Johnson Chosen as Department July Employee of the Month

Robert Johnson has been selected as the Missouri Department of Corrections Employee of the Month for July 2010. Johnson is employed as a Corrections Officer I at Jefferson City Correctional Center in Jefferson City, Missouri. Johnson is being recognized for going above and beyond his normal working duties.

In a letter to Johnson, Missouri Department of Corrections Director George A. Lombardi wrote, "You were nominated for this honor based on your extraordinary initiative and dedication to the institution. It was noted recently, that upon learning the institution's computer system would not be operational over the weekend you printed outcounts and reports, organized them, and ensured they were available to the shift commander for distribution. Also, you recently completed a computer instruction packet. This ten page document included detailed instruction on various computer operations to assist staff in performing their duties. This document is now being utilized by the Jefferson City Correctional Center Training Office for new staff, supervisors, and their employees.

Your hard work, dedication, and initiative are very evident. Your efforts to help your fellow staff and the institution are greatly appreciated. Your ability to accept a diversity of job assignments and perform them at high level benefits Jefferson City Correctional Center, and the department as a whole."

Johnson has been employed with the Department of Corrections for 6 years and resides in Jefferson City, Missouri.
