MEMORANDUM

DATE: May 1, 2018  
TO: All Offenders  
FROM:   
Alana C. Boyles, Director  
Division of Adult Institutions  
SUBJECT: Food Visiting Reinstatement

Effective May 15, 2018, I am reinstating the privilege of offender food visiting. We are seeing some decrease in the amount of drug activity and overdoses within the facilities. Offenders interested in requesting a food visit need to apply as outlined in IS 13-3.1 Offender Visitation. I would like to make the reminder that food visits are a privilege. You have the responsibility to play an active part in the safety of the community in which you live and not condone illegal activity. If there is an increase in drug activities and/or overdoses, it is possible to suspend the privilege again.

Please ensure you share correct information with your friends and family regarding the date of the reinstatement. If you have any questions, please see your Case Manager.
