The scoring of Successful Drug or Alcohol Treatment does not apply to offenders with no alcohol or drug history.

For offenders serving less than one year at the time of assessment Conduct Violations per Year will not be computed as four or more unless the offender has received four or more conduct violations.

Appendix B

Offense Classifications

Each of the following offense classifications has a corresponding matrix that incorporates the salient factor risk categories. Beneath each risk category is the minimum, guideline, and maximum percent of sentence associated with that category. Beneath each percent category is the number of months to be served based upon the sentence imposed by the court. For a more complete listing of offenses, refer to the Sentencing Advisory Commission's User Guide available at <http://www.mosac.mo.gov/> and at <http://www.doc.mo.gov>
