Housing Program** will establish, and/or secure safe and stable housing for people recently released from prison and those under the supervision of Missouri Division of Probation and Parole (including sex offenders) while connecting them to community supports and resources to reduce the likelihood they will re-offend. Participants will receive case management support from the Reentry Specialist hired specifically for this purpose. Specifically offenders can access shorter term transitional housing for 6-8 months to stabilize. Additional funding is included to provide permanent housing options for sex offenders. Furniture allotments are also provided to ensure housing is functional.

*Studies have shown that the first month after release is a vulnerable period “during which the risk of becoming homeless and/or returning to criminal justice involvement is high.” Yet, in most jurisdictions to which individuals return after incarceration, accessible and affordable housing is in exceedingly short supply.*

## PROGRAM DESIGN AND IMPLEMENTATION

- Identify whether an existing program or service procedure is to be continued or replicated.

In2Action presently provides comprehensive transitional housing and sex offender housing services. This is a needed service in the community which needs to be continued. This is an existing program.

- Describe how the services will be provided, including screening, assessment or referral procedures.

The Comprehensive Housing Program will provide a combination of risk-reducing, evidence-based, and effective services to returning offenders (including sex-offenders) which include either establishing new housing or maintaining existing housing. Assessment: All offenders will receive a Housing Assessment prior to the

## Comprehensive Housing Program – In2Action

disbursement of any funding other than transitional housing. The purpose of the Housing Assessment is to identify the specific and individual housing need of each potential participant. Housing options include both independent and transition housing. **Transitional housing** (sex offenders included) will be provided at In2Action as well as other transitional options in Columbia, MO however beds are very limited. When a bed is available, In2Action staff notifies a list of referral sources which includes field parole officers, Phoenix Health Programs, and Reality House community corrections facility. Because the housing need is so great it is not expected referrals will be a problem, however if additional referrals are needed, the state approved sex offender treatment provider (Fred Dudenhoeffer) will be notified and posters hung at the local P&P office. Once referred, In2Action staff will then set up a phone screen with the offender to determine appropriateness for transitional housing. Screening (usually over the phone) entails the potential participant understanding and agreeing to the structure and goals of the In2Action program. The transitional housing provides integrated case management in a safe and drug free environment so offenders can safely ease their way back into the community. During the first week participants obtain their State ID, Social Security Card and Birth Certificate (out-of-state takes longer), food, clothing, medication and other emergency needs. They sign up for food-stamps if eligible, they apply to Family Health Center for future medical services, and make appointments with substance abuse, mental health, and other service providers as appropriate. Structure in the house includes mandatory curfew's and no overnight passes, mandatory weekly house meetings, chores, and morning group devotion six times a week. In2Action provides internet & house computer, phone (including long distance), cable, all cleaning supplies and paper products, and washer and dryer. Residents share bedrooms with one roommate. All residents are randomly drug-tested, are required to comply with all conditions of supervision, and sign releases of information for P&P and other appropriate service providers. Housing deposits are \$250 and help to offset costs of wear and tear, property damage, and missed rent. Rent for residents is \$70/week. **Independent housing (Sex Offenders Only)** includes both the acquisition of new housing as well as the prevention of homelessness. P&P District 6 Administrator has identified sex offenders at Reality House a top priority. Upon award, the Reentry Specialist will immediately begin

## Comprehensive Housing Program – In2Action

to interview and assess sex offenders at the Reality House as well as engage property owners to identify potential properties. Referrals: Our referral network including field parole officers, Reality House, and Phoenix Health Programs will be notified of the new housing funding available. It is expected we will run out of money before we run out of people, however, if we do need additional referrals we will utilize existing relationships with the state approved sex offender treatment provider Fred Dudenhoeffer as well as hang posters at the local P&P office. Screening: Upon receiving a referral, the Reentry Specialist will schedule a meeting with the offender within one week. The initial screening process (usually over the phone) will confirm the offenders housing need and that they are indeed under supervision of the state of Missouri and also required to register as a sex offender.

*Helping people released from prisons or jails to find safe places to live is critical to reducing homelessness and recidivism and to ensuring stable housing situations for the children, families, and communities. Research has shown that people who do not find stable housing in the community are more likely to recidivate than those who do.*

Justice Center: <http://csgjusticecenter.org/reentry/issue-areas/housing/>

- Describe the amount (i.e., hours, days) of contact that each offender will receive from each type of anticipated service

The Comprehensive Housing Program will provide 1) Housing Assessments; 2) Independent Housing Deposit and Rent Subsidies for sex offenders; 3) Transitional Housing Deposits and Rent and; 4) Basic Housing Needs Support. The **housing assessments** will be provided to ten offenders and take two hours. While it is expected each offender will need just one assessment session, if housing is not established within 30 days of the assessment a one hour follow-up assessment will be conducted to update information. **Independent housing deposits and rent subsidies for sex offenders** will be distributed directly to property owners for 3 sex offenders. Prior to disbursement each offender will meet with the Reentry Specialist for a one hour session to discuss maintaining and sustaining housing and to collect necessary information for grant tracking. The Reentry Specialist will work closely with the offender, their PO, and other providers in the community to ensure they are connected to

## Comprehensive Housing Program – In2Action

appropriate resources and are able to navigate through the various bureaucracies. **Transitional housing rent and deposit** payments will be made directly to the transitional housing program for 12 offenders. Each offender receiving transitional housing support will meet with the Reentry Specialist for at least one hour to discuss the transitional housing expectations and to collect data for grant reporting requirements. While the length of stay varies, the average offender will stay at the transition house for 6-8 months. **Basic Housing Needs** will be provided to 6 offenders who do not have the basics previously described. The Reentry Specialist will meet with the offender for at least one hour to discuss the needs and the most efficient and cost-effective way to meet the need.

- Describe the target audience that will receive the services, how the target audience will be verified and identify the process for referrals.

The proposed program will serve 25 adult men all of which are residing in the Columbia/Boone County area and under the active supervision of Missouri Department of Corrections District-6 Division of Probation and Parole including sex offenders. Prior to receiving services, all participants will be verified through the DOC website or their P&P Officer via email or phone contact. Referral process: Offenders will be referred either through phone or email. Referral sources such as District 6 P&P officers, Reality House, and Phoenix Health Programs will be notified upon receipt of award to ensure potential referrals can be notified of services now available. Once a referral is received, the Reentry Specialist will contact the offender within one week. Because this proposal seeks funding for only those services in high demand, it is not expected we will lack referrals. In the case we do need additional referrals marketing posters will be posted at the P&P Office and the District Administrator notified of our need for more referrals.

## PREFERENCE POINTS

- Service Supported Housing (5 Points) – in2Action will work closely with P&P to provide needed case management and referral services to those we serve who are receiving housing support.
- Service Supported Housing for Sex Offenders (5 Points) – in2Action will provide service supported housing to at least three sex offenders.

### How In2Action Incorporates Evidence Based Principles

1. Assess Actuarial Risk/Needs: Housing Assessment will identify housing needs.
2. Enhance Intrinsic Motivation: In2Action utilizes motivational interviewing and non-grant funded incentives.
3. Target Intervention: Targeting safe affordable housing can directly address certain criminogenic needs such as substance use, family dysfunction, and proximity to antisocial friends.
4. Skill Train with Directed Practice: Reentry Specialist will “show” participants how to prepare to, and meet their own needs, especially as it relates to housing.
5. Increase Positive Reinforcement: in2Action provides solution-focused interventions from a strength-based perspective.
6. Engage Ongoing Support in Natural Communities: Staff/Volunteer/Mentors connect offenders to supports and resources in the larger community.
7. Measure Relevant Processes/Practices: Work closely with Emily Johnson at the University to ensure proper tracking and measurement of useful performance measures.
8. Provide Measurement Feedback: In2Action utilizes internal data to guide program improvement.

## EXPERIENCE AND EXPERTISE

The purpose of In2Action is to provide those who have been incarcerated, or at risk of incarceration with the physical, social, emotional, and spiritual support needed to lead productive and purposeful lives. Organizational priorities are centered on reducing recidivism and improving public safety. In2Action is the only agency in central Missouri with the **single purpose** of helping those who have been incarcerated or those who are at risk of incarceration and to help them permanently transition into law-abiding and productive citizens.

## Comprehensive Housing Program – In2Action

- Applicants should describe past working relationships with Probation and Parole in detail and identify contacts if applicable, with Probation and Parole. The contacts name and telephone should be included.

**Relationship with Probation and Parole:** In2Action has a long-standing working relationship with District-6 Probation and Parole and the Boone County Offender Transition Network (BCOTN) local MRP Team. In2Action Director Dan Hanneken has had a working relationship with Mike Webber, Dana Thompson, and Lori Zuroweste, the three previous District 6 Administrators over the past ten years. In 2010 Hanneken worked closely with Thompson (573.999.3927) on a SAMSHA reentry grant for the Columbia area worth \$250K. Hanneken continues to work with the present DA, Vicki Fessler (573.441.6386). For example, when in2Action was awarded funding from the most recent reentry awards, Vicki arranged a meeting on 4-23-15 between Hanneken, herself, several P&P officers and unit supervisors to begin immediately providing services. Hanneken then met with the Reality House PO the following Monday. Because in2Action serves sex offenders, the agency has a particularly close relationship (since 2012) with Mary Groves (573.441.6389) and Nikki Wideman (573.441.5865) who are the local parole officers assigned to sex offenders. Hanneken works closely with Groves and Wideman to maximize resources and provide effective services that really will reduce the likelihood one would reoffend. Derek Davidson (573.441.6383) represents another close relationship with in2Action. Mr. Davidson is assigned the Reality House caseload. Reality House contracts with the state to provide temporary housing to released offenders with no home plan. Because in2Action provides transitional housing, including sex offenders, we often receive referrals from Derek Davidson. Hanneken has also been an active member of the Boone County Offender Transition Network (BCOTN) for the past ten years sharing leadership roles with P&P for several of these years. From January 2104 until present Hanneken has co- chaired the local MRP reentry team (BCOTN) with Kristi Lockwood (573.441.5863), a Unit Supervisor here in Columbia. Mr. Hanneken worked closely with Ms. Lockwood to provide a BCOTN mini-summit on 5-21-15 in which the Sheriff's Department presented on sex offender housing. Aside from the ongoing relationships mentioned above, in2Action initiates relations with each of our residents individual P&P Officers. An email contact is made upon admission to in2Action, and then officers are updated as needed

## Comprehensive Housing Program – In2Action

throughout the process. For example, on June 21<sup>st</sup> of this year, after staying out all night, a resident Justin Garnica returned to the transition house to retrieve his belongings. Mr. Garnica appeared to be under the influence of something and created such a disturbance the police had to be called. This happened on a Sunday. When his PO Gary Baker (573.441.5862) arrived at work on Monday morning he had an email from in2Action in his inbox providing details on the incident. Each resident signs an Authorization to Release Information upon admission (hence the information provided here) which results in the officer being notified immediately about relapse and discharge from the program. This allows the P&P Officers to quickly and effectively intervene when problems arise and protect public safety.

**Capabilities and Capacity:** In2Action Director, Dan Hanneken has written, implemented, and managed local, state, and federal reentry grant funding totaling over \$3 Million. In2Action specifically has received six community reentry funding contracts all of which surpassed the projected performance measures and outcomes. Please refer to Exhibit A, and resume on Dan Hanneken for details.

- *The applicant should demonstrate experience with the target population as it relates to the organization, employee's providing services and any partners or subcontractors in providing services.*

**Agency Experience with Target Population:** In2Action began in 2007 as a prison ministry of The Crossing Church in Columbia, MO. While the ministry did go into prison (and still does) the priority was always post release. The focus was to help returning offenders regardless of their religious convictions. Over 15 volunteers with the ministry developed relationships with stakeholders in the community including LoveINC, Phoenix Health Programs, the Career Center, Jobpoint, the Columbia Housing Authority, and District-6 Probation and Parole to serve over one thousand offenders by providing various case management services. Through these relationships offenders were identified who needed rental support, ID's, medications, transportation, and numerous other resources and supports. Perhaps one of the most prevalent needs was that of affordable, safe, drug free housing.

**Current Efforts:** Beginning in 2012 in2Action began providing comprehensive transitional housing services. The Sylvan Transition House has nine beds and is centrally located in a residential neighborhood within walking

## Comprehensive Housing Program – In2Action

distance of the bus stop, Jobpoint, the Central Missouri Food Bank, and District-6 Probation and Parole. Once admitted into the program, residents are asked about immediate needs. Issues such as food, clothing, medications, substance abuse and mental health referrals, and entitlement applications are all addressed during the first week. After immediate needs are met, residents are provided support for longer term goals such as employment, family re-unification, education, and permanent housing. The house has two floors which represent a two-phase system. Phase one residents are upstairs and have more structure than the residents downstairs who are in phase two and have demonstrated greater stability. In2Action from the beginning has worked hard to make in2Action accessible to any offender, regardless of ability to pay. Community reentry funding has come to the rescue for more than a couple offenders who were indeed in need of our services, and who as a result, continue to do well in the community. Dan Hanneken serves as a full time onsite Director with his office at the house. He is available on call 24 hours a day. In2Action additionally employs a full time Reentry Specialist who provides much of the case management and housing services from current community reentry contracts which expire June 30<sup>th</sup>, 2015. Requested funding will not supplant existing funding. In2Action has designated up to three transition beds specifically for sex-offenders. Residents meet with staff at least bi-weekly and are all randomly drug tested. Hanneken and in2Action have served over 1000 offenders since its beginning at The Crossing Church in 2007.

**In2Action has never had a cancelled contract or legal action against.**

**Staff Experience:** \*Dan Hanneken (LCSW) is Director of In2Action and after graduating with his Masters in Social Work, was employed at Phoenix Programs as a substance abuse counselor before his promotion to Court Services Supervisor where he developed offender specific programs and generated offender specific funding. Hanneken then worked for the Department of Corrections as a Reentry Coordinator in Central Office. While at DOC, Mr. Hanneken was tasked with the oversight of reentry efforts across the state and the creation and development of two federally funded Second Chance Act grant projects. Mr. Hanneken has extensive experience with the development, implementation, oversight, and administration of grant funded work. In 2013 Hanneken

## Comprehensive Housing Program – In2Action

completed Sex Offender Supervision Training (see attached certificate). Mr. Hanneken is a published author and experienced presenter on reentry issues including Evidence-Based Practice in Community Corrections. In fact, as an adjunct professor at the University of Missouri-Columbia, Mr. Hanneken teaches evidence based practice to future clinical professionals in the MU School of Social Work Master's Degree Program. Hanneken also serves as a peer reviewer for the U.S. Department of Justice on Second Chance Act Grant applications which provides additional evidence of his expertise on offender issues. Most recently Hanneken was commissioned as a member of the Mayor's Task Force on Community Violence in Columbia, MO. Hanneken was responsible for the creation of the Ban-the Box policy now in effect in Columbia.

\*Greg Early serves as the Reentry Specialist. Greg has a Master's Degree in Education and served as the Principal for Kemper Military Academy for almost 15 years which has translated well into his new role. Mr. Early has been a volunteer for in2Action for about ten years and has demonstrated a genuine ability to engage offenders in a manner that builds the trust required to be able to effectively confront negative behaviors.

\*Volunteers and mentors will continue to be utilized in various roles. All In2Action residents are expected to have mentors which report to In2Action staff. Mentors help participants by providing transportation to needed appointments, teaching participants how to use email, and facilitating recreational activities for offenders to name a few. Volunteer/mentors are matched to individual offenders based on the skill sets and interests of the volunteer and the needs of the specific offender. Because the proposed funding will serve offenders who are not in the residential in2Action program, volunteers and mentors will be re-trained to accommodate this provision.

Volunteers having direct contact with offenders on this project will not have criminal records or they will receive prior approval from the District-6 P&P District Administrator. Hanneken is responsible for training all staff and volunteers which includes providing information on Motivational Interviewing and other evidence-based strategies.

**Partners or subcontractors in providing services:** No subcontractors will be used however in2Action will partner with various agencies. The Boone County Sheriff's Department will play a critical role regarding housing sex offenders. In2Action has a working relationship with Deputy Jessica Phillips (573.875.1111 ext. 6112) who

## Comprehensive Housing Program – In2Action

quickly approves or disapproves proposed addresses for sex offenders. In2Action will also partner with Probation and Parole to identify offenders with the greatest need. Finally, in2Action continue to actively engage local property managers and landlords for the purpose of increasing housing opportunities for those who must register.

### **Multiple Proposals:**

In2Action has submitted multiple applications. The Comprehensive Housing Program application is separate, distinct, and can operate independent from the other applications. Missouri data however indicates the more different services an offender accesses, the more likely they are to succeed. This application does complement In2Action's New Housing, Gap-Centered Case Management, and Transitional Employment Program proposals by connecting offenders to the ancillary supports needed for transition. There is no magic wand; the best solution is a comprehensive approach. While this application is expected to reduce recidivism on its own, when combined with other In2Action proposals, the benefit will go up exponentially.

*While providing housing for offenders is an expensive endeavor, the return will outweigh the costs when these individuals cease from victimizing our community and transition into law abiding and productive citizens and neighbors.*

# CITY OF COLUMBIA, MISSOURI

OFFICE OF CITY MANAGER

Dear Selection Committee:

I, Laura Nauser, offer this letter of support for Mr. Dan Hanneken and in2Action. As the current representative of the 5<sup>th</sup> Ward for the City of Columbia City Council and past co-chair of the Mayor's Task Force on Community Violence, I am acutely aware and concerned about the crime and safety in our community.

As co-chair of the Mayor's Task Force on Community Violence I was introduced to Mr. Hanneken and the in2Action program. During that time I was educated on their efforts to work with our returning offenders and provide them with support and resources that are desperately needed to permanently transition into productive and law abiding citizens and neighbors.

When released, it is of paramount importance that offenders receive the support and recourses needed to thrive in our community. As such, in2Action provides released offenders, including sex offenders, much needed transitional housing that provides an atmosphere that is conducive to a smooth reentry into the Columbia/Boone County community. In conjunction with full-time employment, a predictor of success is a safe, affordable, and drug free lifestyle. In2Action provides this environment through their transitional housing program. One of the best things about this program is that it is not just a place where past offenders are housed; it is their home while they learn tools for a successful reentry in our community and neighborhoods. Residents share a bedroom with one other person, cook and clean for themselves, and have phone, cable, and internet access. These individuals create relationships and build trust through participating in the transitional housing program through in2Action.

The work done by Mr. Hanneken and in2Action helps to alleviate crime and victimization within our community, especially when released offenders have the maximum support and resources needed to thrive. We are only as strong as our weakest members, as such; the Columbia/Boone County community needs the continuation of the programs provided by in2Action. I strongly support in2Action's application for funding, as it will help to solidify the sustainability of programs such as the one I've described above; programs that value the potential of each member of our community.

Thank you for your time and consideration,

Laura Nauser  
Fifth Ward  
City Council

# The crossing

A church that moves your heart and mind

July 23, 2015

Dear Review Committee,

The Crossing recognizes the desperate need our community has for safe and affordable housing for recently released offenders. It makes sense when these people do not have a place to live they are more likely to commit more crimes and victimize more people. The Crossing is pleased to partner with in2Action as they strive to provide more and more housing options for people released from prison.

We also recognize simply putting a roof over the head of an offender is not likely to change their lifestyle. In2Action does not only provide transitional housing but provides comprehensive and research-driven support which can be expected to lead to lasting change.

The Crossing would like to support the in2Action housing proposals because we believe the work they are doing is effective, and it is good for both those they serve, and the community at large.

Sincerely,

Shay Roush  
Pastor, The Crossing

OFFICE OF MAYOR AND COUNCIL

June 24, 2015

Department of Corrections,

My name is Michael Trapp and I represent the 2nd Ward of the City of Columbia. As a City Council Representative and a concerned citizen, I care deeply about crime in our community as well as the support provided to returning offenders so they do not revert to criminal activity upon their return home.

In2Action was created specifically to support the successful transition of returning prisoners. I have worked closely with in2Action since its inception in 2011 and they have proven to be a real asset in our community. They are able to utilize best practices in practical ways to achieve measurable outcomes. Both housing and case management are critical pieces of the transition process and no one in our community does a better job with this population than in2Action.

I fully support the efforts of in2Action as they seek external funding to reduce the likelihood our returning offenders will reoffend. Any programs which help our citizens and reduce crime and victimization will benefit our community as a whole. I look forward to our continued work together as we strive to make Columbia a better place to live, work, and visit.

Sincerely,

Michael Trapp

# REALITY HOUSE PROGRAMS, INC.

Selection Team,

My name is Robert Harrison and I am the Executive Director of Reality House Programs, a community correctional center in Columbia, Mo that provides comprehensive transition services to justice involved individuals. We serve many offenders returning from prison, including sex offenders who have no other place to go.

I would like to express my support for In2Action and their New Housing as well as Comprehensive Housing Programs. In2Action has partnered with Reality House for years, providing that "next step" for many of our residents. Specifically In2Action has made sex offenders at the Reality House a priority for services. Because placing sex offenders is such a challenge, it is a real asset to have In2Action in our community to work with us to place these individuals.

The combined pending proposals will add up to four new sex offender beds while providing sustainability for the two existing sex offender beds. We are excited to support this effort as this resource will help to move sex offenders through Reality House quicker.

Because In2Action provides not just affordable housing, but supportive housing, we know people who receive help from In2Action will be provided the greatest opportunity to succeed. Thank you in advance for considering the In2Action proposals as we strive together to improve public safety and reduce victimization through the successful reintegration of returning offenders.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "Robert Harrison Sr.", is written over the typed name and title.

**BUDGET NARRATIVE**  
**Comprehensive Housing Program**

**Applicant must provide justification and detailed description of all budget items listed in Exhibit E. NOTE: All expenses must be reasonable and necessary.**

**A. Personnel (\$16,770)** Funds to be expended throughout contract cycle.

Greg Early - Reentry Specialist (0.50FTE) (\$16,770) – This expenditure is required to ensure residents are appropriately assessed and provided access to safe and sustainable housing. Mr. Early will work closely with the offenders PO to ensure proper referrals and services are provided so housing can be sustained. The Reentry Specialist will also ensure all funding is expended on time and utilized effectively and that the residents have needed transportation. Greg Early is an experienced professional with a Masters Degree who will spend time engaging and teaching clients to live independently and access resources so they have the best opportunity to succeed. Similar qualifications in the Columbia, MO are worth up to \$40K per year. The cost is calculated at 50% of \$33,500/year for three months or **\$645/week x 52 weeks x 0.50FTE = \$16,770**

**B. Fringe Benefits (\$2,012)** Funds will be expended bi-weekly throughout funding cycle

Reentry Specialist Fringe - This expenditure is required to help offset costs of fringe including state and federal taxes along with Workman's Compensation Insurance. The cost is calculated at **\$16,770 x 0.12 = \$2,012.**

**C. Staff Travel (In-Kind)**

**D. Direct Services to the Offenders (\$31,140)** Funds to be expended throughout contract cycle and before deadline.

Sex Offender Deposit/Rent Subsidies (\$3,000) – This expenditure is required to provide safe and affordable housing to sex offenders. In2Action will serve *at least* three different indigent sex offenders. Specifically funding will be utilized to either prevent sex offenders from becoming homeless, or to establish housing for already homeless sex offenders, including those at the Reality House. This is a desperate need and the Reentry Specialist will be responsible to work closely with offenders and DOC staff to address this need. The nature of the individual need for each specific offender makes it impossible to calculate exact costs. Based on years of experience however, it is reasonable to calculate the costs at **\$1,000 (average) x 3 sex offenders = \$3,000.**

Offender Transitional Rent Subsidies (\$21,840) - This expenditure is required to provide safe and affordable transitional housing to offenders, including sex offenders. In2Action will serve at least twelve different offenders. Rent includes bedding, all house cleaning supplies, TV, phone with free long distance, and internet. Residents also enjoy one refrigerator for every two people and plenty of storage space. The house is spacious and located less than 50 yards from the bus stop. The house is designated a "Group Home" with the City of Columbia. The safe, sober, and structured living environment is expected to reduce the risk residents will reoffend. The six beds will provide support for at least twelve offenders for 52 weeks. The cost is calculated at **\$70/week x 6 beds x 52 weeks = \$21,840.**

Offender Transitional Housing Deposits (\$3,000) – This expenditure is required to cover incidental costs such as wear and tear on house equipment and furnishings, damage done to the premises, and items which come up missing. The costs is calculated at **12 offenders x \$250/deposit = \$3,000.**

Housing Assessments (\$1,500) – This expenditure is required to accurately assess the exact need for offenders to ensure housing is legal, affordable, and sustainable. How close one lives to work and social services, sex offender status, income, accessibility issues, and credit and rental history are examples of the information collected on the assessment, and needed to ensure the housing provided is appropriate. The Reentry Specialist will provide the assessment to ten offenders and then evaluate the results. The cost is calculated at **\$150/Assessment x 10 Offenders = \$1,500**

*\*\*\*Assessing offenders in a reliable and valid manner is a prerequisite for the effective management (i.e., supervision and treatment) of offenders. (U.S Department of Justice: <http://static.nicic.gov/Library/024107.pdf>)*

Basic Housing Needs (\$1,8000) – This expenditure is required to ensure once housing is established, offenders have the basic essentials to make their home functional. Items such as furniture, kitchenware, cleaning supplies, and bedding are examples of Basic Housing Needs. Electronics such as video games, computers, and TV's will **NOT** be considered. Because these needs vary among each individual, it is not possible to identify exactly what each person will need. The cost is calculated **\$300 (average) x 6 Offenders = \$1,800**

#### **E. Equipment/Supplies (\$0.00)**

#### Budget Justification (Local Columbia/Boone County Conditions)

About 56 offenders are under the supervision of the Department of Corrections and required to register as sex offenders in District 6 of Probation and Parole not including those still needing assessments who may require treatment. Sixteen of these offenders presently stay at the Reality House meaning they need a place to live. Data provided by District 6 Probation and Parole. (DOC, June 2015).

**The City of Columbia 2015-2019 Consolidated Plan identified offender housing as a TOP priority.**

The community reentry funding requested through this application is all necessary and reasonable and will NOT supplant any existing funding.

## THE E-VERIFY PROGRAM FOR EMPLOYMENT VERIFICATION MEMORANDUM OF UNDERSTANDING

### ARTICLE I

#### PURPOSE AND AUTHORITY

This Memorandum of Understanding (MOU) sets forth the points of agreement between the Department of Homeland Security (DHS) and **In2Action** (Employer) regarding the Employer's participation in the Employment Eligibility Verification Program (E-Verify). This MOU explains certain features of the E-Verify program and enumerates specific responsibilities of DHS, the Social Security Administration (SSA), and the Employer. E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of the Employment Eligibility Verification Form (Form I-9). For covered government contractors, E-Verify is used to verify the employment eligibility of all newly hired employees and all existing employees assigned to Federal contracts or to verify the entire workforce if the contractor so chooses.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). Authority for use of the E-Verify program by Federal contractors and subcontractors covered by the terms of Subpart 22.18, "Employment Eligibility Verification", of the Federal Acquisition Regulation (FAR) (hereinafter referred to in this MOU as a "Federal contractor with the FAR E-Verify clause") to verify the employment eligibility of certain employees working on Federal contracts is also found in Subpart 22.18 and in Executive Order 12989, as amended.

### ARTICLE II

#### FUNCTIONS TO BE PERFORMED

##### A. RESPONSIBILITIES OF SSA

1. SSA agrees to provide the Employer with available information that allows the Employer to confirm the accuracy of Social Security Numbers provided by all employees verified under this MOU and the employment authorization of U.S. citizens.
2. SSA agrees to provide to the Employer appropriate assistance with operational problems that may arise during the Employer's participation in the E-Verify program. SSA agrees to provide the Employer with names, titles, addresses, and telephone numbers of SSA representatives to be contacted during the E-Verify process.
3. SSA agrees to safeguard the information provided by the Employer through the E-Verify program procedures, and to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security Numbers and for evaluation of the E-Verify program or such other persons or entities who may be authorized by SSA as governed

**Company ID Number: 613428**

by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

4. SSA agrees to provide a means of automated verification that is designed (in conjunction with DHS's automated system if necessary) to provide confirmation or tentative nonconfirmation of U.S. citizens' employment eligibility within 3 Federal Government work days of the initial inquiry.

5. SSA agrees to provide a means of secondary verification (including updating SSA records as may be necessary) for employees who contest SSA tentative nonconfirmations that is designed to provide final confirmation or nonconfirmation of U.S. citizens' employment eligibility and accuracy of SSA records for both citizens and non-citizens within 10 Federal Government work days of the date of referral to SSA, unless SSA determines that more than 10 days may be necessary. In such cases, SSA will provide additional verification instructions.

## **B. RESPONSIBILITIES OF DHS**

1. After SSA verifies the accuracy of SSA records for employees through E-Verify, DHS agrees to provide the Employer access to selected data from DHS's database to enable the Employer to conduct, to the extent authorized by this MOU:

- Automated verification checks on employees by electronic means, and
- Photo verification checks (when available) on employees.

2. DHS agrees to provide to the Employer appropriate assistance with operational problems that may arise during the Employer's participation in the E-Verify program. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to make available to the Employer at the E-Verify Web site and on the E-Verify Web browser, instructional materials on E-Verify policies, procedures and requirements for both SSA and DHS, including restrictions on the use of E-Verify. DHS agrees to provide training materials on E-Verify.

4. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in the E-Verify program. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

5. DHS agrees to issue the Employer a user identification number and password that permits the Employer to verify information provided by employees with DHS's database.

6. DHS agrees to safeguard the information provided to DHS by the Employer, and to limit access to such information to individuals responsible for the verification of employees' employment eligibility and for evaluation of the E-Verify program, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security Numbers and employment eligibility, to enforce the Immigration and

**Company ID Number: 613428**

Nationality Act (INA) and Federal criminal laws, and to administer Federal contracting requirements.

7. DHS agrees to provide a means of automated verification that is designed (in conjunction with SSA verification procedures) to provide confirmation or tentative nonconfirmation of employees' employment eligibility within 3 Federal Government work days of the initial inquiry.

8. DHS agrees to provide a means of secondary verification (including updating DHS records as may be necessary) for employees who contest DHS tentative nonconfirmations and photo non-match tentative nonconfirmations that is designed to provide final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

## **C. RESPONSIBILITIES OF THE EMPLOYER**

1. The Employer agrees to display the notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system.

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted regarding E-Verify.

3. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

4. The Employer agrees that any Employer Representative who will perform employment verification queries will complete the E-Verify Tutorial before that individual initiates any queries.

A. The Employer agrees that all Employer representatives will take the refresher tutorials initiated by the E-Verify program as a condition of continued use of E-Verify.

B. Failure to complete a refresher tutorial will prevent the Employer from continued use of the program.

5. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

- If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

- If an employee presents a DHS Form I-551 (Permanent Resident Card) or Form I-766 (Employment Authorization Document) to complete the Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The photocopy must be of sufficient quality to allow for verification of the photo

**Company ID Number: 613428**

and written information. The employer will use the photocopy to verify the photo and to assist DHS with its review of photo non-matches that are contested by employees. Note that employees retain the right to present any List A, or List B and List C, documentation to complete the Form I-9. DHS may in the future designate other documents that activate the photo screening tool.

6. The Employer understands that participation in E-Verify does not exempt the Employer from the responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures, except for the following modified requirements applicable by reason of the Employer's participation in E-Verify: (1) identity documents must have photos, as described in paragraph 5 above; (2) a rebuttable presumption is established that the Employer has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of any individual if it obtains confirmation of the identity and employment eligibility of the individual in good faith compliance with the terms and conditions of E-Verify; (3) the Employer must notify DHS if it continues to employ any employee after receiving a final nonconfirmation, and is subject to a civil money penalty between \$550 and \$1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) the Employer is subject to a rebuttable presumption that it has knowingly employed an unauthorized alien in violation of section 274A(a)(1)(A) if the Employer continues to employ an employee after receiving a final nonconfirmation; and (5) no person or entity participating in E-Verify is civilly or criminally liable under any law for any action taken in good faith based on information provided through the confirmation system. DHS reserves the right to conduct Form I-9 and E-Verify system compliance inspections during the course of E-Verify, as well as to conduct any other enforcement activity authorized by law.

7. The Employer agrees to initiate E-Verify verification procedures for new employees within 3 Employer business days after each employee has been hired (but after the Form I-9 has been completed), and to complete as many (but only as many) steps of the E-Verify process as are necessary according to the E-Verify User Manual, or in the case of Federal contractors with the FAR E-Verify clause, the E-Verify User Manual for Federal Contractors. The Employer is prohibited from initiating verification procedures before the employee has been hired and the Form I-9 completed. If the automated system to be queried is temporarily unavailable, the 3-day time period is extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability. Employers may initiate verification by notating the Form I-9 in circumstances where the employee has applied for a Social Security Number (SSN) from the SSA and is waiting to receive the SSN, provided that the Employer performs an E-Verify employment verification query using the employee's SSN as soon as the SSN becomes available.

8. The Employer agrees not to use E-Verify procedures for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use not authorized by this MOU. Employers must use E-Verify for all new employees, unless an Employer is a Federal contractor that qualifies for the exceptions described in Article II.D.1.c. Except as provided in Article II.D, the Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. The Employer understands that if the Employer uses the E-Verify system for any purpose other than as authorized by this MOU, the Employer

**Company ID Number: 613428**

may be subject to appropriate legal action and termination of its access to SSA and DHS information pursuant to this MOU.

9. The Employer agrees to follow appropriate procedures (see Article III. below) regarding tentative nonconfirmations, including notifying employees in private of the finding and providing them written notice of the findings, providing written referral instructions to employees, allowing employees to contest the finding, and not taking adverse action against employees if they choose to contest the finding. Further, when employees contest a tentative nonconfirmation based upon a photo non-match, the Employer is required to take affirmative steps (see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

10. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo non-match, does not establish, and should not be interpreted as evidence, that the employee is not work authorized. In any of the cases listed above, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status (including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, refusing to assign the employee to a Federal contract or other assignment, or otherwise subjecting an employee to any assumption that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo non-match or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 or OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

11. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA, as applicable, by not discriminating unlawfully against any individual in hiring, firing, or recruitment or referral practices because of his or her national origin or, in the case of a protected individual as defined in section 274B(a)(3) of the INA, because of his or her citizenship status. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the unfair immigration-related employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

**Company ID Number: 613428**

12. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

13. The Employer agrees that it will use the information it receives from SSA or DHS pursuant to E-Verify and this MOU only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords) to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

14. The Employer acknowledges that the information which it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)), and that any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

15. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, including by permitting DHS and SSA, upon reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a timely and accurate manner to DHS requests for information relating to their participation in E-Verify.

#### **D. RESPONSIBILITIES OF FEDERAL CONTRACTORS WITH THE FAR E-VERIFY CLAUSE**

1. The Employer understands that if it is a subject to the employment verification terms in Subpart 22.18 of the FAR, it must verify the employment eligibility of any existing employee assigned to the contract and all new hires, as discussed in the Supplemental Guide for Federal Contractors. Once an employee has been verified through E-Verify by the Employer, the Employer may not reverify the employee through E-Verify.

a. Federal contractors with the FAR E-Verify clause agree to become familiar with and comply with the most recent versions of the E-Verify User Manual for Federal Contractors and the E-Verify Supplemental Guide for Federal Contractors.

b. Federal contractors with the FAR E-Verify clause agree to complete a tutorial for Federal contractors with the FAR E-Verify clause.

c. Federal contractors with the FAR E-Verify clause not enrolled at the time of contract award: An Employer that is not enrolled in E-Verify at the time of a contract award must enroll as a Federal contractor with the FAR E-Verify clause in E-Verify within 30 calendar days of contract award and, within 90 days of enrollment, begin to use E-Verify to initiate verification of employment eligibility of new hires of the Employer who are working in the United States, whether or not assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within 3 business days after the date of hire. Once enrolled in E-Verify as a Federal contractor with the FAR E-Verify clause, the Employer must initiate verification of employees assigned to the contract within 90 calendar days from the time

**Company ID Number: 613428**

of enrollment in the system and after the date and selecting which employees will be verified in E-Verify or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Employers that are already enrolled in E-Verify at the time of a contract award but are not enrolled in the system as a Federal contractor with the FAR E-Verify clause: Employers enrolled in E-Verify for 90 days or more at the time of a contract award must use E-Verify to initiate verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire. Employers enrolled in E-Verify as other than a Federal contractor with the FAR E-Verify clause, must update E-Verify to indicate that they are a Federal contractor with the FAR E-Verify clause within 30 days after assignment to the contract. If the Employer is enrolled in E-Verify for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within 3 business days after the date of hire. An Employer enrolled as a Federal contractor with the FAR E-Verify clause in E-Verify must initiate verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

e. Institutions of higher education, State, local and tribal governments and sureties: Federal contractors with the FAR E-Verify clause that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), State or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency pursuant to a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors with the FAR E-Verify clause may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. The provisions of Article II.D, paragraphs 1.a and 1.b of this MOU providing timeframes for initiating employment verification of employees assigned to a contract apply to such institutions of higher education, State, local and tribal governments, and sureties.

f. Verification of all employees: Upon enrollment, Employers who are Federal contractors with the FAR E-Verify clause may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only new employees and those existing employees assigned to a covered Federal contract. After enrollment, Employers must elect to do so only in the manner designated by DHS and initiate E-Verify verification of all existing employees within 180 days after the election.

g. Form I-9 procedures for existing employees of Federal contractors with the FAR E-Verify clause: Federal contractors with the FAR E-Verify clause may choose to complete new Forms I-9 for all existing employees other than those that are completely exempt from this process. Federal contractors with the FAR E-Verify clause may also update previously completed Forms I-9 to initiate E-Verify verification of existing employees who are not completely exempt as long as that Form I-9 is complete (including the SSN), complies with Article II.C.5, the employee's work authorization has not expired, and the Employer has reviewed the information reflected in the Form I-9 either in person or in communications with the employee to ensure that the employee's stated basis in section 1 of the Form I-9 for work authorization has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen). If the Employer is unable to determine that the Form

I-9 complies with Article II.C.5, if the employee's basis for work authorization as attested in section 1 has expired or changed, or if the Form I-9 contains no SSN or is otherwise incomplete, the Employer shall complete a new I-9 consistent with Article II.C.5, or update the previous I-9 to provide the necessary information. If section 1 of the Form I-9 is otherwise valid and up-to-date and the form otherwise complies with Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired subsequent to completion of the Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.C.5, subject to any additional or superseding instructions that may be provided on this subject in the Supplemental Guide for Federal Contractors. Nothing in this section shall be construed to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU, or to authorize verification of any existing employee by any Employer that is not a Federal contractor with the FAR E-Verify clause.

2. The Employer understands that if it is a Federal contractor with the FAR E-Verify clause, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

### **ARTICLE III**

## **REFERRAL OF INDIVIDUALS TO SSA AND DHS**

### **A. REFERRAL TO SSA**

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by the E-Verify system and provide it to the employee so that the employee may determine whether he or she will contest the tentative nonconfirmation. The Employer must review the tentative nonconfirmation with the employee in private.

2. The Employer will refer employees to SSA field offices only as directed by the automated system based on a tentative nonconfirmation, and only after the Employer records the case verification number, reviews the input to detect any transaction errors, and determines that the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security Number to SSA for verification again if this review indicates a need to do so. The Employer will determine whether the employee contests the tentative nonconfirmation as soon as possible after the Employer receives it.

3. If the employee contests an SSA tentative nonconfirmation, the Employer will provide the employee with a system-generated referral letter and instruct the employee to visit an SSA office within 8 Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary. The Employer agrees to check the E-Verify system regularly for case updates.

4. The Employer agrees not to ask the employee to obtain a printout from the Social Security Number database (the Numident) or other written verification of the Social Security Number from the SSA.

## **B. REFERRAL TO DHS**

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must print the tentative nonconfirmation notice as directed by the E-Verify system and provide it to the employee so that the employee may determine whether he or she will contest the tentative nonconfirmation. The Employer must review the tentative nonconfirmation with the employee in private.

2. If the Employer finds a photo non-match for an employee who provides a document for which the automated system has transmitted a photo, the employer must print the photo non-match tentative nonconfirmation notice as directed by the automated system and provide it to the employee so that the employee may determine whether he or she will contest the finding. The Employer must review the tentative nonconfirmation with the employee in private.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation received from DHS automated verification process or when the Employer issues a tentative nonconfirmation based upon a photo non-match. The Employer will determine whether the employee contests the tentative nonconfirmation as soon as possible after the Employer receives it.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will provide the employee with a referral letter and instruct the employee to contact DHS through its toll-free hotline (as found on the referral letter) within 8 Federal Government work days.

5. If the employee contests a tentative nonconfirmation based upon a photo non-match, the Employer will provide the employee with a referral letter to DHS. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary. The Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo non-match, the Employer will send a copy of the employee's Form I-551 or Form I-766 to DHS for review by:

- Scanning and uploading the document, or
- Sending a photocopy of the document by an express mail account (paid for at employer expense).

7. If the Employer determines that there is a photo non-match when comparing the photocopied List B document described in Article II.C.5 with the image generated in E-Verify, the Employer must forward the employee's documentation to DHS using one of the means described in the preceding paragraph, and allow DHS to resolve the case.

## **ARTICLE IV**

### **SERVICE PROVISIONS**

**Company ID Number: 613428**

SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

## **ARTICLE V**

### **PARTIES**

A. This MOU is effective upon the signature of all parties, and shall continue in effect for as long as the SSA and DHS conduct the E-Verify program unless modified in writing by the mutual consent of all parties, or terminated by any party upon 30 days prior written notice to the others. Any and all system enhancements to the E-Verify program by DHS or SSA, including but not limited to the E-Verify checking against additional data sources and instituting new verification procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes. DHS agrees to train employers on all changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual, the E-Verify User Manual for Federal Contractors or the E-Verify Supplemental Guide for Federal Contractors. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials. An Employer that is a Federal contractor with the FAR E-Verify clause may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such a circumstance, the Federal contractor with the FAR E-Verify clause must provide written notice to DHS. If an Employer that is a Federal contractor with the FAR E-Verify clause fails to provide such notice, that Employer will remain a participant in the E-Verify program, will remain bound by the terms of this MOU that apply to participants that are not Federal contractors with the FAR E-Verify clause, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

B. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established procedures or legal requirements. The Employer understands that if it is a Federal contractor with the FAR E-Verify clause, termination of this MOU by any party for any reason may negatively affect its performance of its contractual responsibilities.

C. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as they may determine necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

D. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

E. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity

**Company ID Number: 613428**

regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

F. The Employer understands that the fact of its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

H. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively.
